OSU-OKC supervisors who need to recruit for positions in the coming weeks are encouraged to connect with Human Resources for conversations on recruitment ahead of this transition.

Mental Health Awareness Month

May is Mental Health Awareness Month, which is an important opportunity to prioritize mental well-being and share the support resources available to employees and their dependents.

In addition to the various [wellness resources](#) available on campus, review the following services, available at no cost:

OSU's [EAP](#), offered through ComPsych, provides confidential support to employees and their dependents for a variety of concerns including stress, family issues and emotional well-being.

BCBS Mental Health Hub – Now Available for 2025

Employees enrolled in the BCBS medical plan now have access to the new BCBS Mental Health Hub. This resource offers expanded mental health tools and services tailored to meet a variety of needs. - Live coaching from licensed clinicians
- Webinars to promote emotional well-being

TIAA Webinars and Advice Sessions

On Campus TIAA Retirement Consultations

You can meet with a Financial Consultant at OSU-OKC Campus

No matter where you are in life - just getting started or planning for retirement - a session with a Financial Consultant can help you create a plan for your goals. And it's at no additional cost as a part of your retirement plan. You'll get answers to these questions and more:

- Am I invested in the right mix of investments to help meet my goals?
- Am I saving enough to create the retirement income I need?
- How do I take income from my retirement account once I stop working?

TIAA will be available these dates and times for one-on-one sessions.

- Thursday, June 26th from 9:00am to 3:00pm in SC Pistol Pete conference room

RSVP today, as space is limited. Register for sessions at [tiaa.org/schedulenow](#), or by calling **800-732-8353**, on weekdays, 7 a.m. to 9 p.m. (CT).
