EBSCOhost

EBSCOhost, a search service that provides **full-text access** to most articles from magazines and journals, is a joint project of the Oklahoma Department of Libraries (ODL).

To access *EBSCOhost* off campus:
use the 'off-campus link' from the Library's main webpage
http://www.osuokc.edu/library
then choose 'Online Databases'
At the top of the page click the link that says '**click here to login**'
For the username & password, enter your school O-Key username & password.

MasterFILE Premier

Use this database to search for full-text magazine and journal articles on a wide range of subjects, including general reference, business, health and more.

Academic Search Premier

Use this database to search for full-text magazine and journal articles on social science, humanities, general science, multicultural topics and more.

eBook Academic Collection

This database has access to eBooks that can be downloaded to your personal computer or device for your reading convenience. (No textbooks)

Newspaper Source Plus

Use this database to search for full-text newspaper articles from 139 regional and 18 international newspapers and 6 newswires.

Business Source Premier

Use this database to search for journal articles covering business, management, economics, finance, banking, accounting, and more.

Health Source: Nursing/Academic Edition

Use this database for full-text journal articles on medicine. This database is designed with Nursing students in mind.

CINAHL (Cumulative Index to Nursing and Allied Health Literature)

Use this database for the best indexing to Nursing articles. CINAHL provides full-text articles for more than 600 journals.

Other *specialized* databases are included in the EBSCOhost search service.
