OSU | OKLAHOMA CITY

ENTERPRISE DEVELOPMENT A.S.

The following plan is for students matriculating in or before the academic year **2023-2024**
This suggested sequencing plan is provided as a courtesy. The official degree requirements sheet is used to determine eligibility for graduation.
For official degree requirements visit https://osuokc.edu/academics/degrees
The sequence below is designed for completion within two years; not following the sequence may delay degree completion.
Some courses are not offered every semester, as noted on the plan below.

Note: The Enterprise Development degree program is part of a statewide initiative, Reach Higher, to assist students who have started a degree program and then stepped away to return and complete their studies. Flexibility is built in with courses that are offered in both on-site and online modalities and the ability for students to tailor the degree to their career interests with the guidance of an academic advisor.
