PAGEUP Goes Live June 9

On Monday, June 9th, PageUp goes live for recruiting and applicant tracking. Human Resources has been transitioning all recruitment, performance and learning management functions into the new system designed to combine the current functions of the Cornerstone Talent Management System (TMS).

Performance and learning management functionality will remain available through the Cornerstone system until the close of business on Friday, June 13. At that time, users will no longer be able to access training registrations, learning opportunities or performance reviews. These areas will resume service in July and August, respectively.

Beginning Monday, June 9, employees may access the ATS and Cornerstone for learning and performance management by logging into PageUp at talent.okstate.edu, navigating to the top menu bar and clicking "My Useful Links." To learn more about OSU's transition to the PageUp system and review dates, deadlines, trainings and frequently asked questions, [click here](#).

Scheduling Preventative Care

Summer is the perfect time to check off your preventive care appointments before the fall rush hits. Whether it's an annual physical, dental cleaning or vision exam, now's the time to make your health a priority.

What's covered at no cost under your OSU/A&M plans?

- **Blue Cross Blue Shield-OK Medical:** Routine annual physicals, recommended screenings (like mammograms and colorectal cancer), childhood immunizations and more are covered at 100% when you use a network provider.
- **Delta Dental:** Cleanings, oral exams and X-rays fall under Class I services and are covered at 100% across all plan options.
- **VSP Vision:** An annual WellVision Exam® is included with your plan to help detect vision and overall health issues early.

Schedule now to avoid the back-to-school and annual enrollment traffic. Need help finding a provider?
