

O-KEY

(Orange Key) is the identity account of each individual who has a formal affiliation with Oklahoma State University. The O-Key credentials – the Campus Wide Identification (CWID) number, O-Key username, email address, and password – are joined in the O-Key account to provide secure single sign-on access to IT and other services. Administratively, O-Key is used to manage access to services based upon the roles of each individual associated with OSU. O-Key credentials provide login information to access OSU’s online systems including my.okstate.edu portal, Email, the Online Classroom, and the Microsoft Software Distribution Center.
