Oklahoma State University-Oklahoma City

Oklahoma State University-Oklahoma City is a Higher Learning Commission accredited, state-assisted public college serving the technical education and training needs of Oklahoma. Located in the heart of Oklahoma City, at the crossroads of Interstate 44 and Interstate 40, the campus enrolls full- and part-time students each semester. OSU-Oklahoma City has grown from one building with fewer than 100 students in 1961 to a campus today of 110 acres, 15 modern buildings, 351 full-time faculty and staff, and over 5,000 students.

Taking pride in its student-centered approach to collegiate education, OSU-Oklahoma City offers:

- a bachelor of technology degree program
- 23 associate in applied science degree programs with numerous areas of option,
- 7 associate in science degree programs,
- a variety of certificate programs,
- developmental education courses, and
- business and industry training.

Curriculum is designed in response to current business and industry needs and with input from professionals who serve on advisory committees. All energies are directed toward one goal: blending academic and student support services to create a collegiate educational experience that addresses individual student goals and workforce needs.

THE OKLAHOMA STATE UNIVERSITY SYSTEM

OSU-Oklahoma City is one of four branch campuses within the Oklahoma State University system. The other three campuses are OSU-Institute of Technology, OSU-Tulsa and the Center for Health Sciences, Tulsa. The main Oklahoma State University campus is located 80 miles northeast of Oklahoma City in Stillwater, Oklahoma. The chief executive officer of the Oklahoma City campus holds the title of president. The Board of Regents for the Oklahoma Agricultural & Mechanical Colleges serves as the governing board of all five OSU campuses, as well as Langston University, Oklahoma Panhandle State University, Connors State College, and Northeastern Oklahoma A&M College.

THE PHILOSOPHY

OSU-Oklahoma City operates in the belief that each person should be:

- treated with dignity and respect,
- afforded equal opportunity to acquire a complete educational experience,
- given an opportunity to discover and develop their special aptitudes and insights,
- provided an opportunity to equip themselves for a fulfilling life and responsible citizenship in a world characterized by change.

THE MISSION

Oklahoma State University-Oklahoma City provides industry-relevant higher education for a diverse student population through innovative technology and experienced faculty and staff; leading to personal growth, graduation, and employment that supports the needs of a multicultural region.

THE VISION

Oklahoma State University-Oklahoma City will improve lives through an educational learning community that is caring, supportive, and accessible.

THE FUNCTION

1. Provide general education for all students
2. Provide lower division education in several fields of technical study and a limited number of Associate in Science degree programs as authorized by the the Regents using criteria outlined in the Academic Program Approval policy.
3. Provide certificates and undergraduate technical and occupational educational degree programs (i.e., Associate in Applied Science-AAS degrees) that prepare individuals for immediate entry into the labor market, including both credit and non-credit programs designed to enhance job skills, promote workforce readiness and provide professional development.
4. Provide developmental education for students who lack required high school academic requirements for college admission or competency in the basic academic skills areas, consistent with the Student Assessment and Remediation policy.
5. Offer a limited number of bachelor of technology degree programs as authorized by the State Regents that build on AAS programs and enhance workforce preparation using criteria outlined in the Academic Program Approval policy.
6. Evaluate opportunities for providing education, service, and/or training consistent with the statewide technical mission of these constituent agencies.
7. Participate in programs of economic and community development independently or in cooperation with public and private entities.
8. Perform other special programmatic responsibilities as authorized by the State Regents. Criteria for consideration of programs outside of the function described herein are outlined in the Academic Program Approval policy.

CAMPUS WIDE LEARNING OUTCOMES

OUTCOME STATEMENT:

The general education curriculum is designed to help students develop math, science and communication skills; gain a sense of social, ethical and cultural values; and appreciate the application of these values in a complex technological and global society.

Upon completion of the general education curriculum, students should be proficient in demonstrating the following competencies:

- CRITICAL THINKING: Students solve problems by evaluating arguments or propositions and making judgments that guide the development of their beliefs and actions.
- EFFECTIVE COMMUNICATION: Students communicate effectively using organized and coherent written and oral presentations appropriate for the audience and situation.
- COMPUTER PROFICIENCY: Computer proficiency includes a basic knowledge of operating systems, word processing and Internet research capabilities.
- CIVIC RESPONSIBILITY: Students engage in the community through activities effecting positive change in society and the environment.
- GLOBAL AWARENESS: Students display sensitivities to cultures across local, national, and global communities.

EQUAL OPPORTUNITY/AFFIRMATIVE ACTION

- To be a complete equal opportunity university in all phases of operations, toward the end of attaining the university’s basic mission and goals.
- To provide equal employment and/or educational opportunity on the basis of merit and without discrimination because of age, race, color, religion, sex, sexual orientation, genetic information, gender identity or expression, national origin, disability, protected veteran status, or other protected category.
- To subscribe to the fullest extent to the principle of the dignity of all persons and their labors; in support of this principle, sexual harassment is condemned in the recruitment, appointment, and advancement
of employees and in the evaluation of students’ academic performance.

- To apply equal opportunity in the recruitment, hiring, placement, training, promotion, and termination of all employees; and to all personnel actions such as compensation, education, tuition assistance, and social and recreational programs. The university shall consistently and aggressively monitor these areas to ensure that any differences which may exist are the results of bona fide qualification factors other than age, race, color, religion, sex, sexual orientation, genetic information, gender identity or expression, national origin, disability, protected veteran status, or other protected category.

- To ensure that each applicant who is offered employment at the university shall have been selected on the basis of qualification, merit, and professional ability.

- To provide and to promote equal educational opportunity to students in all phases of the academic program and in all phases of the student life program; and shall consistently and aggressively monitor these areas to ensure that any differences which may exist are the results of bona fide factors other than age, race, color, religion, sex, sexual orientation, genetic information, gender identity or expression, national origin, disability, protected veteran status, or other protected category.

For more information, please call (405) 945-3383 or email okctdc@osuokc.edu. For a list of current classes, visit: www.osuokc.edu/tdc.

**CAREER TECHNOLOGY PARTNERSHIPS**

Under the leadership and guidance of the Oklahoma State Regents for Higher Education, OSU-Oklahoma City has partnered with various Oklahoma career technology centers to forge a partnership that allows high school and adult students in various programs the opportunity to earn college credit through Prior Learning Assessment and Cooperative Agreements.

The partnership has multiple goals: (1) get more high school students into college, (2) get more adults to continue their education or begin college, (3) expand access to postsecondary education, and (4) efficiently use federal, state and local resources. The driving principle is to be student-centered, not institution-centered.

**ACCREDITATION**

Oklahoma State University-Oklahoma City and the academic programs offered to students strive to achieve and maintain the highest standards of accreditation. For students, accreditation speaks directly to the quality and reputation of the degrees and programs they seek. Accreditation facilitates the transferability of credits from this university to other colleges and universities both inside and outside the state of Oklahoma.

Oklahoma State University-Oklahoma City is accredited by the Higher Learning Commission (https://www.hlcommission.org/). The university is also fully accredited by the Oklahoma State Regents for Higher Education (http://osrhe.edu/). Several academic programs have received additional accreditation status from their corresponding professional boards, councils or regulatory groups. For more information, please visit https://osuokc.edu/accreditation.

SERVICES TO STUDENTS

ACADEMIC ADVISEMENT

Academic advisors are available to provide guidance, support and coaching to prospective, new and current students. Academic advisors are located on the first floor of the Student Center. For more information call (405) 945-8678, email advisement@osuokc.edu or visit us online at https://osuokc.edu/advisement.

ACCOMMODATIONS AND SUPPORT RESOURCES FOR STUDENTS WITH DISABILITIES

Disability Services and Diversity Office
Student Center, Room 136
(405) 945-3385
disability@osuokc.edu
https://osuokc.edu/disability
https://osuokc.edu/DeafStudentServices

OSU-Oklahoma City partners with students with disabilities to provide equal access to educational opportunities through individualized accommodations. A variety of academic support accommodations and resources are available to students in compliance with Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) of 1990, and the ADA Amendments Act of 2008.

The Disability Services and Diversity Office assists students who experience a wide range of challenges or disabilities, including but not limited to:

- Chronic Medical
- Cognitive/Learning
- Mental Health
- Neurological/Neuromuscular/Mobility
- Sensory

Students will be asked to provide documentation of their disability as part of the accommodation process. Once accommodations are approved, the Disability Services and Diversity Office will work with the student to develop a Notification of Student Disability Accommodations Letter (Accommodation Letter) which will be given to course faculty. The Disability Services and Diversity Office will then coordinate with the student, faculty, or other campus departments as needed to fulfill the accommodations. Students need to request and obtain new Accommodation Letters from the Disability Services and Diversity Office for each individual semester and class in which they request accommodations.

A student who believes they have been discriminated against based on their disability are encouraged to contact the Disability Services and Diversity Office.

To request accommodations or for additional information, please contact the Disability Services and Diversity Office at (405) 945-3385 or email disability@osuokc.edu.

ADMISSIONS

The Office of Admissions is located on the first floor of the Student Center. Students can get assistance with the application process, check the status of their application, and submit transcripts or other documents needed to finalize their admission. For more information, call (405) 945-3224 or email okc.admission@okstate.edu.

BUSINESS SERVICES

The Business Services Office (Administration Building, second floor) is responsible for all financial transactions between students and the university. Students can visit the Business Services Office to pay their bill, find out information about a refund, obtain a parking pass.

CAMPUS TOURS

Nothing can take the place of being shown around campus on a tour, visiting with faculty, and getting questions answered. A tour can take 30-60 minutes, depending on the size of the group. Campus tours can be scheduled Monday through Friday, 8 a.m. – 3 p.m., for individuals or groups. To schedule a tour call (405) 945-9150 or email: info@osuokc.edu.

CAREER SERVICES

Career Services offers personalized and professional employment assistance to all OSU-OKC students looking for a job or a career. Help is available with resume writing and job interviewing techniques, career exploration, and more. For more information, visit https://osuokc.edu/careerservices.

FINANCIAL AID AND SCHOLARSHIPS

Located in Room 100 of the Student Center, the Financial Aid and Scholarship Office assists students with obtaining federal, state, institutional, and private aid to help finance the cost of attending college.

Visit https://osuokc.edu/financialaid for more information on how to apply for assistance. Office hours are Monday through Thursday, 8 a.m. - 6 p.m. and Friday, 9 a.m. - 5 p.m. For federal aid application purposes, OSU-OKC’s federal school code is 009647.

INTERNATIONAL STUDENT SERVICES

International student services are available to assist students through the admissions process and provide advisement on travel, employment, academic, and immigration status issues. For information about international admissions, call (405) 945-3315 or email: international@osuokc.edu.

NEW STUDENT ORIENTATION

OSU-OKC offers a variety of new student orientations to welcome different groups to campus. Information about campus programs and services is highlighted during these sessions.

For dates, information and to register, contact the Office of Student Engagement, Student Center, first floor, or call (405) 945-3378 or email studentlife@osuokc.edu.

RECRUITMENT SERVICES

Campus tours, college fairs and other student recruitment activities are coordinated by the college recruitment specialists, located on the first floor of the Student Center. To schedule a campus tour or arrange for a recruiter to attend a special event, call (405) 945-9150 or email okc.recruit@osuokc.edu. Find out more about our recruitment team at https://osuokc.edu/recruitment.

REGISTRAR

Located on the first floor of the Student Center, the Office of the Registrar is where students may request official transcripts, graduation application information, and various academic/student record requests at the Registrar window. For more information on the Officer of the Registrar call (405) 945-3291 or email okc.registrar@okstate.edu.

STUDENT IDS

Student identification cards are obtained at the Admissions Office, Student Center first floor, during the first semester of attendance at OSU-Okahoma City. The ID card is required when checking out library materials, picking up financial aid checks, making tuition payments, using computer labs or the Wellness Center facilities and/or participating in various campus activity programs. For more information visit https://osuokc.edu/idcard.
**TESTING AND ASSESSMENT CENTER**

The OSU-OKC Testing and Assessment Center (located in the Student Center Room 104) administers a wide variety of tests including makeup exams, ACCUPLACER, ACT National and Residual, CLEP, and Health Sciences pre-admissions testing. Fee-based proctor service is also available. OSU-OKC Testing and Assessment is a Pearson VUE-Certified Test Center and is certified by the National College Testing Association. For more information, visit www.osuokc.edu/assessment or call (405) 945-8648.

**VETERANS SERVICES CENTER**

OSU-OKC is approved to train students under all chapters of GI Bill® benefits including VA Vocational Rehabilitation and the Post 9/11 GI Bill®. The OSU-OKC Veteran Services Center, located in the Student Center, Room 132, provides information and assistance in the proper completion of all forms. When all required forms and documents have been submitted to the OSU-OKC Veterans Office, students eligible for VA education benefits will be certified to the VA promptly.

Students must request certification for every semester in which they enroll and want to receive their VA education benefits. Students may contact the OSU-OKC Veteran Services Center in person, by phone (405) 945-8692, or by email at va@osuokc.edu, or visit the website: https://osuokc.edu/veterans.

Students should go to the GI Bill® website (www.gibill.va.gov) to research what benefit they may be eligible to receive and which benefit is their best option if they are eligible for more than one chapter of benefits, or to find in-depth information about the various chapters.

To directly contact the VA Regional Processing Office in Muskogee, Okla., call (888)-GIBILL1 with questions concerning VA education benefits, or (800) 827-1000 with questions pertaining to all other veteran benefits.

*GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by the VA is available at the official U.S. government website at benefits.va.gov/gibill.

**WELLNESS SERVICES**

Currently enrolled students may join any of the Wellness Center non-credit classes for free. Located on the first floor of the Administration Building, the center features a fully-equipped cardio/ exercise room with treadmills; free weight elliptical trainers; bikes; Cybex machines; Paramount and Quantum strength training equipment; and a multi-purpose room for fitness classes. We also offer an outdoor fitness track and outdoor volleyball. Locker rooms are fully equipped with showers, restrooms and lockers for rent.

First-time visitors may schedule a free fitness orientation that covers basic exercise technique, cardiovascular and basic nutrition guidelines and basic stretching exercises.

The Wellness Center operates Monday through Thursday, 7 a.m. to 6 p.m.; Friday, 7 a.m. to 5 p.m. (summer and break times may vary).

Many new opportunities are available to OSU-Oklahoma City students and the community. Call the Wellness Center at (405) 945-8642 for the latest program information and scheduling or go to https://osuokc.edu/wellness.
ASSISTANCE, RESOURCES, POLICIES

ASSISTANCE
BUSINESS SERVICES
Tuition is paid, parking tags are issued and student account information is provided at Business Services, Administration Building, Room 222.

LIBRARY
The Library is located in the Learning Resource Center, fourth floor, and is open seven days a week. Students are required to have a valid OSU-Oklahoma City ID card to borrow materials. Hours are Monday through Thursday, 7:30 a.m. to 9 p.m.; Friday and Saturday, 9 a.m. to 5 p.m.; and Sunday, 1 p.m. to 5 p.m. Holidays and interim hours may vary. An exterior book return is located on the west side of the LRC building.

The Library provides many electronic resources with staff available to instruct students in the use of these resources. Inter-Library Loan service is available for items not held locally. A self-service, coin-operated copy machine and study rooms are available. Two study rooms include equipment for collaborative projects. Children may be in the library as long as they have adult supervision and are not disturbing other library users. For more information, go to https://osuokc.edu/library.

PROJECT SOAR
Project SOAR provides a special environment in which students can receive assistance in meeting academic, career, personal and social needs. Services include tutoring, academic advisement, personal counseling, study skills development, self-esteem enhancement, workshops and cultural events. In addition, the SOAR lab is available with computer accessibility, a resource center, and Math, English and Science tutors, who each provide tutoring 30-40 hours a week. Project SOAR is located in the Student Center, second floor. For more information call (405) 945-8627 or go to https://osuokc.edu/soar.

TALENT SEARCH
Educational Talent Search is a federally-funded TRIO program designed to increase the number of youth from disadvantaged backgrounds who complete high school and enroll in a postsecondary educational institution of their choice. Talent Search serves 6th through 12th grade students in four school districts at the following schools: El Reno, Putnam City West, Capitol Hill, Southeast, U.S. Grant, and Western Heights high schools and Etta Dale, Mayfield, Jefferson, Roosevelt, Webster, and Western Heights middle schools. Talent Search also can help out-of-school adults (to age 27) and U.S. military veterans (of ANY age) with career exploration, enrollment, financial aid, and back-to-school transition. If you would like further information, please contact the Talent Search office at (405) 945-9132 or view our website at https://osuokc.edu/talentsearch.

UPWARD BOUND
Upward Bound is a federally-funded program designed to identify and select 78 specific high school students in order to assist them in preparing to enroll and succeed in a post-secondary education program. In order to qualify, interested students must meet certain federal guidelines and be currently enrolled in one of the target area high schools: Putnam City West or Western Heights. If you would like further information, please contact the Upward Bound office at (405) 945-8625 or go to https://osuokc.edu/upwardbound.

RESOURCES
ALUMNI ASSOCIATION
The Alumni Association encourages alumni to develop strong ties with each other and Oklahoma State through an engaging mix of programs and activities. Membership will provide you with opportunities to engage with fellow Cowboys, support the university, stay connected to OSU, and save on products and services across the country. Membership to the OSU Alumni Association is $35 for the first year and $45 the second year. Go Pokes!

Membership in the OSU system-wide Alumni Association keeps you connected to the university and its resources. Benefits of membership include participation in the OSU Legacy Program, discounts, car decals, OSU’s “STATE” magazine, “Orange Bytes” monthly e-newsletter and more. Go to www.orangeconnection.org for more information.

BOOKSTORE
The OSU-Oklahoma City Bookstore is operated and managed by Follett Higher Education Group, a private company that manages bookstores in colleges and universities across the country. The Bookstore offers a complete line of required course books and educational supplies.

Textbooks, gifts and clothing may be purchased on the web at www.osuokc.blstr.com. Students may sell their books back year round depending on market availability. Full refunds with a receipt are available through the first two weeks of a six-week class. The Bookstore also offers “Rent-a-Text,” a new option that allows students to rent eligible textbooks for less than half of the new book price. Simply register at www.rent-a-text.com. The Bookstore also offers rental and digital textbook options when available. The Bookstore is located in the Student Center, second floor, and can be contacted at (405) 945-3201 or faxed at (405) 945-3213.

COMPUTER LABS AND COPY MACHINES
OSU-OKC has a variety of computer labs available on campus for student use; labs with Internet access are located in the Library (Learning Resource Center, fourth floor) and in the Student Success and Opportunity Center (Learning Resource Center, second floor). The Student Success & Opportunity Center has PCs which are loaded with a variety of software, including specific program-related applications. The library has laptops for in-library-use only available at the Circulation Desk. These laptops have Microsoft Office Suite and wireless Internet access. A coin-operated copy machine is located in the Library, fourth floor and can be used for non copyright material. Additional computer labs are located in most of the academic areas. Hours of availability may vary by semester. Contact the appropriate office or an instructor for more information regarding computer lab use.

EVENT SERVICES
Event Services is your one-stop shop for all conference and meeting spaces on campus. We offer superior services, impressive facilities, and a staff of professionals who will do their best to please you and your guests. The Student Center has more than 20,000 square feet of meeting space that can accommodate small or large groups (up to 250 people). Audiovisual equipment is available upon request. Please allow us to discuss the numerous possibilities and arrange a successful meeting for your group or organization. For more information, please call (405) 945-3238 or go to https://osuokc.edu/eventservices.

THE HUB
The HUB (Student Center, second floor) offers a place to eat, relax and visit with friends or study. Breakfast and lunch items, both hot and cold, are available Monday through Friday. Other meal offerings include homemade entrees, cook-to-order grill items, fresh-made wraps and salads and a variety of snacks. The Hub has an exclusive contract to provide all food, beverage and catering services on campus. A selection of hot and cold drinks, chips and snack items are available at The Hub and from vending machines located across campus.
Microsoft Software Distribution Center

The OSU system has an agreement with Microsoft that allows currently enrolled OSU-OKC students to receive free Microsoft software, including the latest version of Microsoft Office and Windows operating system. Microsoft Software Distribution Center can be accessed using the myOKSTATE portal (https://my.okstate.edu), log in with O-KEY email address and password.

O-KEY Account Information

O-key (Orange Key) is the identity account of each individual who has a formal affiliation with Oklahoma State University. The O-Key credentials – the Campus Wide Identification (CWID) number, O-Key username, email address, and password – are joined in the O-Key account to provide secure single sign-on access to IT and other services. Administratively, O-Key is used to manage access to services based upon the roles of each individual associated with OSU. O-Key credentials provide login information to access OSU's online systems including my.okstate.edu portal, Email, the Online Classroom, and the Microsoft Software Distribution Center. All of these services can be accessed at https://my.okstate.edu.

Use O-Key to:

• Reset passwords every 120 days
• Set up email
• Set up confidential contacts in case of an emergency
• Sign up for Campus Alerts - users can receive the alerts about emergencies on campus via a voice message and/or text
• Students use O-Key to select or change their preferred email delivery system - Cowboy Mail or Orange Mail.

Activate O-Key, click on the Activate Your O-Key Account link on the my.okstate.edu sign in page.

Online Classroom (Canvas)

The Online Classroom is OSU-OKC’s online learning management system (LMS). Students use the Online Classroom to view course announcements, access course content, turn in assignments, participate in course discussions, complete quizzes and exams, and to view grades. All OSU-OKC classes are listed in the Online classroom. Check your course syllabus or with your instructor about online classroom use in your specific class. The Online Classroom can be accessed using the myOKSTATE portal (https://my.okstate.edu), log in with O-KEY email address and password.

Student Center

The Student Center provides a convenient one-stop shop for student services including the offices of Advisement Center, Career Services, Testing and Assessment, Financial Aid and Scholarships, Internship Student Services, Services to Students with Disabilities, Student Life, SOAR, Recruitment and Admissions, Registrar, and Veterans Services. The Bookstore, The HUB, and a full-service conference center are also located in the Student Center.

Student Email

OSU-OKC provides all current students with an O-Key email address to facilitate communications between students and the University. Students are required to use their O-Key email address when using email to contact OSU-OKC faculty or staff. All official OSU-OKC email communications is sent to students’ O-Key email address. Students are responsible for reviewing their O-Key email on a frequent and consistent basis. Students should be aware that some email communications are time sensitive. Failure to review email in a timely manner does not absolve students from complying with the content of such communications.

Confidentiality of student records is protected under the Family Educational Rights and Privacy Act of 1974 (FERPA). All use of email, including use for sensitive or confidential information, will be consistent with FERPA. To ensure confidentiality, some private information may be only available through the password protected site https://my.okstate.edu. Students will receive email communication directing them to https://my.okstate.edu. where they can access their confidential information. The confidential information will not be available in the email message. For more information, please refer to the FERPA policy, page 30.

O-Key email (Cowboy Mail or Orange Mail) can be accessed using the myOKSTATE portal (https://my.okstate.edu), log in with O-KEY email address and password.

Student Self-Service

The Self-Service system allows students to access their grades, drop/add classes, view/print class schedules, view and update personal information, view financial aid information, view transcript information, request official transcripts, and much more. Self-service can be accessed using the myOKSTATE portal (https://my.okstate.edu), by logging in with the O-KEY email address and password.

Student Success and Opportunity Center

The Student Success and Opportunity Center (SSOC) is located on the second floor of the Learning Resource Center and provides free academic services to all OSU-OKC students. The SSOC offers free tutoring in various subject areas, a writing lab, group and individual work stations, and a computer lab with access to printers and copiers. It also offers access to academic material, study guides and class-specific software. It’s a one-stop shop for all your academic needs. Students are encouraged to make an appointment with a tutor ahead of time; however, walk-ins are always welcome.

Hours of operation are Monday through Thursday, 8 a.m. to 9 p.m.; Friday, 8 a.m. to 5 p.m.; Saturday, 9 a.m. to 5 p.m.; and Sunday, 1 p.m. to 5 p.m. For more information, check out our website at www.osuokc.edu/ssoc or call 405-945-8679.

Technology Support Center (TSC)

OSU-OKC’s walk-up help area for technical support. Open Monday – Friday from 8 a.m.-7 p.m. Staffed with highly-trained support technicians and lead analysts who can help students, staff and faculty with:

• O-Key
• The Online Classroom (Canvas)
• Software downloads
• Wireless Internet Access
• And many other technology-related issues.

Located in the Learning Resource Center on the first floor. Contact the TSC by phone (405) 945-6767 or send an email to helpdesk@osuokc.edu.

Wireless Internet Access

Wireless internet access is available across campus. Students and guests will use the WiFi Network OSU/OKC. Sign in by connecting to OSU-OKC, then when prompted, read the Acceptable Use Policy and then select ACCEPT.
POLICIES

ELECTRONIC DEVICE POLICY

Cell phones and other electronic devices are disruptive to the class. If a student’s work or family situation requires the student to keep the device turned on during class, the student must turn the phone to a silent or vibrate mode. If a student must receive a call during class, the student will leave the room. A student may not make a call during class. Cell phones and all electronic devices may not be used during an exam unless stipulated by an instructor. Use of a cell phone or electronic device during an exam is considered academic misconduct, and the student will be subject to the appropriate penalties. This policy may be strengthened by the instructor.

FOOD AND DRINKS

Food and drinks are strictly forbidden in classrooms and laboratories.

HOUSING

OSU-Oklahoma City does not operate any on-campus housing; however, there are several apartment complexes within easy access of the campus. Metro Oklahoma City apartment information may be accessed at the following web site: www.apartmentguide.com.

STUDENT CODE OF CONDUCT

It is the intent of OSU-Okahoma City to ensure that students understand their rights and their responsibilities as students. Student Code of Conduct is a document that clarifies the rights and responsibilities of student members of this academic community.

See website https://osuokc.edu/studentconduct/code for the complete OSU-OKC Code of Student Conduct document that includes information about:

- Extracurricular Use of University Facilities, Areas or Media for the Purpose of Expression
- Oklahoma State Policy for All Students and Employees Regarding the Drug-Free Schools and Communities Act
- Hazing
- Gender Discrimination and Sexual Harassment

Copies of Student Code of Conduct are available in the Office of the Vice President for Student Experience, the Office of Student Life and online. To view the complete policy relating to Student Conduct, please visit the website at https://osuokc.edu/studentconduct/code.

STUDENTS COMPUTER / INTERNET REQUIREMENTS

All students are required to own or have access to a personal computer with internet access. Students who do not own a personal computer are responsible for ensuring that they have access to a computer at a time when work can be completed and must have rights to download and install software, as needed, for classes. Access to OSU-OKC computer labs are limited to the posted hours of operation. OSU-OKC provides every student with a download of Microsoft Office, for either Mac or Windows. There are several classes that require the Windows Version of Office be used. All students should expect on occasion to need the ability to run Windows-based software. Mac users can use virtualization options like VirtualBox or Parallels to run Windows. Note: These virtualization options are for experienced Mac users. The Apple Store can provide support if needed.

STUDENT VERIFICATION

OSU-OKC uses the O-Key system to provide secure logins and passwords to verify that students registering for the course are the students who participate and receive credit. OSU-OKC requires that students use a login/password to access the online classroom and email. The password must be reset every 120 days. There are multiple types of assessments in courses, including discussions, papers, projects, quizzes, and exams. Using these three requirements ensure that the person who is getting credit for the course is the person who has enrolled. In accordance with the Information Technology Resources Appropriate Use, Academic Honesty, and Student Code of Conduct and Responsibility policies, students are required to keep their logins and passwords secure, and to uphold the integrity of their coursework. OSU-OKC uses these practices to protect students’ privacy and to ensure that grades are awarded to the appropriate students. Students are expected to report misuse of student identity information, to abuse@okstate.edu.

TOBACCO POLICY

The use of tobacco products including cigarettes, cigars, pipes and smokeless tobacco shall be prohibited anywhere on campus, including buildings, grounds and parking lots leased, owned or operated by OSU-Okahoma City. This policy applies to other smoking preparations including but not limited to hookahs, electronic cigarettes, vapor cigarettes, and clove cigarettes. Oklahoma Statutes, Title 21 Section 1247.

UNATTENDED CHILDREN

For the personal safety of children and to avoid potential problems in supervision, children should not be at any location on campus without adult supervision. No children are permitted in classrooms, laboratories or teaching areas. Children may be in the library as long as they have adult supervision and are not disturbing other library users.
STUDENT LIFE

STUDENT ENGAGEMENT AND DEVELOPMENT
OSU-Oklahoma City offers a wide array of extracurricular programs and activities that serve students' interests. A wide range of social, recreational, cultural and civic activities are offered to students. The Office of Student Life works closely with student organizations and provides guidance and information concerning student organization constitutions, by-laws, membership and issues concerning college policy.

OSU-Oklahoma City utilizes Campus Labs Engage for student clubs and organizations, co-curricular records, community service and campus event tracking. Campus Labs Engage is where students request an official OSU-Oklahoma City co-curricular transcript. The co-curricular transcript is an official record of out-of-class, extracurricular activities and accomplishments of students. For questions concerning Campus Labs Engage or the co-curricular transcript, please contact the Office of Student Engagement (Student Center, First Floor) at (405) 945-6796 or studentlife@osuokc.edu.

To view the complete policy relating to Student Conduct, please visit the website at https://osuokc.edu/studentconduct/code.

STUDENT ORGANIZATIONS
Want to get involved in college? Join any of the campus clubs and organizations at OSU-Oklahoma City or join the organization that pulls all of these groups together - the Student Government Association. For more information, please contact the Office of Student Engagement at (405) 945-6796 or email studentlife@osuokc.edu. Check out current campus organizations or start a new one. Drop by the Office of Student Engagement, Student Center, first floor, and let us show you what it takes to start an organization or how to get involved.

ATHLETIC AND SPORTS ASSOCIATION (ASA)
Are you interested in having a healthy lifestyle, playing a sport or friendly competition? Then check out the Athletic and Sports Association. This group encourages students to be active and obtain a healthy lifestyle while having a great time with various sports competitions.

ASPIRE HIGHER STUDENT ORGANIZATION (AHSO)
ASPire Higher serves as a resource toward higher education for undocumented students by creating a supportive, unified and diverse student body in our community. All are welcomed to join!

BAPTIST COLLEGIATE MINISTRIES (BCM)
BCM is a Christ-centered, church-related, student-led organization on college and university campuses throughout Oklahoma. BCM is dedicated to bringing students to a closer walk with Jesus Christ through worship, Bible study, fellowship, ministry opportunities and missions.

BLACK STUDENT ASSOCIATION (BSA)
The purpose of this organization shall be to promote awareness about the political process and learning about the Republican Party. If so, come join the College Republicans where local candidates are invited to come speak about the issues, members learn about the Republican platform and they increase awareness about the political process in America. Membership is open to all college students.

COLLEGE REPUBLICANS*
The mission of BSA is to encourage a positive educational experience among all students of African-American descent and to educate the campus and community about the culture. Any OSU-OKC student is eligible for membership.

HISPANIC STUDENT ASSOCIATION (HSA)
The Hispanic Student Association’s purpose is to educate the OSU-Oklahoma City community about Hispanic culture and history. This club plans activities on campus and offer services to the Oklahoma City Hispanic community.

MUSIC CLUB
The purpose of the OSU-OKC Music Club shall be to promote the musical arts throughout campus and the community. The Music Club shall be the primary route for current OSU-OKC students to showcase their musical talents. Such talents shall be used to promote school spirit, uplift the community, and provide a musical outlet for students.

NATIVE AMERICAN STUDENT ASSOCIATION (NASA)*
The Native American Student Association helps the individual Native American student adjust to college life and gain a better understanding and knowledge of Native American heritage, as well as preserve it. Membership is open to those interested in the cultures of Native Americans.

OKLAHOMA INTERCOLLEGIA TE LEGISLATURE (OIL)*
The purpose of this organization shall be to provide the students of OSU-OKC with a beneficial educational experience in the governmental process. The organization shall also serve as a forum for issues of concern to the students of OSU-OKC.

ELECTRONICS ENGINEERING TECHNOLOGY CLUB (EET)*
The Electronics Engineering Technology Club has activities for its members to enhance and supplement their education. Club activities include speakers from industry, interaction with EET graduates and field trips to companies that have possible job opportunities for EET graduates. The EET Club also provides fellowship and social events for the members.

GO GREEN*
Are you interested in educating our community to be more eco-friendly? Are you interested in finding out how to preserve our world? Come and get involved with Go Green as we strive to promote environmental awareness on the OSU-OKC campus and within our community.

EARLY CARE EDUCATION ASSOCIATION*
The mission of the OSU-OKC Early Care Education Association is to advance the field of early education through the creation of knowledge and promotion of professionalism and leadership. The ECA will support high quality early care for families and children. Through this promotion and support, the ECA will serve our community through service activities while enhancing the learning opportunities for OSU-OKC students.
OSU-Oklahoma City Chapter of the Oklahoma Student Nurse Association (SNA)

The formal organization of student nurses on campus is the OSU-Oklahoma City Chapter of the Oklahoma Student Nurse Association. Membership is open to all nursing students. Members receive mailings from the National Student Nurse Association and have the opportunity to attend state and national conventions. Membership allows nursing students a chance to interact with nursing students from other college nursing programs and to stay current with trends and issues regarding the nursing profession.

OSU-Oklahoma City Student Ambassadors

The Student Ambassadors purpose is to educate prospective students and their parents about Oklahoma State University – Oklahoma City, from both the academic and social perspectives. In addition, the Student Ambassadors actively participate in campus events, generate student involvement, and serve as a network for other activities and organizations on campus.

Phi Theta Kappa Alpha Pi Nu Chapter (PTK)

Phi Theta Kappa International Honor Society of the Two-Year College recognizes scholastic achievement and promotes social awareness, fellowship and individual growth. Students must have completed at least 12 college semester credit hours at OSU-Oklahoma City with a minimum 3.5 cumulative grade point average to be eligible for membership. Invitations for membership are mailed to eligible students in September and February. Transfers from other Phi Theta Kappa college chapters are welcome.

Horticulture Club (Members of Professional Landscape Network)

Horticulture Club is a student chapter of the Professional Landcare Network, a national professional association representing the green industry. They take part in community service, networking and education with professionals in the green industry, and participate in the national career fair and field day competition held by the national landscape and nurserymen organization each spring.

Public Safety Student Association (PSSA)

The Public Safety Student Association is an organization whose mission is to further involve students in the Public Safety fields through training and community activities while providing student-led learning opportunities. The training will focus on the areas of emergency medical services, law enforcement, and municipal fire protection.

Rhythmic Dance

Rhythmic Dance is an organization for those who want to share in their appreciation for the art of dance and learn a variety of dance styles. This organization provides an outlet from the stressful demands of school and encourages students to become active and express their creativity. Furthermore, Rhythmic Dance appeals to a broad scope of students including current and prospective students.

Sexual Orientation Diversity Association (SODA)*

The purpose of the Sexual Orientation Diversity Association is to generate a network of support that promotes reaching educational goals, as well as, tolerance and equality for gay, lesbian, transgender, and bisexual people. This club will strive to promote unity and leadership in the celebration of diversity among all cultures and their families.

Students Association for Victim’s Empowerment (SAVE)

The purpose of SAVE is to provide, through campus activities, education to the student body on matters relating to victim-survivor issues and the support agencies available for consultation. In addition, those students enrolled in the Crime Victim/Survivors Services (GVSS) program shall be provided with information and lectures on topics relating to the profession and are provided with an avenue for networking.

Student Government Association (SGA)

The Student Government Association is the representative body of all OSU-Oklahoma City students. SGA sponsors and co-sponsors campus activities and events, recommends the spending of student activity fees and represents the students on campus committees. SGA maintains an office in the Student Center, second floor, for all clubs and organizations to use.

Student Leaders of Tomorrow (SLT)

Membership is open to any OSU-OKC student. The organization focuses on learning leadership skills, community service, and fundraising for students and community members in need. Members are dedicated to providing support, encouragement, and a helping hand, through campus activities to students like themselves who welcome encouragement and assistance in becoming successful in their academic endeavors.

Student Veterans Association (SVA)

The mission of the Student Veterans Association is to honor service members and aid in efforts toward continuing education for student Veterans, as well as honor the institution’s mission and community service commitments. SVA community action projects will work to make a significant mark in support of the OSU-OKC strategic directions and core values, and its Veteran students.

Veterinary Technician Student Association (VTSA)

The Veterinary Technician Student Association was organized in 1997 by OSU-Oklahoma City’s first class of Veterinary Technology students. Membership is open to anyone interested in promoting the professional and educational advancement of veterinary technicians.

Young Democrats of America*

Interested in the political process and learning about the Democrat Party? If so, come join the Young Democrats where local candidates are invited to come speak about the issues and members learn about the Democrat platform as well as increase awareness about the political process in America. Membership is open to all college students.

*As of printing, these are Inactive Organizations. If interested in reactivating this group or to find out more about its purpose or mission, please contact the Office of Student Engagement, Student Center, first floor, call (405) 945-3378, or email at studentlife@osuokc.edu.
SECURITY

Campus security is provided 24 hours a day, seven days a week, by OSU-Oklahoma City Campus Security. Campus Security constantly patrols parking lots, buildings and grounds. As a precaution, office doors, classroom doors and other areas should be locked and secured when not occupied or scheduled for activities. If anyone suspicious is observed in or around the campus area, contact the Office of Safety and Security immediately.

If you find safety hazards that you feel should be addressed immediately, such as a broken chair, an unidentified bothersome smell inside a building, or a trip hazard, please contact the Office of Safety and Security so that we may investigate the problem.

LOCATION

The OSU-Oklahoma City Office of Safety and Security is located on the first floor of the Business Technologies Building, Room 100. The phone number is (405) 945-3253 with business hours of 8am to 5pm. After hours please call (405) 945-9111.

EMERGENCIES

In case of an emergency on campus, contact Campus Security by dialing (405) 945-9111. Security officers will help determine if any outside agencies (fire department, police department, paramedics, etc.) need to be contacted. For more specific information see Medical and Health Emergencies below.

EMERGENCY MESSAGES

Emergency messages are often received for faculty, staff and students. All attempts are made to deliver messages deemed to have urgency. The least interruption possible is the goal; but, if necessary, an emergency message will be delivered to either a student or instructor during class. Persons wishing to get an emergency message to a student should contact OSU-Oklahoma City Security by calling (405) 945-9111. Caller must be able to provide valid emergency information before a message is delivered.

REQUEST OF IDENTIFICATION

No person on university property shall willfully fail or refuse to comply with any lawful order or direction of an officer of Safety and Security or any university administrator. Upon the request of any Safety and Security officer or university administrator, proper identification shall be produced.

IDENTIFICATION CARDS

OSU-Oklahoma City identification cards are issued at Admissions in the Student Center, first floor, during working hours Monday through Friday. These are required for access to Business Services, Library, computer labs, and Wellness Center, as well as many other departments on campus. They are also used by Security for identification after hours and/or on weekends as authorization for your presence on campus. Students, as well as employees, are encouraged to obtain one.

SURVEILLANCE CAMERAS

The Office of Safety and Security is committed to enhancing the campus community quality of life by integrating the best practices of public and private campus safety. This office will utilize overt video surveillance cameras to monitor and record public areas to help ensure the safety and security of the campus community.

REPORTING INCIDENTS

Any unusual event such as theft of property or auto mishap should be reported to the Office of Safety and Security, Business Technologies Building, Room 100, or call (405) 945-9111. Security investigates auto accidents, and can provide a statement to submit to an insurance company. Security personnel will complete an incident report, which is placed on file. Security is not responsible for contacting city police to investigate the incident unless requested. A complainant/witness statement form may be found at https://osuokc.edu/sites/default/files/documents/security/Accident_Injury_Report_Form.pdf

EMERGENCY PREPAREDNESS PLAN FOR INJURY TO STUDENTS/GUESTS ON CAMPUS

All injuries occurring on campus need to be reported to the Office of Safety and Security immediately regardless of the severity at (405) 945-9111. Please fill out the Accident/Injury form (https://osuokc.edu/sites/default/files/documents/security/Accident_Injury_Report_Form.pdf) in its entirety and return it to Security without delay.

If a student or guest is injured on campus, it is up to the faculty or staff person supervising the class or event to contact the Office of Safety and Security so that Security may complete an “Incident Report” which details the injury. (In the event that the faculty or staff person cannot be located, it will be necessary for the student or guest to contact Security directly.)

If the injured person feels that the injury or property damage was caused by negligence on the part of OSU-Oklahoma City and wishes to file a claim for medical costs or property damage, they should contact either the vice president of Budget & Finance for OSU-Oklahoma City or they may contact the State Risk Management Office at (405) 521-4999. OSU-Oklahoma City will not make any reimbursements for personal injury or physical damage. Determination of negligence and amounts of monetary liability are the exclusive responsibility of the State Risk Management Office. Employees of OSU-Oklahoma City may NOT obligate any institutional funds for payment of injuries or property damage.

If after an investigation it has been determined that the injury or property damage was caused by negligence on the part of OSU-Oklahoma City, the injured person may file a claim for medical costs and/or property damage by contacting the vice president of Finance and Operations for OSU-Oklahoma City.

If there are any questions in regard to this policy, please contact the vice president of Finance and Operations.

MEDICAL AND HEALTH EMERGENCIES

1. Faculty or staff should call Security at extension 111 (classroom phones) or (405) 945-9111. DO NOT CALL THE HEALTH SCIENCE OR EMT DEPARTMENTS. In emergencies with immediate danger or an unconscious person call 911 AND Security.

2. When you call Security (extension 253 or 111):
   a. Give the Security officer the exact location of the emergency, including building and room number.
   b. Describe the emergency (such as seizure, accident, chest pain, etc.)

3. Provide assistance to the emergency victim only if you are trained to do so. Otherwise, wait with the victim and make him/her as comfortable as possible without moving the individual until Security or emergency personnel arrive.

4. General First Aid Guidelines – DO NOT CONTACT THE HEALTH SCIENCE OR EMT DEPARTMENTS.
   a. Do not attempt to move the victim.
   b. Apply direct, steady pressure to wound, if bleeding. For victims who have stopped breathing, fainted, are choking or have had a seizure, CALL 911 AND SECURITY...
(extension 253 or 111) IMMEDIATELY. Do not attempt to administer aid unless you are trained to do so.

5. When Security or emergency personnel arrive they will assume control of the situation. Only if asked by Security should faculty, staff, or students on the scene assist by waiting outside buildings to provide assistance and direction to emergency units. Individuals may be asked to assist with maintaining calm in the classroom or providing direct care to the victim as directed by Security or emergency personnel.

**STUDENT ORGANIZATIONS OFF CAMPUS**

Student organizations participate in workshops, conventions, conferences, community service, etc., off campus at various locations. These advisors are required to report any known crimes to the Office of Safety and Security; and, in turn, Security will report these crimes to the appropriate law enforcement agency at its discretion.

**CAMPUS EVENT NOTIFICATION**

Security is to be taken into consideration when campus events are planned. Contact the Office of Safety and Security, (405) 945-3253, early in the planning process of campus events.

**COWBOY ALERT NOTIFICATIONS**

OSU-OKC has partnered with Oklahoma State University to implement a service for the OSU-OKC community that will notify people in the case of an emergency. These emergencies may include:

- A campus intruder
- Acts of terrorism
- Biohazard threats

Cowboy alert notifications may also be sent to students, faculty and staff for weather-related closings.

In a situation deemed an emergency or a weather-related closing, OSU officials will deploy a message to members of the OSU community with information regarding the event and how they should proceed. This information may be in the form of a voice and/or mobile text.

**TO SUBSCRIBE**

To subscribe, please log into your O-Key account available at my.okstate.edu. Once you have logged into your O-Key account page select “Campus Alerts and Notifications.” If you have any questions, please contact the IT Help Desk. Be sure to update your information with any changes.

**INCLEMENT WEATHER, CLASS CANCELLATION, CAMPUS CLOSING**

A decision to close the campus or to cancel classes because of inclement weather or other adverse conditions will be made as early as possible. Students should watch and listen for news broadcasts. Weather information is available on the OSU-OKC website at www.osuokc.edu or OSU-OKC social media. Students are encouraged to join social media networks at www.facebook.com/osuokc and www.twitter.com/osuokc.

A decision to close the campus includes offices across the campus. If only classes are cancelled, campus offices remain open. Instructions and further information for these contingencies have been provided for faculty and staff employees through the campus Emergency Preparedness Plan.

**TORNADO AND SEVERE WINDBRSTORMS**

When a tornado is confirmed close to the OSU-Oklahoma City campus, college officials and campus Security will notify each building on campus that all persons should seek immediate cover in a shelter area, as time warrants, otherwise seek shelter within a building area of refuge. The shelter locations for each building are identified by yellow signs labeled “Emergency Storm Shelter.” Most shelters are located on the lowest level of each building and usually inside restrooms, stairwells and northeast classrooms. When conditions are safe to return to normal operations, campus officials and security will issue “all clear” notices to shelter locations.

**ENERGY EDUCATION**

OSU-Oklahoma City has built an awareness of conservation to have a more prosperous and sustainable future through the wise use of energy. Its policy and guidelines cover general information and guidelines for heating, air conditioning, water usage and lighting with emphasis on usage during unoccupied times. For more information, please visit the OSU-OKC Energy Education Program at https://osuokc.edu/energed.

**SAFETY AND MAINTENANCE**

Safety is taken into consideration when any new construction or remodeling projects are undertaken on campus. Please report any safety concerns immediately to the Campus Safety, 945-9111.

**EVENING VEHICLE ESCORT**

Upon request, the Office of Safety and Security provides an escort to all persons traveling across campus after dark. Call (405) 945-9111 for escort.

**DEAD BATTERY**

As a courtesy, the Office of Safety and Security gives assistance for “dead battery” vehicle starts on campus provided the vehicle owner signs a “Release of Liability” form. Officers WILL NOT give assistance in retrieving keys locked in vehicles. Security will not perform mechanical repairs or maintenance on vehicles.

**OFFICE AND CLASSROOM BUILDINGS**

Most campus buildings and facilities are accessible to the campus community, guests and visitors during normal business hours, Monday through Friday. At other times, access can be obtained by contacting the Office of Safety and Security. Laboratories are open during posted hours. Approval from the appropriate professor is required for access at any other times. All buildings and facilities are patrolled and monitored by Security and Safety officers on a 24-hour basis.

Maintenance and lighting problems are reported to Facility Operations by the officers. Depending on the criticality, repairs are accomplished on a 24-hour basis.

**SPECIAL EVENT COORDINATION FOR PARKING AND BUILDING/CLASSROOM ACCESS**

If your event will require visitors to park on campus notify the Office of Safety and Security at (405) 945-3253 or email security@osuokc.edu to arrange to have Temporary Parking Passes issued. Without these passes, visitors may be cited for illegal parking. If buses or other large vehicles will be parking on campus, we may need to coordinate an area where they will have plenty of room and will be less likely to cause traffic/parking problems.

If your event requires building or classroom access on weekends, evenings or after hours, you will need to make arrangements with Security at (405) 945-3253 or email security@osuokc.edu. Occupants of the meeting or class will be questioned by a Security Officer if prior arrangements have not been made.

If your vehicle will be left on campus due to an event off campus, please inform Security of the type of vehicle, the location where you have parked it and the duration it will stay on campus.
RECREATIONAL USE OF OSU-OKLAHOMA CITY PROPERTY

Riding a motorcycle, motor scooter, roller blades, skateboards or any other recreational item on any sidewalk, pathway or area intended solely for pedestrian use is prohibited. Roller blades, skateboards or any other recreational items are also prohibited in all parking lots, driveways and the Precision Driving Training Course.

Use of land, launching of hot air balloons, use of remote controlled vehicles and flying of model aircraft is also prohibited on OSU-Oklahoma City properties without prior written approval from the vice president of Budget and Finance.

LOST AND FOUND

All lost and found items are brought to the Security Office at the end of each day from various locations on campus. Please call the office at (405) 945-3253 to obtain information on how to pick up personal property.

PARKING AND TRAFFIC REGULATIONS

The Board of Regents for Oklahoma State University/A&M Colleges, the governing board, has appointed necessary officers for the purpose of protecting personnel and property at Oklahoma State University-Oklahoma City. These officers are assigned to the Office of Safety and Security, which has the responsibility and authority for the administration and enforcement of the university’s parking and traffic regulations. The parking fee is assessed per semester; $25 for Fall and Spring, and $15 for summer.

Hangtags are required to be displayed on the student, faculty, or staff member’s motor vehicle mirror to park on university property. Student registration hangtags are issued by Business Services, located on the second floor of the Administration Building. Faculty and staff may pick up their hangtag at Human Resources located on the second floor of the Administration Building.

TRAFFIC CITATIONS

Charges for parking violations are added to the student’s account. Payment for violations should be made in Business Services, Administration Building, second floor. Students who allow their account to be delinquent will have a “hold” placed on their academic records or re-enrollment.

To contest a ticket, obtain a Traffic Violation Petition from Business Services. Fill out the requested information completely, attach the ticket in question and return the petition to Business Services or send to the Office of Safety and Security. You will be notified by mail of the final decision.

CRIME INFORMATION AT OSU-OKLAHOMA CITY

Campus crime statistics are available in the Annual Security Report (ASR). The prior year ASR is available each October 1 at https://osuokc.edu/security. The ASR outlines incidents that occur within the boundaries of the campus as required by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

SUMMARY OF THE JEANNE CLERY ACT

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is the landmark federal law, originally known as the Campus Security Act, which requires colleges and universities across the United States to disclose information about crime on and around their campuses.

Because the law is tied to participation in federal student financial aid programs it applies to most institutions of higher education both public and private. It is enforced by the U.S. Department of Education.

The “Clery Act” is named in memory of 19 year old Lehigh University freshman Jeanne Ann Clery who was raped and murdered while asleep in her residence hall room on April 5, 1986.

The law was amended in 1992 to add a requirement that schools afford the victims of campus sexual assault certain basic rights, and was amended again in 1998 to expand the reporting requirements. The 1998 amendments also formally named the law in memory of Jeanne Clery. The law was amended in 2000 to require schools beginning in 2003 to notify the campus community about where public “Megan’s Law” information about registered sex offenders on campus could be obtained. The Clery Act was amended to include the Violence Against Women Reauthorization Act of 2013 (VAWA). VAWA provides additional reporting of crimes committed against women, any reported statistics are included in the Annual Safety Report.

For more information about the Jeanne Clery Act, visit the Security on Campus, Inc. at http://clerycenter.org. To review the OSU-OKC Campus Safety Report, visit https://osuokc.edu/security.

DRUGS AND ALCOHOL

OSU-Oklahoma City does not tolerate illicit drug use and/or alcohol abuse on campus or in connection with university functions by any person regardless of age. State law regulates the possession, use and/or sale of alcoholic beverages and illegal drugs. OSU has articulated a policy on alcohol and drug use on campus. This and other related policies are in the Oklahoma State University-Oklahoma City Student Code of Conduct available in the Office of Student Life or on the website at https://osuokc.edu/studentconduct/code.

WEAPONS, FIREARMS, AMMUNITION, FIREWORKS, EXPLOSIVES AND DANGEROUS CHEMICALS

The possession of weapons on campus is regulated by state law; all weapons are prohibited on any college or university campus by state law. This is to include, but not limited to, the possession or use of weapons, firearms, ammunition, fireworks, explosives and dangerous chemicals on campus, in OSU-Oklahoma City vehicles, or on OSU-Oklahoma City sponsored trips.

Exceptions to this policy are police and peace officers employed by OSU-Oklahoma City and those who have been called to assist or to perform law enforcement duties on campus as well as police and peace officers in their official on-duty capacities and in the performance of their duties. Collegiate Officer Program students during supervised-skills training are exempt.

Persons who are licensed to carry concealed handgun pursuant to the Oklahoma Self Defense Act are authorized by that Act to enter the grounds of OSU-Oklahoma City with such handguns only if the handguns are concealed and stored in the licensee’s motor vehicle at all times. No handgun may be removed from such concealed storage while the vehicle is on OSU-Oklahoma City property.

AUTHORITY

The OSU-Okahoma City Office of Safety and Security derives its authority from Oklahoma state statutes. As established by these statutes, the Board of Regents for the Oklahoma State University/A & M Colleges and the Director of the OSU-Oklahoma City Security Office shall specify duties, appoint officers, designate uniforms and fix compensation for the OSU-Oklahoma City Office of Safety and Security.
The primary mission of officers serving in the OSU-Oklahoma City Office of Safety and Security shall be the protection of persons and property on the campus of OSU-Oklahoma City. Attention shall be directed toward the prevention of unlawful or otherwise improper conduct and trespassing on university property. As defined by statute, “campus” shall include all real property, buildings and improvements within the State of Oklahoma that are owned, leased or rented by OSU-Oklahoma City.

Officers are authorized to issue summons to, or to make arrests and take into custody, persons guilty of unlawful conduct or trespassing. OSU-Oklahoma City Security officers shall have jurisdiction over all parts and aspects of the OSU-Oklahoma City campus and any other area as authorized by law pursuant to an agreement or agreements as authorized by the Oklahoma Campus Security Act.

OSU-Oklahoma City Security officers will call the appropriate law enforcement agency for crimes committed on campus, at their discretion. It is at the discretion of campus Security to call the Oklahoma City Police Department to report thefts on campus, as the school is self-insured.

**ARREST AUTHORITY OF SECURITY PERSONNEL**

The OSU-Oklahoma City security officers have the arrest powers of a private citizen.

22 O.S. § 202. ARREST BY PRIVATE PERSON

A private person may arrest another:

1. for a public offense committed or attempted in his presence.
2. when the person arrested has committed a felony although not in his presence.
3. when a felony has been committed, and he has reasonable cause for believing the person arrested to have committed it.
FINANCIAL AID

WHAT IS FINANCIAL AID?
Financial aid is money in the form of loans, grants, scholarships, waivers and employment that is available to students to help pay the cost of attending a college, university or vocational/technical school. Most financial aid comes from the federal government, which is the largest provider of aid, as well as state government, schools and a variety of other public and private sources.

SCHOLARSHIPS & WAIVERS
OKLAHOMA STATE UNIVERSITY-OKLAHOMA CITY

Each year the OSU-Oklahoma City administers various external, state, and institutional scholarships and tuition waivers based on financial need, academic excellence, talent, leadership and community service. Awards are available to full and part-time students. Scholarship opportunities are competitive and are awarded on an annual basis.

The application process for divisional awards will vary by division. Students applying for a divisional foundation scholarships or tuition scholarship should check with the division for application deadlines. Students applying for general tuition waivers and scholarships should visit https://scholarships.osuokc.edu/. The deadline to apply is March 1st. Applicants admitted to Oklahoma State University – Oklahoma City will receive award consideration. Applicant notifications of eligibility are by regular mail. Awards are on a first-come, first-served basis in the following ordering priority:

1. First-time Freshman - awards will be based on the cumulative grade point average from an official 7 or 8 semester transcript, (whichever is available), ACT scores, or GED documentation. You will be required to upload copies of your transcript or ACT scores for scholarship consideration.

2. College Transfer Students - awards made on the cumulative graduation/retention grade point average from all previous official college transcripts. You will be required to upload copies of your transcript history from each previously attended institution.

3. Current OSU-Oklahoma City Students - students enrolled at OSU-Oklahoma City during the 2020-2021 academic year will receive priority consideration for tuition waivers and scholarships based on the cumulative graduation/retention grade point average as determined by the OSU-Oklahoma City Registrar’s Office.

OSU-Oklahoma City waives tuition for full-time benefit-eligible faculty and staff, concurrently enrolled high school seniors and Oklahoma Independent Living Act students (in Oklahoma Department of Human Services custody).

In addition, many employers, professional organizations, civic groups and other groups offer scholarships. Eligibility criteria and deadlines vary from program to program. Applicants must contact the agency offering the scholarship for information. Examples of these types of scholarships are the Oklahoma’s Promise and the Heartland Scholarship Program.

OKLAHOMA’S PROMISE
For students who completed eligibility requirements, Oklahoma’s Promise will pay his/her tuition at an Oklahoma public two-year college or four-year university. It will also cover at least a portion of tuition at an Oklahoma accredited private college or university or for courses offered at public technology centers that qualify for credit from an Oklahoma public two-year college. The scholarship amount, however, does not cover items such as books, supplies, room and board, or any other special fees. Students are strongly encouraged to apply for other forms of financial aid to cover these costs. Students receiving Oklahoma’s Promise must maintain satisfactory academic progress standards as required from federal aid. For more information concerning your receipt of OHLAP while attending OSU-OKC, please visit https://scholarships.osuokc.edu/sites/default/files/documents/FinancialAid/Oklahoma-Promise-Faq.pdf. For detailed information, visit www.okhighered.org/okpromise/college-students.shtml.

OKLAHOMA STATE REGENTS ACADEMIC SCHOLARS PROGRAM
The Oklahoma State Regents for Higher Education Academic Scholars Program is designed to attract top students in Oklahoma and from across the country. The Academic Scholars Program covers a student’s college costs, including room, board, tuition, books and incidental fees for up to five years of full-time undergraduate and/or graduate study. Students can qualify for the Academic Scholars Program by being named National Merit Scholars, National Merit Finalists, National Achievement Scholars, National Hispanic Scholars, Hispanic Honorable Mention Awardees or Presidential Scholars. Oklahomaans can also qualify by scoring at or above the 99.5 percentile on the American College Testing Program exam (ACT) or the Scholastic Aptitude Test (SAT).

Once admitted to a college or university, Academic Scholars must maintain a 3.25 cumulative grade point average. For more information regarding this scholarship visit https://www.okcollegestart.org/Financial_Aid_Planning/Scholarships/Academic_Scholarships/Academic_Scholars_Program.aspx.

OKLAHOMA NATIONAL GUARD TUITION WAIVER PROGRAM
An eligible member of the Oklahoma National Guard will be awarded as tuition waiver, provided the student:

• has been certified as eligible by the Oklahoma Military Department,
• is enrolled in at least three credits required for an associate or baccalaureate degree,
• is an Oklahoma resident,
• has a cumulative GPA of 2.0 or better,
• does not currently hold a baccalaureate or graduate degree,
• is enrolled in a program of study leading to an associate degree or a baccalaureate degree and
• meets all admission and retention requirements of the institution.

HEROES PROMISE
The Oklahoma legislature has enacted legislation, which provides a tuition scholarship for children of Oklahoma military personnel killed in action after Jan. 1, 2000.

Heroes Promise will pay the student’s tuition at a public community college or university. It will also cover a portion of tuition at an accredited Oklahoma private college or university or for courses at public technology centers approved for credit, toward an Associate in Applied Science degree at a public college for up to five years or bachelor’s degree completion, whichever comes first. The final amount of the scholarship will vary depending on where the student attends college, the tuition rates in effect at that time and whether he or she attends full time or less.

SENIOR CITIZENS
Institutions of the state system are authorized to waive the tuition for Oklahoma residents 65 years of age or older for auditing academic courses, contingent upon space available. Students auditing courses under this policy are responsible for paying any and all fees associated with the enrollment.

VETERANS’ BENEFITS
Veterans Administration benefits provide educational assistance to eligible veterans as well as to children of deceased or disabled veterans. For complete information concerning VA benefits, applications for benefits, amount of assistance awarded, eligibility and other veteran services, contact the Veterans’ Services Center, Student Center first floor, or call (405) 945-8692.
**MERIT-BASED AID**

Students are eligible for merit-based when demonstrating special characteristics, skill, talent or ability. Scholarships and/or tuition waivers are examples of merit-based aid. Merit-based aid is usually a gift-aid, although students who get merit aid sometimes have to promise to teach or perform some other service when they finish school.

**HOW DO I APPLY FOR MERIT-BASED FINANCIAL AID (SCHOLARSHIPS)?**

1. Contact the schools to which you are applying and ask for information/applications on any available merit-based aid. At OSU-Oklahoma City, financial aid and scholarships are processed in the Office of Financial Aid and Scholarships located in the Student Center, first floor.

2. Visit your public library; it should give reference books with information on the many scholarships available from public and private sources. Some high schools, colleges and libraries have computerized scholarship listings that help students identify potential sources of funds. When using scholarship search services, check with a school to see if the organization is reliable and reputable. You should never have to pay any fee to an organization for scholarship information. Please note information about financial aid and scholarships should be free.

Additional scholarship opportunities are available through OSU-OKC’s Academic Divisions. Applicants wanting to apply for a divisional scholarship should contact their academic division for more information.

**NEED-BASED AID**

Need-based aid is given to a student who can show that he or she needs financial assistance to pursue an education beyond high school. Most financial aid is awarded on the basis of need. There are three kinds of need-based aid: grants, college work-study and loans.

One of the principles behind need-based aid is that a student and his or her family should pay for educational expenses to the extent they are able. If your educational expenses are more than you and your family can afford, apply for need-based financial aid using the Free Application for Federal Student Aid (FAFSA). Apply online at https://studentaid.ed.gov/sa/fafsa. OSU-OKC’s federal school code is 009647.

**FINANCIAL AID ELIGIBILITY**

Students applying for federal financial aid must:
- enroll as a degree- or certificate-seeking student and register for courses required on their major’s degree sheet,
- be a U.S. citizen or eligible non-citizen,
- have a valid social security number,
- register with Selective Service (if required),
- make satisfactory academic progress (successfully complete with grade of A, B, C, D or P at least 67 percent of the cumulative hours attempted with a GPA of 2.0 or above), and
- have a high school diploma, home schooled completion certificate, GED, or registered at a Title IV institution prior to July 1, 2012 and achieved ability to benefit requirements.

**ABILITY TO BENEFIT (ATB)**

Federal regulations state that a student must demonstrate an ability to benefit from college before receiving aid. Students, therefore, must demonstrate one of the following ATB requirements:
- High school diploma or General Education Development (GED) Certificate or
- Home schooled completion certificate

**FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS POLICY**

In accordance with the U.S. Department of Education regulations governing Title IV (federal student aid) and state grant student financial aid programs, students receiving financial aid must be in compliance with the Oklahoma State University-Oklahoma City Financial Aid Satisfactory Academic Progress Policy (SAPP). Federal regulations require this policy to be applied to each financial aid recipient in determining satisfactory academic progress for financial aid eligibility purposes. Students are expected to read, understand and adhere to this policy. A copy of this policy is available in the Office of Financial Aid and Scholarships or online at https://osuokc.edu/financialaid/sap

**TYPES OF AID**

**GRANTS**

Grants are often called “gift aid” because they are free money—financial aid that does not have to be repaid. Grants are often need-based:

- **Pell Grants** - Federal Pell Grants are available only to undergraduates with no prior bachelor’s degree. Pell Grant Awards for the 2019-2020 school year will range from $638 to $6,345. The amount of aid a student receives will depend on his or her Expected Family Contribution (EFC), the cost of attendance and enrollment status. The Office of Financial Aid and Scholarships determines eligibility and notifies students of awards.

- **Supplemental Educational Opportunity Grant (SEOG)** - This grant is available only to undergraduates with no prior bachelor’s degree whose FAFSA Expected Family Contribution is zero. SEOG awards at OSU-OKC will range from $200 to $600. Funding is limited resulting in awards made on a first-come, first-served basis by the Office of Financial Aid and Scholarships.

- **Oklahoma Tuition Aid Grant (OTAG)** - Grant available to Oklahoma residents whose Free Application for Federal Student Aid (FAFSA) was processed by the federal processor by December 1, 2019, and whose FAFSA Expected Family Contribution is $1,700 or less. This grant is also limited to undergraduates who have not earned a bachelor’s degree. The maximum award is $1,000.

**COLLEGE WORK-STUDY**

Money that a student can earn by working at a part-time job on campus. Funds to pay the major portion of the student’s work-study earnings come from the federal work-study program.

This part-time work program provides employment opportunities on and off campus. Financial aid eligibility is required, and the OSU-Oklahoma City Financial Aid and Scholarships Office will contact eligible applicants.

Students who do not qualify for the federal work-study program may apply for part-time employment through the OSU-Oklahoma City Human Resources Office.
LOANS
Unlike grants or federal work-study, loans are serious financial and legal obligations and must be repaid with interest.

If you decide to take out a loan, make sure you understand who is making the loan and the terms and conditions of the loan. Loans made by the federal government, called federal student loans, usually have more benefits than loans from banks or other private sources. Repayments typically begin upon graduation, withdrawal or enrolling at less than half-time status. Students are encouraged to pursue all financial opportunities available (grants, employment opportunities and scholarships) before borrowing. Failure to repay student loans may result in a damaged credit rating, loss of federal/state tax refunds, a lawsuit and ineligibility for further financial aid. For detailed information, concerning all loan programs listed in this publication, visit https://studentaid.ed.gov/sa/types/loans.

OSU-Oklahoma City participates in the Federal Direct Student Loan Program. The William D. Ford Direct loan program, also called Direct Loans, allows students and parents to borrow directly from the U.S. Department of Education. Direct loans include subsidized and unsubsidized Direct Student Loans and Direct PLUS Loans. A brief description of the loan opportunities available at OSU-OKC are as follows:

- **Subsidized Direct Student Loan** - Need-based loan program in which the U.S. Department of Education pays the interest while the student is in school at least half-time, for the first six months after you leave school and during a period of deferment. Federal Stafford Loan funds borrowed from the U.S. Department of Education with funds obtained from the U.S. Treasury. Borrowers must be enrolled at least half-time to receive a loan.

- **Unsubsidized Direct Student Loan** - This program is non-need-based and the borrower is responsible for the interest during the life of the loan. The borrower must be enrolled at least half-time to receive a loan and is responsible for paying the interest that accrues on the loan from the time the loan is disbursed until it is paid in full.

- **Direct Parent Loan for Undergraduate Students (PLUS)** - Parents of dependent students enrolled at least half-time may apply for the Federal PLUS loan. The terms and conditions of this loan program require that the applicant not have an adverse credit history and a fixed interest rate of 7.9 percent. Repayment usually begins 60 days after the loan is fully disbursed or six months after the dependent student is not enrolled at least half-time.

Early application is encouraged to allow processing time by OSU-Oklahoma City and the Department of Education. If you have classes that are late starting classes, i.e. fast-track, second eight-week classes, etc., your loan disbursement could be delayed until after the start date for the course(s) that make the student a half-time student. Student loans are disbursed depending on when the student applied for the loan and/or whether the student is a new borrower. No money will be disbursed prior to the first day of courses for any given semester.

Every student awarded a loan is put into a grade level by their classification of hours earned, as calculated by the OSU-Oklahoma City Office of Admissions. A freshman-level borrower is a student who has earned 0 through 29 credit hours. A sophomore-level borrower is a student who has earned 30 or more hours.

All first-time loan borrowers are required to complete loan entrance counseling session before loans are disbursed. You may complete loan counseling online at www.studentloans.gov. Follow the instructions on the screen. Our office will receive notification from the Department of Education informing us of the date and time of your successful completion of this requirement.

Consequently, upon your departure from OSU-Oklahoma City, (withdrawal, graduation or not enrolled at least half-time). You are required by federal regulations to complete an Exit Counseling Session in person at the Office of Financial Aid and Scholarships or online at www.nslsds.ed.gov. Follow the instructions on the screen. Our office will receive notification informing us of the date and time of your successful completion of this requirement.

A NOTE ON BORROWING
Many students find that they must borrow money to finance a portion of their education. Before you borrow, remember that loans must be repaid at some point in the future. Consider carefully how much you will need to borrow and the burden your loans will impose after you leave school. Your Financial Aid and Scholarship Office staff can provide you with more information about the responsibilities that you assume when you borrow money.

WHAT IS FINANCIAL NEED?
Financial need is the difference between a student’s total annual educational expenses and Expected Family Contribution. Total educational expenses called the Cost of Attendance or student budget. The Expected Family Contribution (EFC) is the measurement of the family’s financial strength and is not what the family is required to pay. The EFC is calculated when the student completes the FAFSA (Free Application for Federal Student Aid) by the Federal Student Aid processor. A student’s need for assistance will differ from school to school because the cost of attendance will differ. The equation for determining financial need is:

\[
\text{COST OF ATTENDANCE} - \text{EXPECTED FAMILY CONTRIBUTION} = \text{FINANCIAL NEED}
\]

WHAT IS INCLUDED IN THE COST OF ATTENDANCE?
The OSU-Oklahoma City Office of Financial Aid and Scholarships must calculate the cost of the student’s college education based on several variable factors, which include the number of credit hours taken, books and supplies, and personal expenses. Awarded financial aid can be used for educational expenses such as tuition, books, transportation costs, room and board, and other personal expenses.

When calculating a financial aid package, a full-time student is a student that is enrolled in 12 or more credit hours in a fall, spring or summer semester. Three-quarter-time students are enrolled in nine, 10 or 11 hours in a fall, spring or summer semester. Half-time students are enrolled in six, seven or eight hours in a fall, spring or summer semester. Less than half-time enrollment is one, two, three, four or five hours in a fall, spring or summer semester. When your enrollment status is determined, it should be noted that courses outside the typical fall, spring or summer semester are counted toward the semester following the term. Examples are: August interim courses count toward fall enrollment hours, January interim courses count toward spring enrollment hours and May interim courses count toward summer enrollment hours.

AM I SUPPOSED TO HELP PAY THE COST OF ATTENDANCE?
Yes. One of the principles of need-based aid is that the student and his or her family should pay what they can afford for educational expenses. This means you will be expected to help pay for your education; and, if the federal government considers you as a dependent student, your parent(s) may also be expected to assist.
HOW IS DEPENDENCY STATUS DETERMINED?

Whether you are considered dependent or independent of your parents depend mostly on your age, but other factors are considered as well. For each school year (fall, spring, and summer), the U.S. Department of Education considers you an independent student if you can answer yes to just one of the following questions:

- Were you born before January 1, 1997?
- The year noted in this question changes each application year on the FAFSA.
- During the 2020-2021 school year, will you be working on a graduate degree program?
- As of today, are you married? (Answer yes if you are separated but not divorced.)
- Do you have children who receive more than half of their support from you between July 1, 2020 and June 30, 2021?
- Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June of 2021?
- Are you an orphan, or are you or were you (until age 18) a ward/dependent of the court?
- Are you a veteran of the U.S. Armed Forces?
- Are you or were you an emancipated minor as determined by a court in your state of legal residence?
- Are you or were you in legal guardianship as determined by a court in your state of legal residence?
- At any time on or after July 1, 2019, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?
- At any time on or after July 1, 2019, did the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless?
- At any time on or after July 1, 2019, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or self-supporting and at risk of being homeless?

The rules about dependency status pertain to students who are applying for any federal aid programs, including grants, loans, and on-campus work programs.

HOW DO I APPLY FOR NEED-BASED FINANCIAL AID?

You will need to apply for need-based financial aid every year by completing a Free Application for Federal Student Aid (FAFSA).

APPLICATION PROCESS

1. New students should complete the Free Application for Federal Student Aid (FAFSA). Previous students may either complete a new application or simply update the renewal application sent to you by the federal government. Applications will be available beginning October 1 each year. To apply, visit www.fafsa.ed.gov.

   NOTICE - if you have moved, your SAR (Student Aid Report) and/or renewal application WILL NOT be forwarded.

2. Remember to list OSU-Oklahoma City Federal School Code: 009647 on the FAFSA if you want OSU-Oklahoma City to receive your need analysis information electronically.

3. Students will receive a Student Aid Report (SAR) from the federal aid processing center, either electronically or via the mail within two to three weeks of application.

4. Review the information on the SAR for accuracy.

5. Respond immediately if any information is inaccurate or if there is a request for additional information. The sooner you respond, the sooner you will receive notification of eligibility for financial aid.

6. If you need assistance please call the OSU-Oklahoma City Office of Financial Aid and Scholarships, (405) 945-8646 or (405) 945-8681 or email finaid@osuokc.edu.

7. Award notification indicating the types and amounts of financial aid available will be mailed to students beginning in late spring or early summer, for the fall semester.

WHEN TO APPLY

You should apply for federal and state need-based financial aid via the FAFSA each school year. October 1, 2019, the 2020-2021 application cycle began. Many financial aid programs have limited funding, therefore early application is recommended. Application should be completed at least two months prior to the semester you are planning to attend. If you apply late for funding, you will receive your funding late.

HELPFUL HINTS WHEN APPLYING FOR FINANCIAL AID

- Contact the financial aid office for information on application procedures.
- Complete and submit forms, as requested.
- Complete the forms accurately.
- Respond promptly to any correspondence you receive from the school or the application servicer.
- Keep copies of all forms you use to apply for financial aid and any forms or correspondence you receive or send relating to your aid application.
- Apply every year for as long as you need assistance.
- Update your email as needed.

HOW WILL I HEAR ABOUT MY AID ELIGIBILITY?

The Financial Aid and Scholarship Office will utilize email as its official notification mode. You are strongly encouraged to activate your O-Key account so that you can receive these email messages and gain access to the student portal. To activate your account, visit https://app.it.okstate.edu/okey. Students who have no email address will receive a letter in the mail at the address listed with the Admissions Office.
WHEN WILL I GET THE EXCESS MONEY AFTER MY CHARGES AT OSU-OKLAHOMA CITY HAVE BEEN PAID BY FINANCIAL AID?

OSU-Oklahoma City policy states that students will not receive funds in excess of institutional charges (refunds) prior to the first day of classes for the semester the funds are certified for disbursement. This applies specifically to all student or parent loans. Grants or scholarship monies are applied to student accounts after the semester’s add/drop period. Refunds are processed promptly accordingly.

Exceptions to this policy apply to students that are classified as both first-time freshmen and first-time loan borrowers. These students have a federally mandated 30-day disbursement delay from the first day of classes for their first semester of enrollment. This means that any loan proceeds for first-time freshmen, first-time borrowers will not be released from their lender until 30 days after the first day of classes for the semester; therefore, OSU-Oklahoma City will not receive their loan proceeds until nearly a month after the start of school. Also, if a student has courses that are late starting classes, i.e. do not begin on the first day of the semester, the loan disbursement could be delayed until after the start date for the course(s) that make the student a half-time student.

HOW DO I COMPARE AID OFFERS FROM DIFFERENT SCHOOLS?

If you are applying for financial aid at more than one school, you may receive several financial aid offers. Federal regulations do not allow for a student to benefit from federal aid at two institutions for the same or overlapping academic periods, therefore a choice will have to be made by the student as to which institution will handle the financial aid for the semester. Take a close look at the offers and note the following:

• Cost of Attendance. The more costly a school is to attend, the more financial aid you may need to make ends meet. A high cost of attendance may not be a problem as long as you have the resources to pay for it. Make sure you know what items are included in the cost of attendance and compare the figures with your own estimates.

• Expected Family Contribution. Is a measure of your family’s financial strength. Your contribution determines the amount of financial aid you are eligible to receive; however, you are not required to pay this amount.

• Financial Aid Package. Remember that grants and scholarships are gifts; you do not have to pay them back or work for them. Compare the total gift aid (grants and scholarships) to the cost of attendance. A high proportion of gift aid in the package may mean you will not have to borrow or work as much to meet your expenses. If you need to borrow, you should be aware that the terms and conditions of educational loans vary. Make sure you understand the terms and the costs (i.e., interest rate, loan fees) of the loans you are offered.

• Unmet financial need. If the aid offer does not contain enough money to cover all your financial need, you will have to come up with this amount on your own, in addition to the Expected Family Contribution. This may mean you need to borrow more or find a part-time job.

• Conditions of the aid award. Note the things you must do to receive and keep your financial aid.

WHAT IF I DON’T QUALIFY FOR NEED-BASED AID?

If you do not qualify for need-based aid, or if you feel your award if insufficient to allow you to go to school, contact the Financial Aid and Scholarship Office to ask about alternatives. You may have special circumstances that were not considered when your eligibility was determined.

WHERE CAN I GET MORE INFORMATION?

Contact the Financial Aid & Scholarship Office at (405) 945-8646 or (405) 945-8681, visit us in the Student Center, First Floor, Room 100 or visit our website at https://osuokc.edu/financialaid. You can also visit the Department of Education’s website at https://studentaid.ed.gov/ for more detailed information concerning federal aid application and programs.

CONSUMER INFORMATION DISCLOSURE

The Student Consumer Regulations of the U.S. Department of Education require universities to provide their students access to certain information to which they are entitled as consumers. For your convenience, OSU-OKC has placed this consumer information online at https://osuokc.edu/financialaid/consumerinfo.

By visiting this webpage, you will find information about OSU-OKC, important website links, and addresses and phone numbers of the OSU-OKC offices responsible for consumer information.

FOR MORE INFORMATION ABOUT FINANCIAL AID AND SCHOLARSHIPS CONTACT:

Office of Financial Aid and Scholarships
Student Center, First Floor
(405) 945-8646 or (405) 945-8681
finaid@osuokc.edu or
www.osuokc.edu/financialaid
Federal School Code: 009647
BUSINESS SERVICES

PAYMENT OF TUITION AND FEES

To remain in good financial standing with the university and thereby continue to participate in its educational programs, services and benefits, a student must meet all financial obligations incurred at the university. Enrollment in classes financially obligates the student for full payment of the fees as shown on his or her fee statement.

Fees may be paid by cash or check in the Business Services Office. Checks sent by mail should include the student’s ID number to ensure proper credit. To pay with a web check or credit card, students can log in at my.okstate.edu and click on the OSU-OKC Business Services icon. Payments are due prior to the 15th of the each month. All past due accounts accrue a penalty at the rate of 1.5% monthly (19.56 APR).

Students receiving benefits under Chapters 31 and Chapter 33 will not be penalized due to delayed payment by the VA (i.e., restriction of enrollment, late fees, requirement of alternative/additional funding or denial of access to school resources available to other student). Refer to page 28, Veteran Services, for more information.

To ensure enrollment and academic hold release, pay the entire balance in cash, certified funds or credit card online. If payment is by personal paper check or online check, the account holder may be required to wait until the payment has cleared the bank (up to 2 weeks) to enroll or obtain a transcript or a diploma.

A student who has been awarded a scholarship or fee waiver is responsible for fees and/or tuition over and above the amount awarded. A student receiving assistance with tuition and/or books from any outside agency, company or organization must submit a letter with detailed instructions and proper billing information to Business Services located in the Administration Building, Room 230. The letter must be on file prior to the fee payment deadline. Contact Business Services at (405) 945-6748 for additional information.

SPECIAL CHARGES

In some courses, special services, supplies or equipment may be used. Cost for these are not normally covered by fees, tuition or departmental operating budgets and, therefore, are incurred by the student. Special charges are itemized in student bills.

PAYMENT OPTION PLAN

Student account balances not covered by financial aid are eligible for enrollment in the Payment Option Plan. Oklahoma State University-Oklahoma City offers a semester based Payment Option Plan as an alternative to the traditional lump-sum payment method. This plan provides an opportunity for families and students to pay university billed expenses in regular monthly payments. No finance charges are associated with the Payment Option Plan or enrollment holds if payments are made as promised. There is a $25.00 non-refundable application fee due at the time of application each semester.

September 15 is the deadline to enroll in the Fall plan and February 15 is the deadline to enroll for the Spring plan. June 15 is the deadline for the summer term. To enroll in the plan, students can log in at my.okstate.edu and click on the OSU-OKC Business Services icon. Here, they may also authorize payers. Authorized payers (parents) may be designated with their own login. The student will receive monthly billing statement e-mail notifications while on the Payment Option Plan for informational purposes.

Accounts not paid in full by the end of the semester may be placed with an external collection agency and will be assessed collection fees (up to 33% of the original debt), legal costs and attorney fees. Oklahoma State University-Oklahoma City participates in the Oklahoma Tax Commission Warrant Intercept program which deducts past due balances from tax refund checks.

REFUND/WAIVER OF FEES

When a student enrolls at OSU-Oklahoma City that student reserves a place that cannot be made available to another student until the student officially withdraws or drops the class. A course change period is provided at the beginning of each semester to allow some shifting of schedules and placement of students into class vacancies which may be created. Refunds will not be honored unless all financial obligations to OSU-Oklahoma City have been fulfilled. Refunds to persons receiving financial aid assistance require special calculations as needed with the Office of Financial Aid and Scholarships. Refunds will not be issued, nor will charges be waived for non-attendance. If you choose not to attend OSU-Oklahoma City, you must officially withdraw from your courses with the OSU-Oklahoma City Office of Admissions.

REFUND/Withdrawal Policy

You will be responsible for all charges incurred if you fail to withdraw prior to the first day of the semester or during the defined refund add/drop period. Non-payment or non-attendance does not constitute a withdrawal or drop.

Changes in schedules and complete withdrawals from the institution during the defined refund add/drop period will result in full charges for courses added and full credit for courses dropped. No refunds will be made after the defined refund add/drop period for that session except as calculated under the Return of Title IV Aid for those students benefiting from federal aid.

ADD/DROP PERIODS

- First day of an eight-week class
- First day of a 12-week class
- First two weeks of a 16-week class
- First day of a four-week term
- First day of a fast track term

FINANCIAL AID REFUND

The Business Services office encourages using direct deposit as the most secure and quickest method for receiving refunds. Direct deposit refunds are scheduled every working day and should be deposited into your bank account within two to three business days, depending on the bank. You are responsible for verifying funds are available in the bank account before spending the funds. You are notified via e-mail when a direct deposit refund occurs. If you do not choose to participate in the direct deposit program, your refund is issued by check. Refund checks are mailed on a weekly schedule to students’ address on file. Business Services cannot cash these University generated refund checks nor can they cash personal checks.

# Money Matters

The figures that follow are for the OSU-Oklahoma City 2020-2021 academic year. These fees are subject to change without notice, as provided by the Oklahoma State University/A&M Board of Regents and Oklahoma State Regents for Higher Education Policies.

## Tuition and General Fees:

- **Okahoma Residents (per credit hour)**: $151.25
- **Non-Residents (per credit hour)**: $394.50
- **Records Fee ($0.50 per credit hour-$2.00 maximum)**: $2.00
- **Remedial Course Fee (per credit hour)**: $10.00
- **Online Course Fee (per credit hour)**: $10.00

## Special Fees and Charges:

- **General University Fee (Recreation/parking; per semester)**: $35.00
- **ACT Test ** (residual)**: $65.00
- **HESI A2 - Nursing Entrance Exam**: $65.00
- **TEAS Imaging Program Entrance Exam ****: $75.00
- **CLEP Exam Administrative Fee**: $15.00
- **Proctor Service ****: $15.00
- **ALEKS Assessment**: $15.00
- **ACCUPLACER Test ** (per section)**: $5.00
- **Audit Without Credit (no refund)**: Same as General Fee
- **Advanced Standing (per credit hour)**: $5.00
- **Laboratory Materials**: Cost of Materials
- **Return Check Charge**: $25.00

The following figures reflect the cost of attending OSU-Oklahoma City for two semesters or one year (fall & spring). Costs are based on an average of 12 hours per semester at OSU-Oklahoma City's Resident rate of $151.25 per credit hour.*

- **Tuition and Fees**: $3,630.00
- **Books**: $1,440.00
- **Room and Board**: $5,533.50
- **Transportation**: $2,778.00
- **Miscellaneous**: $1,389.00

**Tuition, Fees and Books Only:**

Based on 12 hours (fall and spring) $5,070.00

Based on 6 hours (summer) $1,267.50

* These charges are set by the Oklahoma State Regents for Higher Education and are subject to change.

** Charges subject to change.
ADMISSION GENERAL INFORMATION

The OSU-Oklahoma City policy on admission provides an easily accessible educational opportunity for all students who can profit from college-level instruction. Admission to OSU-Oklahoma City does not ensure registration in all courses or eligibility for all curricular programs. Many courses have prerequisites and some degree programs have specific admission requirements. Additional information concerning program admission is available in the degree sheets for those programs.

The admission policies of OSU-Oklahoma City do not discriminate on the basis of national origin, race, sex, age or disability and are in compliance with the 1972 Educational Amendments of Title IX.

All interested parties should address inquiries or submit documents and transcripts to:
Office of Admissions
 Oklahoma State University-Oklahoma City
 900 N. Portland Avenue
 Oklahoma City, OK 73107-6195
 Phone: (405) 945-3224
 okc.admissions@okstate.edu

SELECTIVE ADMISSION DEGREE PROGRAMS

Admission to certain degree or certificate programs may be restricted (i.e., Nurse Science, Veterinary Technology, Bachelor of Technology). Refer to details outlined in the Degrees, Certificates and Course Descriptions section of this catalog.

CURRICULAR REQUIREMENTS

The Oklahoma State Regents for Higher Education (OSRHE) mandate certain curricular requirements for freshman entering state colleges and universities. These curricular requirements act as prerequisites for certain freshman-level courses.

Students must meet the criteria for both the high school curricular requirements and the high school performance criteria as defined in the following sections to be eligible for admission. While high school students are encouraged to meet the state’s criteria, we do not require these courses for admission. However, students need to remediate their deficiencies prior to taking freshman-level courses in the discipline area and must remediate all performance and/or curricular deficiencies within the first 24 semester credit hours of seeking an associate in science degree or bachelor’s degree.

SUBMISSION OF ACADEMIC CREDENTIALS

Recent high school graduates must submit official and complete high school transcripts during the admission process. Any student with attempted college transfer hours is required to submit official and complete college transcripts during the admission process. Failure to list all previously attended colleges or the submission of false information on the student application is grounds for denial of admissions and/or immediate suspension.

ASSessment

All first-time freshmen admitted as regular students will be assessed prior to placement in courses. Students will be required to present ACT test scores and/or scores from a similar battery of tests. Some students may also be required to take the ACCUPLACER test. ACCUPLACER™ is a comprehensive, computerized test system that determines appropriate placement in the areas of reading, writing and math. Placement according to test scores is mandatory as per Oklahoma State Regents for Higher Education policy. Advisors will assist students in selecting courses utilizing available assessment tests, previous educational experiences and expected workloads.

CLASSIFICATION OF STUDENTS

Degree-seeking students enrolled at OSU-Oklahoma City shall be classified as follows:

1 – 30 credit hours Freshman
31 – 59 credit hours Sophomore
60 – 93 credit hours Junior
94+ credit hours Senior

Junior and Senior classification at OSU-OKC is only available for students in the Bachelor of Technology program.

FULL-TIME STATUS (ACADEMIC)

Students who are enrolled in 12 or more semester credit hours during a fall or spring session (16-week term) or enrolled in six or more semester credit hours during a summer session (eight-week term) shall be classified as full-time.

FULL-TIME STATUS (FINANCIAL AID)

Students must be enrolled in 12 or more credit hours each semester (fall, spring and summer) to be considered full-time for financial aid purposes.

ADMISSION CATEGORIES

RECENT HIGH SCHOOL GRADUATE OR GED RECIPIENT

Each applicant shall provide the following:

• Official copy of high school transcript showing date of graduation or equivalency certificate based on the GED or HiSET test (GED recipient’s high school class must have graduated)
• Placement scores from ACT, SAT or similar acceptable battery of tests

Additionally, students must meet the following high school curricular requirements:

• 4 units English (Grammar, Composition, Literature)
• 3 units Lab Science (excluding General Science)
• 3 units Math (Algebra I or higher level math course.)
• 3 units History and Citizenship Skills (including one unit of American History and two additional units from the subjects of History, Economics, Geography, Government, Non-western Culture)
• 2 units Other (any of the subjects previously listed or selected from computer science, foreign language, or any Advanced Placement course except applied courses in fine arts)

15 Total Required Units

In addition to the above requirements, the following subjects are recommended for college preparation:

• 2 additional units: Fine Arts – Music, Art, Drama, and Speech
• 1 additional units: Lab Science (as described above)
• 1 additional units: Mathematics (as described above)

4 Recommended Units

HOME STUDY/UNACCREDITED HIGH SCHOOL STUDENT

A graduate of a private, parochial or other non-public high school which is not accredited by a recognized accrediting agency is eligible for admission if their high school class of peers has graduated. Students under this category must meet the high school curricular requirements listed under the section titled Recent High School Graduate or GED Recipient.
ADULT STUDENT
- Students who are 21 years of age or older
- or on active military duty may be admitted
  upon satisfactory demonstration of
  proficiency to perform at the collegiate level.
- Applicants who are not yet 21, who did
  not graduate from high school (their high
  school class has already graduated), and
  have participated in the ACT program
  or similar battery of tests are eligible for
  admission

CONCURRENTLY ENROLLED HIGH SCHOOL STUDENT
To be admitted as a concurrently-enrolled student a student must be able to satisfy all 15 curricular requirements and requirements for graduation no later than the spring semester of the high school senior year and meet the performance requirements below.

The first semester of enrollment for juniors can be the summer before the junior year and the first semester of enrollment for seniors can be the summer before the senior year.

ADMISSION
Students from Accredited High Schools:
- Juniors and Seniors
  - Minimum ACT or Pre-ACT of 19, SAT or
    PSAT of 990, OR 3.0 high school GPA (on
    a 4.0 scale).

Home Schooled Students or Students
Attending Unaccredited High Schools:
- Juniors and Seniors
  - Must have completed enough high
    school coursework to be equivalent to an
    individual who is classified as a junior or
    senior at an accredited high school AND
  - Minimum composite ACT or Pre-ACT of
    19, or SAT or PSAT composite of 990.

The Application for Concurrent Enrollment can be obtained at https://osuokc.edu/concurrent.

Course Placement
High school juniors and seniors meeting the admission requirements for concurrent enrollment must additionally must demonstrate college readiness in a particular subject area to enroll in coursework in the corresponding college subject area. In addition, students must demonstrate college readiness in reading to enroll in subjects outside of English, math and science. Concurrent students are prohibited from enrolling in any form of developmental education. College readiness is attained by achieving requisite subject scores on the following exams:

- ACT or Pre-ACT subscores must be a
  minimum of 19
- SAT or PSAT evidence-based reading and
  writing and math subscores must be a
  minimum of 510.
- OSU-OKC Accuplacer reading and writing
  scores must be a minimum of 250, and
  math must be a minimum Quantitative
  Reasoning/Algebra/Statistics score of
  263 AND a minimum Advanced Algebra/
  Functions score of 250.

Course Load
A high school student may enroll in a combined number of high school and college courses per semester not to exceed a full-time college workload of 19 semester credit hours. For purposes of calculating workload, one-half high school unit shall be equivalent to three semester credit hours of college work. Non-academic high school units are excluded from the workload calculation.

Any student wishing to exceed the limits set by the Oklahoma State Regents for Higher Education must complete a Petition for Excessive Hours (Academic Overload) form.

Continued Enrollment
High school students concurrently enrolled in college courses may continue concurrent enrollment in subsequent semesters if they achieve a CGPA of 2.0 or above on a 4.0 scale. Students with CGPA's below 2.0 are not eligible to enroll in college courses until after high school graduation.

TRANSFER STUDENT
A transfer student is defined as any undergraduate student with greater than six attempted credit hours, excluding remedial/developmental (zero-level courses) and credit hours accumulated by concurrently enrolled high school students.

- Transfer students who do not meet curricular requirements must make up deficiencies within their first 12 credit hours of college-level work.
- Any student who transfers to OSU-Okahoma City with less than a 2.0 cumulative grade point average will be conditionally admitted. A student admitted under this category is admitted provided they are in good academic standing. Such students may enroll in a maximum of nine credit hours without submitting all official academic credentials at the time of admission. Academic credentials will be necessary to determine prerequisite and retention standards.

Once a student has completed nine credit hours, should he or she wish to enroll in additional coursework, he or she is required to meet the formal admission or transfer criteria. Both transfer and first-time freshmen are eligible to enroll under this category.

UNDOCUMENTED STUDENTS
Undocumented immigrant students must meet all admission standards set forth by the Oklahoma State Regents. No undocumented immigrant student is eligible for any type of federal financial aid, but those who meet required criteria may be eligible to pay resident tuition. (See In-State/Out-of-State Status of Enrolled Students.)

Undocumented students who did not graduate from a public or private high school in Oklahoma will not qualify to pay resident tuition. Please contact the OSU-OKC Office of Admissions for more information.

OPPORTUNITY ADMISSION
Students who have not graduated from high school whose composite standard score on the ACT without the writing component places them at the 99th percentile of all students using Oklahoma norms, or whose combined critical reading and mathematical score on the SAT without the writing component places them at the 99th percentile of all students using national norms may be eligible for admission. Admissibility will be determined based on test scores, evaluation of the student’s level of maturity and ability to function in the adult college environment, and whether the experience will be in the best interest of the student intellectually and socially.

INTERNATIONAL STUDENT ADMISSION
A student seeking to enroll at OSU-Okahoma City who is not a United States citizen, resident alien, refugee or other non-temporary U.S. Citizenship and Immigration Services classification is considered for admission purposes as an international student. Every international applicant is required to meet the equivalent of 12 years of combined elementary and secondary education that is measurable and comparable to that of the United States.
Each international applicant shall provide:
• a copy of the active U.S. Visa the student holds,
• proof of English Proficiency,
• official transcripts of high school and/or college(s) attended. (English translation with an evaluation from a recognized evaluation service is also required. Academic records must reflect a cumulative minimum grade point average of 2.0.).
In addition to the documents listed above, students who hold an F1 student Visa shall also provide:
• a completed International Application for Admission,
• evidence of “good standing” (if transferring from another U.S. institution.)
• evidence of financial support, and
• at the time of enrollment, the student must present a valid passport (the passport must be valid for at least six months into the future), I-94 and I-20.

Proof of English Proficiency
See “Students for Whom English is a Second Language” below.

Financial Support
An international student must provide evidence to certify that sufficient funds will be available to complete the associate or bachelor’s degree program. This proof of financial support may be a copy of the award letter from a scholarship agency or a statement of financial support from the family or financial sponsor. The student also must provide a bank statement that is no older than 12 months indicating the appropriate amount of money needed and that includes the name of the sponsor listed in the financial guarantee document.

Evidence of Good Standing
An international student must provide evidence of good standing with his or her previous school and must be “in status” with the U.S. Citizenship and Immigration Services before he or she will be admitted.

Acceptance to OSU-Oklahoma City
International students who meet all requirements for admission will receive a letter of acceptance. Students holding an F1 Visa also will receive a Certificate of Eligibility (Form I-20). If the student is not in the United States, the I-20 will be sent to the student who must then take the Form I-20 to the United States Consulate or Embassy and apply for a U.S. visa. Upon acceptance for admission the student is eligible to register for classes.

Students for Whom English is a Second Language
In addition to meeting all admission requirements listed under the appropriate section of this catalog, all applicants for whom English is a second language must provide proof of English proficiency by meeting one of the following standards:

Standardized Testing
Students may take either the Test of English as a Foreign Language (TOEFL) or the International English Language Testing System (IELTS) Examination. Results of the TOEFL taken at international testing centers and special testing centers will be accepted at OSU-Oklahoma City. Results of the TOEFL administered at institutional testing centers may only be accepted at the administering institution.
• score of 500 or higher on the paper-based TOEFL, or
• 173 or higher on the computerized version of the TOEFL, or
• 61 or higher on the Internet-based version of the TOEFL, or
• 5.5 or higher on IELTS.

Intensive English Program (IEP)
Lesser scores as listed below will be accepted in combination with a subsequent 12 weeks of study at an intensive English program operated by the Oklahoma State Regents for Higher Education:
• a minimum score of 460 or higher on the paper-based TOEFL, or
• a minimum of 140 on the computerized version of TOEFL, or
• a minimum of 48 on the Internet-based version of TOEFL, or
• a minimum of 5.0 on IELTS.

High School Performance
Students who have attended all four years at a high school in the United States, successfully completed core requirements, and meet all other requirements for admission must provide their official high school transcript for consideration.

Transfer Coursework
Transfer students who have successfully completed 24 credit hours at an accredited college or university in the United States must provide official college transcripts for consideration.

In State/Out of State Status of Enrolled Students
All applicants are classified as in-state or out-of-state for purposes of admission and tuition. In-
Students with extenuating circumstances (e.g., divorced parents with joint custody when one parent or legal guardian lives out-of-state and/or claimed as a dependent on a tax return, etc.) may be considered on a case-by-case basis.

A dependent person may establish independent person status through circumstances including, marriage, formal court action, abandonment by parents, etc. To qualify, a dependent person must have completely separated from the parental or guardian domicile and prove that such separation is complete and permanent. Additionally, the individual must provide evidence they are responsible for their housing and living expenses. Mere absence from the parental or guardian domicile is not proof of its complete abandonment. Applicants must provide adequate and satisfactory evidence of independent status and domicile.

If an independent person can provide evidence of coming to Oklahoma to establish domicile, the applicant may be eligible for in-state status at the next enrollment occurring after expiration of 12 months following establishment of domicile in Oklahoma.

Full-time Profession Practitioners or Workers

Independent students who provide evidence of having come to Oklahoma to practice a profession on a full-time basis, conduct a business full time or work on a full-time basis shall be admitted along with their spouse and dependent children immediately without the 12-month domiciliary requirement as long as they continue full-time employment capacity.

Foreign Citizen Criteria

Students who are not citizens of the United States may become eligible for residence status by proving their “permanent status” as evidenced by an I-551 (green card). An individual who has resided in Oklahoma for at least 12 consecutive months following the date of adjudication on their “green card” may be eligible for in-state classification.

Undocumented Students

Individuals who cannot present valid documentation of United States nationality or an immigration status permitting study at a postsecondary institution may be eligible for an out-of-state tuition waiver if they meet the following criteria:

- Graduated from a public or private high school in Oklahoma;
- Resided in Oklahoma with a parent or legal guardian while attending classes at a public or private high school in Oklahoma for at least two (2) years prior to graduation.

Military Personnel Criteria

Active Uniformed Services

Students enrolled at OSU-Oklahoma City who provide evidence they are members of the uniformed services on full-time active duty status of more than thirty (30) days stationed in Oklahoma or temporarily present through military orders shall be immediately classified upon admission as in-state status along with their spouse and dependent children. Further, when members of the armed services are transferred out-of-state, the member, their spouses and dependent children shall continue to be classified as in-state as long as they remain continuously enrolled.

Discharged or Released from Active Uniformed Service

Former military members, and/or their spouse or children, who intend to establish residence in Oklahoma, and who currently reside in Oklahoma may be eligible for in-state status without the 12-month requirement provided:

- The student was in active uniformed services for no fewer than 90 days and discharged in less than five years before the date of enrollment in an Oklahoma college, and
- Is pursing a course of education with VA assistance under Chapters 30, 31 or 33.

Contact the Office of Admissions for more detailed information about requirements and supporting documents needed to qualify.

Readmission to OSU-Oklahoma City

Students who have attended OSU-Oklahoma City but were not enrolled during the immediate past year must reapply for admission. If a student has attended another college or university since last attending OSU-Oklahoma City he or she must submit a transcript of all work taken elsewhere.

Students who are academically suspended by an institution will not be allowed to reenter the institution for at least one regular semester (fall or spring) unless immediate reinstatement is granted through the enrollment appeals process. Students returning from an academic suspension will be readmitted on probationary status. Should a reinstated student be suspended a second time from the same institution, the student cannot return to the suspending school until such time as the student has demonstrated, by attending another institution, the ability to succeed academically by raising the GPA to the retention standards.

Additional Requirements for Admission or Continued Enrollment

Immunization Requirements

Per Oklahoma law, all new students are required to provide evidence of having been immunized against measles, mumps and rubella (MMR) (two shots) and against Hepatitis B (Hep B) (three shot series). Students will complete an Immunization Certificate of Compliance when applying to the institution. For more information regarding the MMR and Hep B immunizations, please contact the Admissions Office.

If the certificate is not received during the student’s first semester, a hold will be placed on future enrollment until the requirement is met.

Non-Academic Criteria for Admission

In addition to the academic criteria used by institutions in the Oklahoma State System as the basis for student admission, Oklahoma State University-Oklahoma City shall consider the following non-academic criteria in deciding admission for first-time students, transfer students, or students who are applying for readmission:

1. Whether an applicant has been expelled, suspended, denied admission or denied readmission by any other educational institution.
2. Whether an applicant has been convicted of a felony in any state or country.
3. Whether an applicant’s conduct has been such that if, at the time of the conduct in question, the applicant had been a student at the institution to which application is made, the course of conduct would have been grounds for expulsion, suspension, dismissal or denial of readmission.

If OSU-OKC finds that the applicant meets any of the above criteria, then OSU-OKC shall deny admission to the applicant if it decides that any of the events indicates the applicant’s unfitness, at the time of application, to be a student at OSU-OKC.

If an applicant is denied admission on any of the foregoing grounds, there must be substantial evidence supporting the basis for denial. In addition, the applicant must be afforded adequate procedural safeguards, including the following:

1. Be advised of the grounds for the denial.
2. Be informed of the facts which form a basis of the denial.
3. Be afforded an opportunity to be heard.
REGISTRAR

OFFICE OF THE REGISTRAR
www.osuokc.edu/registrar
405-945-3291
okc.registrar@okstate.edu

ENROLLMENT
Students may enroll online at the MyOKSTATE Student Portal at http://my.okstate.edu. Enrollment holds such as an outstanding balance, missing transcripts or documents, or other registration holds may prevent enrollment until holds have been cleared. Academic advisors are available to provide students with academic guidance and planning.

MATRICULATION
When a student enters the university, he or she is given a matriculation of enrollment. Students who are enrolled in at least six hours of major-specific courses in an academic year are considered to have an open matriculation. Students who do not attend for one academic year, or do not take courses related to their major for an academic year, are considered to have broken matriculation and must reapply to the university.

ADDING AND DROPPING COURSES

Adding Courses. Once enrollment opens, students may add courses to their schedule during the add period (generally through the first week of a regular 16-week term, less for shorter terms; see Academic Calendar for specific dates) using the MyOKState Student Portal.

Dropping Courses. Students may drop a course online at any time during the refund period. The refund period is the first two-weeks of a 16-week course, the first week of an 8-week course and the first day of a fast-track, 4-week, or other short course. A drop with refund does not appear on the student’s official academic record. After the refund period, a student may drop a course with a grade of “W” through the 12th week of a 16-week term, the 6th week of an 8-week term or three-quarters of the length of a fast-track, 4-week, or other short course. See the Academic Calendar for specific dates.

Drops during this period will be completed online. After this period, students may not drop a course. An official grade for the course will be issued for the student at the end of the term. The date of the Add/Drop/Withdrawal is the official date of the transaction. A student with a hold on their academic record must contact the Office of the Registrar through their OKState email and request to drop or complete the form “Request to Drop Due to Hold” and return to the Office of the Registrar via email, fax, or in-person. It is the student’s responsibility to ensure the transaction is completed through the MyOKState Student Portal.

Non-attendance does not automatically warrant a drop from a course nor does it relieve the student of financial obligations to OSU-OKC. An instructor may, but is not required to, administratively withdraw a student for non-attendance. This will appear on the transcript as a grade of “AW”. The student will remain responsible for the payment of charges for a course in which an “AW” is received. Charges due to failure to drop or withdraw from courses will not be waived.

Exceptions to these deadlines may be considered by filing an Enrollment Appeal and providing documented extraordinary circumstances and approval by the Enrollment Appeals Committee (see Enrollment Appeals).

A student may not drop any course for which a formal charge of academic dishonesty is pending against the student. If the student is absolved of the formal charge, he or she may withdraw or drop the course. If the student is found guilty; the instructor may take appropriate disciplinary action, including assigning the grade of “F” for the course.

VETERANS SERVICES
OSU-OKC’s Office of the Registrar provides a Veterans Services Center (VSC) to assist student veterans and their dependents with Department of Veterans Affairs educational benefits. The VSC provides information and assistance with completing VA forms as well as certification services for payment of benefits. Additionally, the VSC has a lounge available for Veteran students to study, relax, or hold meetings. Contact the Veterans Services Center on the first floor of the Student Center at 405-945-8692 or visit www.osuokc.edu/veterans.

Applying for VA Education benefits does not prevent late payment penalties. Students receiving benefits under Chapters 31 (Vocational Rehabilitation benefits) and Chapter 33 (Post 9/11- awarded percentage from VA for tuition/fees only) will not be penalized due to delayed payment by the VA (i.e., restriction of enrollment, late fees, requirement of alternative/additional funding or denial of access to school resources available to other students).

In all other instances you are responsible for payment of tuition and fees by published payment deadlines. Non-receipt of benefits from the VA to the student will not prevent late payment penalties from applying to your Business Services account.

STUDENT RESOURCES

MYOKSTATE STUDENT PORTAL
MyOKState Student Portal allows students to access their academic and personal records at OSU-OKC and provides select self-service options. Students may use the MyOKState Student Portal to add and drop classes, view their course schedule, request transcripts, view transcript information, update personal data, view personal financial aid information, view billing and payment options, and other student self-services.

ORANGE KEY (O-KEY) ACCOUNT
OSU-OKC students activate an O-KEY account upon admission. The O-KEY provides each student with an email account that can be used to gain access to the campus network, online classroom, and MyOKState Student Portal. The O-KEY email account serves as the official method of email communication from the university to students including announcements, important dates/deadlines, and registration/course information.

OFFICIAL RECORDS

OFFICIAL TRANSCRIPTS
All official academic transcripts are prepared and released by the Office of the Registrar. The transcript is the official record of a student’s academic work. Transcripts list all academic work earned at the institution, all accepted transfer work, and advanced standing credit. An official paper transcript may be requested by a student in the following ways:

1. Online via the MyOKState Student Portal,
2. Complete the Transcript Request form and mail, fax, or scan to the Office of the Registrar, or
3. In person at the Admissions & Registrar counter, with a photo ID.

Electronic transcripts are also available to students for an additional fee. For more information visit www.osuokc.edu/transcripts.

Students who request an official transcript with transcript holds (such as an outstanding financial obligation, etc.) will not be processed. Once the holds are released, the student must re-submit the official transcript request.

UNOFFICIAL TRANSCRIPT
Students may view and print their unofficial academic transcript from the Academic Transcript link in the Student Records section of Self Service. An unofficial transcript lists degrees awarded, all of the student’s courses and grades, plus coursework in progress. The Office of the Registrar does not provide copies of unofficial transcripts.
CHANGE OF ADDRESS, NAME OR STUDENT DATA

Changes in address, name or other student demographic data should be reported immediately to the Office of the Registrar. Name changes necessitate the presentation of official documentation (i.e., updated social security card, government issued photo id) of the change requested. Name changes will be made to a student’s permanent transcript record only during semesters in which the student is enrolled.

ANNUAL NOTIFICATION OF STUDENTS’ RIGHTS TO PRIVACY & DIRECTORY INFORMATION

FEDERAL EDUCATIONAL RIGHTS & PRIVACY ACT OF 1974 (BUCKLEY AMENDMENT)

The Family Educational Rights and Privacy Act (FERPA) afford eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student's education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by OSU-OKC in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of OSU-OKC who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for OSU-OKC.

Upon request, the school also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by OSU-OKC in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of OSU-OKC who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for OSU-OKC.

Upon request, the school also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by OSU-OKC to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

FERPA permits the disclosure of PII from students’ education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student—

• To other school officials, including teachers, within OSU-OKC whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)-(ii) are met. §99.31(a)(1)

• To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements of §99.34. §99.31(a)(2)

• To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university’s State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. §§99.31(a)(3) and 99.35

• In connection with financial aid for which the student has applied or which the student has received, if the information
is necessary to determine eligibility for the aid; determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))

- To organizations conducting studies for; or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))

- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))

- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))

- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))

- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))

- Information the school has designated as “directory information” under §99.37. (§99.31(a)(11))

- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(a)(13))

- To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school’s rules or policies with respect to the allegation made against him or her. (§99.31(a)(14))

- To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15))

**DIRECTORY INFORMATION**

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that OSU-OKC, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your education records. However, OSU-OKC may disclose appropriately designated “directory information” without written consent, unless you have advised the institution to the contrary in accordance with OSU-OKC procedures. The primary purpose of directory information is to allow OSU-OKC to include this type of information from your education records in certain situations. Examples include, but are not limited to:

- Student organization events;
- Honor roll or other recognition lists; and
- Graduation programs.

If you do not want OSU-OKC to disclose directory information from your education records without your prior written consent, you must notify the Office of the Registrar in writing by completing the Request to Withhold Directory Information form. OSU-OKC has designated the following information as directory information:

- Student’s name
- Student’s address & telephone number
- Institutional electronic mail address
- Student’s date/place of birth
- Major/certificate
- Honors and awards
- Dates of attendance
- Degrees earned, completion dates
- Participation in officially recognized organizations, activities or sports
- Enrollment status (full-time, part-time)
- Most recent previous attended educational institution

Any student who has submitted a request to withhold directory information will not have his/her name printed in the Commencement Program, honor roll lists, student organization lists, or any other institutional honors lists for public view.

**CHANGE OF ADDRESS, NAME OR STUDENT DATA**

Changes in address, name or other student demographic data should be reported immediately to the Office of the Registrar. Name changes necessitate the presentation of two forms of official ID:

1. Social Security Card or IRS letter assigning ITIN (choose one)
2. Government issued photo ID (choose one from below):
   a. Driver’s license (or other state-issued photo ID)
   b. Passport
   c. Military ID

**PARENTAL ACCESS TO RECORDS**

OSU-OKC cannot release educational records to parents about their son or daughter without written consent of the student. We encourage students to communicate with their parents regarding grades, billing, class schedule, and other records. A student may consent for his or her information to be released to a parent, guardian or spouse. The student must complete the Student Consent for Release of Education Record Information form in person and must be free of duress or coercion. Upon receipt of this form, information will be released to the designated person(s) unless rescinded by the student in writing. Parents of a dependent student may challenge denial of access to educational records by producing the most current copy of the Internal Revenue Form 1040.

**ADDITIONAL INFORMATION**

For more information about FERPA, visit the U.S. Department of Education website.
ACADEMIC REGULATIONS

ADMISSION, ACADEMIC STANDING AND STATUS

ADMISSION/PLACEMENT OF STUDENTS

Policies and procedures governing the admission and placement of students are detailed in another section of the Catalog. (See Admissions Requirements.)

ADMISSION TO SELECTIVE ADMISSION PROGRAMS

Admission to certain programs as approved by the University may be restricted. (See Admissions Requirements section.)

ENGLISH PROFICIENCY REQUIREMENT.

(See Admissions Requirements section.)

ACADEMIC STANDING

Students must meet the GPA requirements below to be considered in good academic standing.

<table>
<thead>
<tr>
<th>Graduation/Retention hours attempted:</th>
<th>Minimum retention/graduation GPA required:</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 through 30</td>
<td>1.70</td>
</tr>
<tr>
<td>31 or more</td>
<td>2.00</td>
</tr>
</tbody>
</table>

Any student not maintaining a retention/graduation GPA as indicated above will be placed on probation for one semester. At the end of that semester, he or she must have a semester GPA of 2.00, not to include PE or remedial courses, or meet the minimum standard required above, in order to continue as a student. First year students (30 or fewer credit hours, as defined by OSRHE policy) with a retention/graduation GPA of 1.70 to less than 2.00 will be placed on academic notice.

ACADEMIC SUSPENSION

A student on probation will be suspended when he or she earns a semester GPA of less than 2.00 in regularly-graded course work not including activity or remedial courses, and the retention grade-point average for all hours attempted falls below the following:

<table>
<thead>
<tr>
<th>Graduation/Retention hours attempted:</th>
<th>Minimum retention/graduation GPA required:</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 through 30</td>
<td>1.70</td>
</tr>
<tr>
<td>31 or more</td>
<td>2.00</td>
</tr>
</tbody>
</table>

Reinstatement After Academic Suspension

An OSU-OKC student who has been academically suspended from the University may not be readmitted until one regular 16-week semester (fall or spring) has passed. Students who wish to appeal their suspension status may petition for immediate reinstatement through the Office of the Registrar by submitting a Petition for Immediate Reinstatement After Suspension form. Students petitioning for reinstatement should provide supporting documentation with the request documenting extraordinary personal circumstances that contributed to his or her academic deficiencies and an objective plan for achievement. Students who were concurrently enrolled in another college or university during the semester may appeal the suspension by submitting an official transcript from the institution.

Suspended students can be readmitted only one time. If a student is suspended a second time, he or she must attend another institution and raise the retention/graduation GPA to 2.00 before readmission to OSU-OKC can be considered.

Academic Standing for Transfer Students

A student who has previously attended another college or university since last attending OSU must submit a transcript from each school. Final academic standing status will be determined after an evaluation of all transfer work has been made.

WITHDRAWING FROM THE UNIVERSITY

Withdrawing from the University is the responsibility of the student. Failure to attend classes or nonpayment of tuition and fees does not cancel the student’s enrollment. Charges due to failure to drop or withdraw from courses will not be waived.

Withdrawing from the University occurs when a student drops all classes after begin, that is, after the applicable semester or session begins.

International students must also consult with International Advisor before dropping courses or withdrawing for the semester. Under reporting regulations required by the Student and Exchange Visitor Information System (SEVIS), dropping below full-time can put a student’s visa status in jeopardy.

General drop/withdrawal and refund periods are provided in the table below (see Registrar section for additional information). The Academic Calendar on the OSU-OKC website at http://osuokc.edu/academics/calendar provides specific dates for each term. Appeals for exceptions to these deadlines may be considered by submitting an Enrollment Appeal. An Enrollment Appeal is a type of appeal process for students who 1) have experienced an emergency or extraordinary circumstance that affects his or her ability to attend school, or 2) believes that his or her enrollment or billing statement is incorrect due to a processing error. Examples of emergency/extraordinary circumstances may include situations such as a severe or unexpected illness resulting in hospitalization, the death of an immediate family member, military service obligations or relocation/deployment/training orders, or employment relocation to another state. Student must explain the situation on the appeal form and provide supporting documentation of the circumstances (see Enrollment Appeals for more information).

Drop/Withdrawal Periods for Full-Semester (16-week) Courses*

<table>
<thead>
<tr>
<th>Semester Time Period</th>
<th>Course Grade</th>
<th>Course-Related Tuition/Fee Refund</th>
</tr>
</thead>
<tbody>
<tr>
<td>Before term begins</td>
<td>No transcript record</td>
<td>100% refund</td>
</tr>
<tr>
<td>First 2 weeks</td>
<td>No transcript record</td>
<td>100% refund</td>
</tr>
<tr>
<td>Weeks 3-12</td>
<td>“W”</td>
<td>No refund</td>
</tr>
<tr>
<td>Weeks 13-16</td>
<td>Final grade as assigned by instructor</td>
<td>No refund</td>
</tr>
</tbody>
</table>

*Summer courses, 8-week, 4-week, fast-track, intersession courses, and other courses that do not extend through the entire 16-week semester follow proportionate drop/withdrawal/refund periods.

Classification of Students

Undergraduate classification is determined by the criteria below:

<table>
<thead>
<tr>
<th>Freshman</th>
<th>0 to 30 semester credit hours passed</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sophomore</td>
<td>31 to 60 semester credit hours passed</td>
</tr>
<tr>
<td>Junior*</td>
<td>61 to 90 semester credit hours passed</td>
</tr>
<tr>
<td>Senior*</td>
<td>91 or more semester credit hours passed</td>
</tr>
</tbody>
</table>

*Junior and Senior classification at OSU-OKC is only available for students in the Bachelor of Technology program.

These hours are calculated based on graduation-retention hours earned.
Full-Time Students
Undergraduate students who are enrolled in 12 or more semester credit hours (six or more for the summer session) are classified as "full-time" students for academic purposes.

Part-Time Students
Students who are enrolled but not meeting the definition of full-time students are classified as "part-time." Undergraduate students are classified as "half-time" if they are enrolled in six hours in a regular semester (or three hours in a summer session).

Special Students (Non-degree seeking Students)
A student who does not have immediate plans to enter a degree program but wants to take courses may be classified as a "special student." Students may enroll in up to a maximum of nine credit hours (See Admission General Information). A student on an F-1 visa may not enroll as a special student since he or she must be admitted to a degree program. Students receiving veteran's benefits and/or financial aid may be required to be degree-seeking and not eligible to be a special student.

Degree Requirements
Date of Matriculation
Matriculation occurs when a student first declares a major at OSU-OKC. A student follows the degree requirements of the catalog associated with his or her matriculation year. A student who fails to enroll in six hours of courses that are specific to their major within an academic year is considered to have broken matriculation and thus would be held to the requirements of the most current degree program in the most recently published catalog. A complete listing of academic programs can be found in the “Degree Programs” section of the Catalog.

Changes in Degree Requirements
Academic programs at OSU-OKC are kept relevant through continuous revision of curricula. Although the curriculum may be revised before a student graduates, any student who makes normal progression toward graduation (enrollment in six or more credit hours specific to the declared major per calendar year) will be held responsible for degree requirements in effect at the time of matriculation. A student has the option of adopting the new degree requirements that have been established since matriculation, but may not return to a previous year’s curricula.

Change of Major/Program
Students who wish to change their current major/program to a new major/program must complete a Change of Major form with the Office of the Registrar. Failure to submit a major change may result in delayed payment of financial aid. Additionally, students receiving Veterans Benefits MUST complete and attach a Form 22-1995 (Change of Program or Place of Training) from the VA along with the Change of Major form to the Veterans Services Office. Failure to submit a Form 22-1995 to the VA will result in non-payment of benefits. Changing the program or major may add additional time to degree completion. Please consult your academic advisor for a degree audit.

General Education Requirements
Although the University has required general education requirements, each division determines and publishes the general education requirements for its specific degree programs. Division requirements may exceed the minimums for general education established by the University, which are as follows (exclusive of physical education activity courses by OSRHE policy):

- English - three semester credit hours of English composition. The required course is ENGL 1113;
- History - three semester credit hours of American history. The required course is HIST 1483, 1493, or equivalent; and
- Government - three semester credit hours of American government. The required course is POLS 1113.

General education requirements may be met by credit by exam (CLEP) or advanced standing examinations.

Computer Literacy. The Oklahoma State Regents for Higher Education require computer science proficiency prior to graduation. This requirement could be met by:

a. successfully completing a high school computer science course that meets State Regents' high school curricular requirements;
b. satisfying an institution’s computer proficiency assessment; or
c. successfully completing college-level course work that the institution designates.

The method by which a student demonstrates computer science proficiency at OSU-OKC varies by major. This requirement does not increase the number of courses required to earn a degree.

Minimum Degree Requirements
All degrees earned at OSU-Oklahoma City require a minimum 2.0 grade point average and minimum semester credit hour requirement, excluding zero-level courses, excluding any courses repeated or reprieved as detailed in the OSRHE Grading Policy, and excluding physical education activity courses.

Bachelor of Technology
The minimum requirements for the Bachelor of Technology degree at any institution in the Oklahoma State System of Higher Education shall include the following:

<table>
<thead>
<tr>
<th>Requirement</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Minimum semester credit hours required</td>
<td>120</td>
</tr>
<tr>
<td>2. General Education</td>
<td>40</td>
</tr>
<tr>
<td>3. Credit in residence at the awarding institution</td>
<td>30</td>
</tr>
<tr>
<td>4. Liberal arts and sciences course work</td>
<td>55</td>
</tr>
<tr>
<td>5. Credit from baccalaureate degree-granting institutions (40 hours must be upper division)</td>
<td>60</td>
</tr>
<tr>
<td>6. Area of specialization (50% must be upper Division)</td>
<td>30</td>
</tr>
</tbody>
</table>

Note: General Education core is the same required in the Associate of Science degree (see below).

Associate of Applied Science
The minimum standards for the awarding of Associate of Applied Science degrees in institutions in the Oklahoma State System of Higher Education shall include the following:

<table>
<thead>
<tr>
<th>Requirement</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Minimum semester credit hours required</td>
<td>60</td>
</tr>
<tr>
<td>2. General Education</td>
<td>18</td>
</tr>
<tr>
<td>a. Communications</td>
<td>6</td>
</tr>
<tr>
<td>1. a college-level communications course in general, applied technical writing, or</td>
<td></td>
</tr>
<tr>
<td>2. a course in English grammar and composition, or</td>
<td></td>
</tr>
<tr>
<td>3. a college-level oral communications course</td>
<td></td>
</tr>
<tr>
<td>b. U.S. History and U.S. Government</td>
<td>6</td>
</tr>
<tr>
<td>c. General education electives</td>
<td>6</td>
</tr>
</tbody>
</table>
3. Credit in residence at the awarding institution 15
4. Support and Related Courses 0-15
5. Area of Technical-Occupational Specialization 27

ASSOCIATE OF SCIENCE
The minimum standards for the awarding of Associate of Science degrees in institutions in the Oklahoma State System of Higher Education shall include the following:

1. Minimum semester credit hours required 60
2. General Education 37
   a. English Composition 6
   b. U.S. History and U.S. Government 6
   c. Science (one course must be a laboratory science) 7
   d. Humanities (chosen from nonperformance courses defined as humanities by the institution granting the associate degree) 6
   e. Mathematics 3
   f. At least one course from the following areas: Psychology, Social Sciences, Foreign Languages, Fine Arts (Art, Music, Drama) 3
   g. Additional liberal arts and sciences courses as needed to meet the minimum 37 credit hours required in this policy 0-7
3. Credit in residence at the awarding institution 15
4. Support and Related Courses 0-15
5. Area of Technical-Occupational Specialization 23

^The Associate of Science in Enterprise Development (Reach Higher) degree has specific additional residency requirements established by the Oklahoma State Regents for Higher Education. (See Associate of Science in Enterprise Development for requirements)

SUBSTITUTION OF REQUIRED COURSES
A course substitution is a specific course that takes the place of a required course on a degree plan because it meets the content and/or spirit of the requirement. Individual divisions have the authority to approve substitutions for required courses on degree plans with two exceptions: (1) Substitutions related to general education requirements require approval from Academic Affairs (see General Education Requirements); (2) A lower-division course may not be substituted for an upper-division course to meet degree requirements.

SECOND ASSOCIATES DEGREE
A student who receives an associate degree from OSU-OKC may be awarded a second associate degree provided the following requirements are met:

- a. minimum of 15 semester credit hours of additional credit hours from OSU-OKC which are directly applicable to the second degree and which are in addition to those presented for the first degree sought.
- b. a student must complete all general and specific requirements of both degrees, and
- c. the additional associate degree may not be earned in the same major as the first degree, even if the option is different.

CERTIFICATES
A student may earn a certificate by satisfying all certificate requirements as listed in the certificate curriculum description. A list of current certificates can be found in the "Degree Programs" section of the Catalog.

A graduation/retention grade point average of 2.0 or higher is required for completion of the certificate. Candidates for certificates must file an Application for Graduation by the appropriate deadline with the Registrar’s Office for the semester of graduation. If the student fails to meet the requirements for the semester of application, he or she must re-file. Certificates are awarded at the end of the semester or session in which a candidate files for completion. Completion of the certificate will be noted on the student’s official transcript record.

A second certificate may be awarded provided that the following requirements are met:

- a. a minimum of 8 semester credit hours of additional credit hours from OSU-OKC which are directly applicable to the second certificate and which are in addition to those presented for the first certificate sought.
- b. a student must complete all general and specific requirements of both certificates, and
- c. the additional certificate cannot be from the same program/major, even if the option is different.

ENROLLMENT & REGISTRATION

COURSE NUMBERING SYSTEM
All OSU-OKC credit courses are identified by numbers composed of four digits. The first digit indicates the class year in which the subject is ordinarily taken; the second and third digits typically identify the course sequence within the field; and the last digit indicates the number of semester credit hours for which the course is offered. For example, a course numbered 1123 should be interpreted as a freshman, or beginning, level course carrying three hours of credit.

A course number beginning with zero indicates that the course is developmental or remedial in nature and cannot be used toward graduation/retention hours, is not considered college credit, and is not used to satisfy degree requirements. A course number ending in zero indicates that the course carries variable credit.

MAXIMUM SEMESTER CREDIT HOUR LOAD
In a regular 16-week fall or spring semester, the maximum enrollment for undergraduates without special approval is 18 credit hours, and 9 credit hours for a summer term. Enrollment in 19 or more credit hours (10 or more in summer) results in academic overload, which requires a Petition for Excessive Hours and approval from the Office of the Registrar.

High school/concurrent students or students admitted on “special” status should submit their request through the Office of Admissions. Proportionate credit-hour limits apply to short-term sessions and intersession periods separately, depending on the length of the session. The maximum enrollment for a fall or spring semester is 24 credit hours; the maximum for a summer term is 12 credit hours. The maximum credit hour and excessive hour regulation shall include courses taken in residence at OSU-OKC, concurrently-enrolled courses at other colleges, correspondence or extension courses.

Undergraduates desiring to carry an academic overload must have demonstrated readiness to perform on an overload basis, either through superior performance on a college aptitude test or on the basis of superior academic achievement in high school or college. Current students must have a GPA of 3.25 or higher to be considered for Excessive Hours. Students who are on academic probation or limited hours may not request exces-
 ADDING COURSES
Once enrollment opens, students may add courses to their schedule during the add period (generally through the first week of a regular 16-week term, less for shorter terms; see Academic Calendar for specific dates) using the MyOKState Student Portal.

No section changes after the add period are permitted unless approved by the instructor and department head. Students must submit the “Request to Add Courses” through the Office of the Registrar along with the permission from the instructor and division head.

DROPPING COURSES
Courses may be dropped online through the MyOKState Student Portal. Students who have a hold on their record will not be able to drop online. They must complete and submit the “Drop Courses Due to Hold” form available on the OSU-OKC Office of the Registrar website or email okc.registrar@okstate.edu from their student institutional email with their drop request. Requests to drop or withdraw are not processed over the phone. General drop periods are provided in the table below. The Academic Calendar (http://www.okstate.edu/AcademicCalendar) provides specific dates for each term.

DROP/WITHDRAWAL PERIODS FOR FULL-SEMESTER (16-WEEK) COURSES*

<table>
<thead>
<tr>
<th>Semester Time Period</th>
<th>Course Grade</th>
<th>Course-Related Tuition/Fee Refund</th>
</tr>
</thead>
<tbody>
<tr>
<td>Before term begins</td>
<td>No transcript record</td>
<td>100% refund</td>
</tr>
<tr>
<td>First 2 weeks</td>
<td>No transcript record</td>
<td>100% refund</td>
</tr>
<tr>
<td>Weeks 3-12 “W”</td>
<td>No drop option - Final grade as assigned by instructor</td>
<td>No refund</td>
</tr>
</tbody>
</table>

*Summer courses, intersession courses, fast-track, four week, and other courses that do not extend through the entire 16-week semester follow proportionate drop/refund periods.

Students may drop a course, with a full refund, at any time during the refund period. The refund period is the first two-weeks of a 16-week course, the first week of an 8-week course and the first day of a fast-track, 4-week, or other short course. A drop with refund does not appear on the student’s official academic record.

After the refund period, a student may drop a course with a grade of “W” through the 12th week of a 16-week term, the 6th week of an 8-week term or three-quarters of the length of a fast-track, 4-week, or other short course. See the Academic Calendar for specific dates. Drops during this period are completed online. After this period, students may not drop a course. An official grade for the course will be issued for the student at the end of the term. The date the Add/Drop/Withdrawal is the official date of the transaction. It is the student’s responsibility to ensure the transaction is successful via the MyOKState Student Portal.

Non-attendance does not automatically warrant a drop from a course nor does it relieve the student of financial obligations to OSU-OKC. An instructor may, but is not required to, administratively withdraw a student for non-attendance. This will appear on the transcript as a grade of “AW.” The student will remain responsible for the payment of charges for a course in which an “AW” is received. Charges due to failure to drop or withdraw from courses will not be waived.

A student may not drop any course for which a formal charge of academic dishonesty is pending against the student. If the student is absolved of the formal charge, he or she may withdraw or drop the course. If the student is found guilty; the instructor may take appropriate disciplinary action, including assigning the grade of “F” for the course.

Exceptions to these deadlines may be considered by filing an Enrollment Appeal and providing documented extraordinary circumstances and approval by the Enrollment Appeals Committee (see Enrollment Appeals).

Course Prerequisites
Course prerequisites are listed in the course descriptions section of the University Catalog. Students who have not met course prerequisites are not permitted to enroll in the course. Instructors may waive prerequisites when the student’s background justifies this action. Some degree programs require prior approval of the instructor or department, such as in selective admission programs, special problems courses, independent study, and internships. If a course has a required prerequisite, student must successfully complete the prerequisite course with a grade of “C” or better to advance to the next course in the required sequence.

Tuition and Fees
Tuition, fees and other charges are approved annually by the Oklahoma State Regents for Higher Education and are subject to change each academic year. Oklahoma State University-Oklahoma City (OSU) combines enrollment costs and charges into one consolidated student account. The payment schedule is published each semester; by enrolling/registering in classes, you are accepting the responsibility of the costs associated with the courses unless you drop/withdraw by the published dates to receive credit. Failure to attend courses does not constitute a drop or automatic refund. The student is responsible for ensuring all requests to drop courses have been submitted by the published deadline.

The Business Services office generates a monthly electronic billing statement (e-bill) detailing charges, credits, and payments that have occurred on the student’s account. (See Business Services section for additional billing information.) All delinquent accounts must be cleared before a student can obtain a transcript or a letter of good standing, receive a diploma, or enroll at OSU-OKC for subsequent semesters.

OSU-OKC complies with all federal regulations in returning unearned financial assistance when a student fails to meet the attendance requirements of the specific financial assistance provider. Students receiving federal financial aid, military tuition assistance, veteran benefits, and other similar types of financial assistance will be responsible for any charges resulting in a return of funds to the assistance provider.

Enrollment Appeal/Emergency Withdrawal
An Enrollment Appeal Petition is a type of appeal process for students who 1) have experienced an emergency or extraordinary circumstance that affects his or her ability to attend school, or 2) believes that his or her enrollment or billing statement is incorrect due to a processing error. Examples of emergency/extraordinary circumstances may include situations such as a severe or unexpected illness resulting in hospitalization, the death of an immediate family member, military service obligations or relocation/deployment/training orders, or employment relocation to another state. Student must explain the situation on the appeal form and provide supporting documentation of the circumstances.
The Enrollment Appeals committee determines the outcome of appeal/petition requests and the decision will be communicated to the student in writing. The deadline for submission of an Enrollment Appeal is six months after the date the grade was assigned or fees were assessed. The Enrollment Appeal procedures and form can be found at https://osuokc.edu/appeal. Financial charges due to non-attendance or failure to drop or withdraw from classes by the deadline will not be waived. Students receiving some types of Federal Financial Aid may only be eligible to receive “W”s for courses and are not eligible for a refund.

LEAVE OF ABSENCE FOR ACTIVE MILITARY DUTY

Per Oklahoma State law (SB 1830), OSU-OKC offers a military leave of absence (MLOA) to students who are members of the active uniformed military services of the United States who are called to active duty. An MLOA allows a student to be absent from the University for active duty without penalty to admission status or grade point average and without loss of institutional financial aid. It also allows the student to be eligible for withdrawal from all or some classes with a full refund of tuition and fees or to be eligible for incomplete grades in classes for which he/she has successfully completed at least 50% of the coursework at the time of leave, if the student intends to complete the classes upon return from active duty. Students must notify the University as soon as possible: not to exceed one month, after active duty orders are received. MLOAs shall not exceed a cumulative five years. Students apply for MLOA by submitting the appropriate form and supporting documentation on http://www.osuokc.edu/registrar. Students in Selective Admission programs such as Nursing, Veterinary Technology, Diagnostic Sonography, and Dietetics must see the Vice President of Academic Affairs upon receiving active duty orders.

AUDITING COURSES

A student who does not wish to receive credit in a course may enroll in a course for audit, provided space is available and the student obtains approval from the instructor of the course. Students who audit a course are considered ‘visitors’ to the course. Audited courses do not count in the determination of full-time student status and do not apply toward Veterans Affairs benefits and are not eligible for financial aid.

Audited courses do not count in the determination of full-time student status and do not apply toward Veterans Affairs benefits and are not eligible for financial aid.

The allowable time to change from audit to credit is during the first two weeks of a 16-week semester and proportionate periods for shorter terms. Students may change to credit only if they are determined to be admissible for credit. The allowable time to change from credit to audit is during the first two weeks of a 16-week semester and proportionate periods for shorter terms.

CLASS SIZE

The minimum number of students required in order for a class to meet is typically 10. The maximum enrollment for each class section is determined by the academic division heads and the vice president for academic affairs prior to the publishing of the class schedule each semester. The minimum or maximum sizes can be increased or decreased only by the division head or vice president for academic affairs. OSU-OKC reserves the right to cancel any class that does not have a sufficient number of students to warrant its continuation. A class may be cancelled if extenuating circumstances occur. Classes officially cancelled by OSU-OKC will be refunded at a rate of full-tuition and fees to students enrolled in the cancelled sections.

CLASS ATTENDANCE

Students are expected to regularly attend all classes in which they are enrolled. Class attendance is the responsibility of the student and the student is responsible for consulting with the class instructor when an absence occurs.

GRADE INTERPRETATION

The quality of student performance in all classes is indicated by the following letter grades: "A," "AH," "B," "BH," "C," "D," "E," "I," "N," "P," "CRE-P," "W," "AU," or "AW." Descriptions of the grades are:

"A" Superior — To obtain the grade of "A," students must show that they have: 1) a thorough comprehension and retention of facts and principles of the subject; 2) the ability to reproduce these facts and principles readily, accurately and concisely, orally and in writing; 3) the power to correlate; 4) the ability to apply the methods of the course to new and original problems and situations with reasonably sound results.

"AH" Superior with honors — To obtain a grade of "AH" students must show all of the qualities show above for an "A" and they must have reasonably sound results.

"B" Good — To obtain the grade of "B," the student must show the first two qualities which are required for the "A" without the third and fourth; that the student shows thorough comprehension and accurate retention, but does not show the power of correlation or original reaction. The grade "B" is also for the student, who, during a considerable part of the course, but not uniformly, has shown all the qualities of an "A" grade student. At times the student has been neglectful of prescribed tasks to a slight or moderate degree; due, not to illness, but to pressure of other work or to legitimate outside interests.
The maximum time allowed for a student to complete the course is one calendar year after the end of the semester for which the incomplete grade was awarded. Instructors have the prerogative to require a shorter period of time to complete the remaining requirements. It is the responsibility of the student to satisfy the requirements stipulated by the instructor at the time the incomplete grade is assigned; it is the responsibility of the instructor to initiate action to have any new permanent grade entered as soon as possible after the student completes the course or, after one year, partially fulfills the remaining requirements.

"BH" Good with honors — To obtain a grade of "BH" students must show all of the qualities show above for a "B" and they must have successfully completed all requirements outlined in the individual honors contract (see Honors Program).

"C" Adequate — The work of the student receiving this grade frequently show adequate comprehension and accurate reproduction but is moderately irregular.

"D" Minimum Passing — This grade is for the student whose work is considerably below the average. The work is barely passable.

"F" Failing — An "F" is for failure to a student who does not show satisfactory grasp of the subject and whose examinations and class performance are poor. (In other instances, an "F" is given to a student who ceases to attend class without officially dropping or withdrawing and therefore cannot complete the work).

"I" Incomplete - The grade of "I" represents incomplete work. It is given to a student who satisfactorily completes the majority of course work but who has been unavoidably prevented from completing the remaining work of the course. The "I" grade is also given in courses of a continuing character.

The request for an "I" grade is initiated by the student and is granted to eligible students at the discretion of the instructor. In order to be considered for an "I" grade, a student must have successfully completed (grades above passing) at least 70% of the coursework and be unable to finish the course for reasons beyond his or her control. In order to award an "I", the student and instructor must complete an "Incomplete Contract", which sets the conditions for the satisfactory completion of the coursework and deadline for completion.

The maximum time allowed for a student to complete the course is one calendar year after the end of the semester for which the incomplete grade was awarded. Instructors have the prerogative to require a shorter period of time to complete the remaining requirements. It is the responsibility of the student to satisfy the requirements stipulated by the instructor at the time the incomplete grade is assigned; it is the responsibility of the instructor to initiate action to have any new permanent grade entered as soon as possible after the student completes the course or, after one year, partially fulfills the remaining requirements.

"CBE-P" Credit by Exam — Pass — The grade "CBE-P" is given to indicate a student earned passing credit through extrastitutional learning (See Credit for Extrastitutional Learning/Advanced Standing). Hours earned with a "CBE-P" grade are earned hours, but are not included in GPA or attempted hours. CBE-P grades do not affect the GPA.

"DEV-[GRADE]" Developmental Course Grade — The grade of "DEV-[GRADE]" is given to indicate the grade received in a developmental course. Developmental courses begin with a 0 and do not count as college credit. The grade does not impact the GPA and does not count in earned hours. It does count as passed hours to demonstrate proficiency when the grade is "DEV-C" or above.

"P" Passing — The grade "P" is given to indicate passing in a course that has been approved for a pass/fail grading system at OSI-OKC. In computing grade point averages, both credit hours and quality points are ignored for courses with grades of "P." The hours are computed in the total hours earned.

"W" Drop or Withdrawal - This grade indicates that the student dropped the course. The grade "W" does not indicate drop passing or failing and is not used in the grade point calculation or hours earned. The "W" grade is not punitive.

"AW" Administrative Withdrawal — An "AW" may be assigned for lack of attendance at the discretion of the instructor or academic affairs. A grade of "AW" is not used in the grade point calculation or hours earned and is not punitive. The grade may be appealed through the grade appeal process.

"N" No Grade - An "N" indicates that at the time grades were due in the Office of the Registrar, a final grade was not reported by the student's instructor. An "N" is not a grade and will be changed to the grade earned within a reasonable time. It is not used in calculating grade-point averages.

"AU" Audit - An "AU" indicates that the student enrolled as an auditor in the course and the course was not taken for credit. An "AU" is not a grade and is not used in calculating grade-point averages.

**Grade-Point System**

The following grade-point system is used in calculating the grade-point average.

- Grade "A" or "AH" yields 4 grade points per semester credit hour.
- Grade "B" or "BH" yields 3 grade points per semester credit hour.
- Grade "C" yields 2 grade points per semester credit hour.
- Grade "D" yields 1 grade point per semester credit hour.
- Grade "F" yields 0 grade points per semester credit hour.

In calculating grade-point averages, the total number of grade points earned is divided by the total number of hours attempted. The grades of "L," "F," "DEV-P," "W," "AW" or the mark of "AU" or "N" will not affect the grade-point average.

**Overall Grade-Point Averages**

All courses in which a student has a recorded grade are included in the calculation, excluding any courses repeated (with an original grade of "D" or "F") or reprieved based on State Regents policy and excluding remedial courses and physical education activity courses. (See Academic Forgiveness).

**Grade Reports**

Reports of the final grades of all students are compiled shortly after the end of each semester and are made available to students via the MyOK-State Student Portal under Final Grades.

**Correcting Grades Reported in Error**

The only permitted reasons for changing a final grade are to correct a grade that was reported in error, to remove an incomplete grade, or to change a grade at the direction of the Grade Appeals Committee or Student Conduct Academic Dishonesty hearing panel. An instructor may not allow students to perform extra work after the end of the course in order to raise their grade. Grade change requests must be submitted in writing.
to the Office of the Registrar and must have the instructor’s, division head’s and the vice president of academic affairs’ approvals. A grade may not be lowered after the student has graduated unless the degree has been revoked.

**GRADE APPEALS**

If a student believes that his or her final grade has been erroneously assessed by the instructor, the student may file an appeal with the Academic Appeals Committee, after first visiting with the instructor and the appropriate department and division head. The deadline for submitting the completed form is four months after the date the grade was assigned, or six weeks after the student begins a new semester, whichever comes first. Grade Appeal Forms may be obtained from the Office of the Vice President for Academic Affairs or online at [http://www.osuokc.edu/academics/pdf/Grade_Appeal_Form.pdf](http://www.osuokc.edu/academics/pdf/Grade_Appeal_Form.pdf).

The Academic Appeals Committee will communicate its decision in writing to the student, the instructor and the division head of the area. Any grade change will be reflected on the student’s transcript. The original grade is removed from the transcript record and the new grade is recorded.

**HONOR ROLLS**

**President’s Honor Roll**

Undergraduate students with a semester (not cumulative) grade-point average of 4.00, excluding zero-level courses, are placed on the President’s Honor Roll. The grade of “E,” “S,” “W” or grades earned through correspondence may not be included in meeting the minimum enrollment required or grade-point average required for an honor roll.

**Vice President’s List**

Students who have completed their courses under the same requirements as outlined above, with a grade-point average of 3.00 or higher, excluding zero-level courses, and no grade below “C,” are placed on the Vice President’s List.

**VIOLATION OF ACADEMIC INTEGRITY**

Oklahoma State University-Oklahoma City is committed to maintaining the highest level of academic integrity and ethical behavior. It is necessary that all members of the University support and promulgate the values of honesty and responsibility appropriate for an academic community. Not only does such academic integrity and ethical behavior contribute to the status of the University, but it also represents an important component of the educational process. To assure a high level of integrity among students, behaviors that violate academic integrity (e.g., unauthorized collaboration, plagiarism, multiple submissions, helping another person cheat, unauthorized advance access to examinations, altering or destroying the work of others, and fraudulently altering academic records) will not be condoned or tolerated. Violations may subject the student to disciplinary action including the following: receiving a failing grade on an assignment, examination, or course; receiving a notation of a violation of academic integrity on the transcript; and suspension from the University. In the event an incident is not resolved at the time grade reports are due to the Registrar (e.g., an alleged violation is discovered during the final examination period), the instructor will assign an incomplete grade until the allegation is resolved. (See [https://osuokc.edu/studentconduct/code for full academic dishonesty policy and procedures](https://osuokc.edu/studentconduct/code)).

**ACADEMIC FORGIVENESS PROVISIONS**

The Oklahoma State Regents for Higher Education provide provisions allowing a student to recover from academic problems in ways that do not forever jeopardize his or her academic standing. The student’s academic transcript, however, should be a full and accurate reflection of the facts of the student academic career. Therefore, in situations which warrant academic forgiveness, the transcript will reflect all courses in which a student was enrolled and in which grades were earned in the cumulative grade point average, with the academic forgiveness provisions reflected on the transcript and in the graduation/retention grade point average. Academic forgiveness may be warranted for currently enrolled students in three specific circumstances:

1. **Repeated Courses.** A student shall have the prerogative to repeat a course and have only the second grade, even if it is lower than the first grade, included in the calculation of the retention/graduation grade-point averages up to a maximum of four courses but not to exceed 18 credit hours in which the original grade was a “D” or “E.” If a course is repeated more than once, all grades except the first repeated attempt are included in the grade-point averages. The original course and grade remain on the transcript identified with a designation of “Repeated (excluded from GPA).” All other repeated courses, those in excess of the 18-hour, four-course maximum and those with a grade of “C” or better in the original course, are included in the grade-point averages.

2. **Academic Reprieve.** A currently enrolled student may request an academic reprieve for all courses in one semester or two consecutive semesters if the following conditions are met: (a) at least three years must have elapsed between the period in which the grades being requested reprieved were earned and the reprieve request; (b) the student must have earned a GPA of 2.00 or higher with no grade lower than a “C” in all regularly graded course work (a minimum of 12 hours) excluding activity, performance and remedial courses since the semester requested to be reprieved; (c) the student has not previously been granted an academic reprieve for a semester; (d) there were extenuating circumstances which caused the student to perform poorly during the semester. The request for an academic reprieve must be submitted on the appropriate form to the Office of the Registrar for approval. The courses for a semester that is reprieved are excluded from the retention/graduation grade-point averages and identified with a designation of “Reprieved (excluded from GPA).” Students who have been granted academic renewal are not eligible for academic reprieve.

3. **Academic Renewal Policy.** A student may request an academic renewal for all courses if the following conditions are met: (a) at least five years must have elapsed between the last semester being renewed and the renewal request; (b) prior to requesting academic renewal, the student must have earned a GPA of 2.00 or higher with no grade lower than a “C” in all regularly graded course work (a minimum of 12 hours) excluding activity or performance courses; (c) the request will be for all courses completed before the date specified in the request for renewal; (d) the student has not been granted a reprieve after December 5, 2003; (e) neither the content nor credit hours of renewed course work may be used to fulfill any degree or graduation requirements. The request for an academic renewal must be submitted to the Office of the Registrar. A student may only be granted one academic reprieve OR one academic renewal during their entire academic career. Academic forgiveness may be requested by completing the Request for Academic Forgiveness form and submitting it to the Office of the Registrar.
HONORS PROGRAM

The Honors Program provides academically-committed students with the opportunities to study, conduct research and exchange ideas in classes designated for Honors Program students. Completion of the requirements for the Honors Program is noted on the student’s OSU-OKC academic transcript record. Students must be admitted to the Honors Program.

Honors Contract

An Honors Contract is required to achieve an “Honors” designation in any college-level course. The contract project should add an academic dimension to the course by introducing new material or by allowing the student to go into greater depth than normally required in some aspect of the course. The contract must be supervised by the faculty member and be approved by the Honors Program Committee. Contracts must be filed by the end of the fourth week of the current semester and the project completed by the fourteenth week.

Grading

The contract does not affect the student’s grade in the course. However, to receive honors credit for the course, the student must earn a grade of “A” or “B”. If the work specified in the Honors contract is not completed, the grade for the course will not be affected, but the “Honors” designation will not appear on the student’s transcript.

Graduate Honors Scholar Award

All OSU-OKC graduates with 15 hours of honors credit earned at OSU-OKC with an “A” or “B” will be eligible for official recognition as an “Honors” Graduate. Students will be recognized at commencement.

Outstanding Honors Contract

The Honors Committee will annually select one outstanding student who has agreed to an Honors Contract and grant the student a cash award. Eligible student are nominated by their sponsoring instructor and will present their work before the Honors Committee, as well as at an honors conference. The recipient must have earned six honors credits from OSU-OKC with a minimum grade of “B” in the course. No student may receive more than one cash award annually.

SERVICE LEARNING

Service Learning is a special form of community service designed to promote student learning and development. Optional service learning opportunities stimulate academic performance, increase students’ understanding of the responsibilities of living in a democratic society and encourage students to become involved in the social problems facing their communities. Whether students “learn to serve” or “serve to learn,” the service learning component is a valuable tool for academic growth and success. OSU-OKC graduates receive recognition for their service learning accomplishments at commencement. (See www.osuokc.edu/servicelearning).

GRADUATION

Graduation Requirements

The responsibility for satisfying all requirements for a degree rests with the student. Advisors, faculty members and administrators offer help to the student in meeting this responsibility. Each degree program requires specific minimum number of credit hours, in-residence hours, and specific course requirements. These requirements are listed on the specific degree program in the Catalog.

Deadline for Completion of Requirements

Degrees are conferred only on specific commencement dates. Students have four weeks after the official close of a semester to complete degree requirements in order to graduate for that semester. If a student completes requirements for a degree after the four-week deadline, the degree will be granted at the next scheduled commencement after the student files a graduation application. (See Graduation.) The student may request a certified statement of completion of graduation requirements from the Office of the Registrar.

Residence Credit Requirements

Students must earn at minimum number of credit hours in residence at OSU-OKC to receive a degree or certificate. See Residence Credit for specific degree program requirements.

Minimum Hours for Graduation

Each degree program requires a specific minimum number of semester credit hours for graduation, as indicated in the Catalog. No baccalaureate degree program shall require fewer than 120 semester credit hours for graduation and no associate degree program shall require fewer than 60 semester credit hours for graduation. By OSRHE policy, these hours are exclusive of physical education activity courses (leisure activity courses). No student shall be permitted to graduate having completed fewer total hours than the requirement specified for that degree. At least 40 hours of upper-division course work shall be required in every baccalaureate degree program. (By OSRHE policy, these 40 hours are exclusive of physical education activity courses.) A minimum of 30 hours for baccalaureate degree (of these 30, at least 15 must be upper division) and 15 hours for associate degrees is required. Hours earned in zero-level remedial courses may not count toward total hours.

Grade-Point Average for Graduation

A retention/graduation grade-point average of 2.00 or higher, in addition to the minimum grade point average as required by the department in the major program, is required for all courses in which a student has a recorded grade, excluding any courses repeated or reprieved and excluding remedial courses and physical education activity courses. (See Academic Forgiveness Provisions.)

Payment of Graduation Fees

Basic graduation cost is included in the records maintenance fee.

Application for Graduation

All degree candidates must submit an Application for Graduation to the Office of the Registrar via the MyOKState Student Portal — Self-Service. Application deadlines are posted on the Application for Graduation and the Graduation website. Students who have filed a graduation application but do not complete their requirements need to re-file for graduation for the appropriate future term with the Office of the Registrar. Re-filing allows you to change the expected graduation term on your graduation application.

Commencement Exercises

The University will hold Commencement exercises at the close of the spring semester. Students who plan to meet the graduation requirements at the close of the following summer session, or who met their graduation requirements at the end of the preceding fall session, are invited and encouraged to participate in the Commencement exercises at the close of the spring semester. The University encourages all candidates for degrees to be present at the Commencement exercises. Students must submit their graduation application by the deadline posted on the graduation website (www.osuokc.edu/graduation) for their name to appear in the commencement program. Students who will complete all degree requirements in the summer should file their graduation application for the summer term, but should file it by the graduation deadline if they want to appear in the commencement program.
RECOGNITION OF OSU-OKC HONOR GRADUATES

Any student who earns an associate or baccalaureate degree and has a grade point average of 4.0 over all courses attempted will be considered as honor graduates. Students will be awarded a white honor cord to wear during commencement exercises.

GRADUATION WITH DISTINCTION FOR OSU-OKC BACHELOR OF TECHNOLOGY GRADUATES

Students who earn an OSU-OKC Bachelor of Technology degree can also earn a level of distinction based upon the final retention/graduation grade-point average. The level of distinction added to the diploma and transcript is:

<table>
<thead>
<tr>
<th>Graduation/retention grade-point average</th>
<th>Distinction</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.90 to 4.00</td>
<td>Summa cum laude</td>
</tr>
<tr>
<td>3.80 to 3.89</td>
<td>Magna cum laude</td>
</tr>
<tr>
<td>3.70 to 3.79</td>
<td>Cum laude</td>
</tr>
</tbody>
</table>

CREDITS

SEMESTER CREDIT HOUR

A credit hour is calculated as follows:

a. Lecture: One semester-hour of credit is normally awarded for completion of a course meeting for 50 minutes per week for 16 weeks (800 minutes).

b. Laboratory: One semester-hour of credit is normally awarded for completion of a course meeting for 100 minutes per week for 16 weeks (1600 minutes).

c. Clinical/Practicum: One semester-hour of credit is normally awarded for completion of a course meeting for 150 minutes per week for 16 weeks (2400 minutes).

These calculations do not include preparation time. These same equivalencies apply to intersession courses, fast-track, 4-week, short courses and other learning formats for which academic credit is awarded.

Students are encouraged to maintain a ratio of class time to study time of at least two to three hours of study for every one hour of class credit. This ratio means that enrolling in 15-18 semester credit hours assumes a 30 to 36-hour-per-week study commitment, or a total of 45-54 hours each week devoted to your degree.

RESIDENCE CREDIT

Residence credit is awarded for work taken within the Oklahoma State University System or approved by faculty at a location officially designated as a residence center by the Oklahoma State University Board of Regents. A minimum of 15 semester credit hours must be taken in residence at OSU-OKC prior to receiving the associate degree and a minimum of 30 credit hours in residence for the bachelor’s degree. Reach Higher (A.S. Enterprise Development) residency requirements are determined by the Oklahoma State Regents for Higher Education and are listed on the degree program information sheet.

TRANSFER CREDIT EVALUATION

Transfer credit evaluation in the Office of the Registrar determines acceptable transfer credit on a course-by-course basis for college-level credit earned at institutions who are fully accredited by any of the six U.S. regional associations. The evaluation is based on course content, as described in the catalogs of those institutions and in consultation with appropriate academic divisions and departments at OSU-OKC and applied to the student’s chosen degree program.

Transcripts of record from institutions not accredited by a regional association may be accepted in transfer when the Office of the Registrar has had an opportunity to validate the courses or programs in coordination with the academic divisions or departments at OSU-OKC. All transferred courses are recorded on the student’s academic record. Credit is only evaluated from each original transcript from the college the student attended. Students are responsible for turning in transcripts from each previous college attended. No part of the previous collegiate record may be disregarded.

MILITARY CREDIT

Credit for military training will be determined from official documents or completion certificates in accordance with “The Guide for the Evaluation of Educational Experiences in the Armed Services”, published by the American Council on Education (ACE). Military credit posted to a previous college’s transcript may be reevaluated by OSU-OKC. The grade of CBE-P (Credit by Exam-Pass) is assigned to all credit awarded for military training.

Students who wish to establish credit for military training should submit any of the following for credit evaluation to the Veterans Services Center or the Office of the Registrar:

- a copy of their DD214, Armed Forces of the United States Report of Transfer or Discharge,
- their DD295, Application for the Evaluation of Educational Experiences During Military Service,
- Course Completion Certificates, which may be used to supplement other records or when service schools are not reflected on the DD214 or 295,
- an official JST (Joint Services Transcript).

CREDIT FOR EXTRANATIONAL LEARNING/ADVANCED STANDING

OSU-OKC recognizes learning acquired from work and life experiences, independent reading and study, the mass media and participation in formal courses sponsored by associations, business, government, industry, the military and unions. Types of extranational learning include:

- Advanced Placement (AP),
- American Council on Education (ACE),
- Non-collegiate learning experiences,
- Military learning experiences (Joint Service Transcript),
- Transfer of military credit awarded by another institution of higher education,
- College Level Examination Program (CLEP),
- Council for Adult and Experiential Learning (CAEL),
- Defense Activity for Non-Traditional Education Support (DANTES),
- OSU-OKC advanced standing examinations, and
- Other accreditation or licensure or certification.

Eligibility and General Requirements

The student must be enrolled for credit or eligible to re-enroll at OSU-OKC during the semester in which he or she applies for extranational learning credits. The course(s) must be part of an OSU-OKC degree program or taught at OSU-OKC. The national standardized subject examinations, if available, are the mandatory testing methodologies for extranational learning credit.

Application of Credit

The OSU-OKC division head, department head, or designee determines the application of the extranational learning credit towards the OSU-OKC degree. Extranational learning credit is not considered residence credit and thus will not satisfy the “Residence Requirement” for graduation purposes (See Residence Credit).
Assessment of Credit

Proficiency is expected to be comparable to that of a student who takes the subject in residence at OSU-OKC. To successfully complete a course by extraneous institution, a student must demonstrate proficiency through:
1. OSU-OKC departmental examination,
2. State or national examination,
3. Validation of experiential learning, or
4. Documentation of experiential learning.

Cost

The student is responsible for any costs associated with extraneous institutional learning credits. These fees must be paid prior to the evaluation or examination. The fees are not refundable-even if no credit is earned.

Re-testing

Should a student lack proficiency (i.e., fail an examination or lack validation of experiential learning), no grade will be recorded. A failed advanced standing exam or validation may not be repeated.

Posting

Extraneous institutional learning credit will be posted on a student’s permanent academic transcript only after the student is fully admitted for the upcoming term. If proficiency is demonstrated, the credit will be posted as a CBE-P (Credit by Exam — Pass) for pass. It will be posted to the student’s permanent transcript under the OSU-OKC course number and course title. Credit earned in this way will be designated as earned through extraneous institutional learning.

Transfer of Credits

Extraneous institutional learning credit, once posted to a student’s permanent record, is transferable on the same basis as if the credit had been earned through regular study at the awarding institution. The only exception is military credit (see Military Credit).

Foreign Language Credit for Native Speakers

A native speaker of a foreign language cannot enroll in or earn credit toward graduation in lower-division (1000- or 2000-level) courses in that language. A native speaker of a foreign language is defined as a person whose high-school level instruction was conducted principally in that language.

Credit by Exam

OSU-OKC accepts credit by examination through the following: Advanced Placement Program (AP), College Level Examination Program (CLEP), and OSU-OKC Advanced Standing Examinations. Students who earn scores appropriate for college credit will receive credit for the appropriate subject areas in accordance with the guidelines of the organization.
- AP scores of one or two are not acceptable for credit.
- CLEP examinations may be taken in the OSU-OKC testing center or official scores for exams taken at other testing facilities may be forwarded to OSU-OKC. Students who take the national CLEP subject examination in Freshman College Composition must take the COMPASS E-Write essay as part of the exam. Prospective students are advised that the numerical score on the national score report from CLEP does not reflect the final score for this examination and should not be used to determine whether credit will be awarded for this examination.

OSU-OKC Advanced Standing Examinations may be offered by academic departments on campus in subject areas not offered through the examination programs listed above. Any currently enrolled student who believes his or her life experiences or educational experience appear to have given the student proficiency in a subject that is offered at OSU-OKC, equivalent to the proficiency ordinarily expected of those students who take the subject in a regular class, may apply for an examination on the subject.

In addition to the regulations listed above, to qualify for an OSU-OKC Advanced Standing Examination the student must:
- be enrolled at OSU-OKC;
- not have taken an Advanced Standing exam in the subject/course within the preceding six months;
- receive the approval of the instructor and the head of the department in which the course is offered;
- present a valid student I.D. at the examination.

Information pertaining to OSU-OKC Advanced Standing Examinations may be obtained from the academic division responsible for offering the course.

American Council on Education (ACE)/Non-collegiate Learning Experiences

OSU-OKC awards credit as recommended by the American Council on Education (ACE) in the "National Guide to Educational Credit for Training Programs." Students may present certificates of completion or a transcript from the ACE Registry of Credit Recommendations to the Office of the Registrar for evaluation. OSU-OKC also awards credit based on the recommendation of the Board of Regents of the University of the State of New York in the "Director of the National Program on Non-collegiate Sponsored Instruction."

Other Accreditation, Licensure, or Certification

OSU-OKC may award credit for educational learning provided by certain businesses, industrial and governmental agencies. Credit is awarded on the basis of recommendation from the OSU-OKC division head or designee for certain accreditation, licensure or certifications. Students may present official certificate(s), license(s), or official documentation to the OSU-OKC division head to demonstrate knowledge in his or her subject area. Recommendations will be forwarded to the Registrar's office to file for advanced standing credit. A grade of “P” (pass) is assigned to all credit awarded in this manner. The division head or designee will determine how this credit applies to the degree program.

TWO-YEAR ASSOCIATE DEGREE GRADUATION PLAN

Students at Oklahoma State University- Oklahoma City may follow many diverse paths to complete an associate degree. One of the options students may elect is to complete their associate degree program requirements within two years of their initial fall enrollment. There are many reasons students may want to complete their degree in two years: some may want to enter the full-time work force as soon as possible, others are planning to continue their education and do not want to prolong their undergraduate study and most want to save money.

With the encouragement of the Oklahoma State Regents for Higher Education, OSU-Oklahoma City has developed a plan to assist students who have a desire to graduate in two years with an associate degree. Students who elect to participate in the OSU-Oklahoma City Two-Year Graduation Plan will work closely with their faculty advisor to make sure they know the requirements that must be met and the appropriate sequences in which to take the courses. OSU-Oklahoma City has a long history of helping students plan for, and enroll in, the courses they need to graduate in a timely manner; and students who elect to participate in the agreement below can be assured that they will be able to enroll in courses allowing them to graduate in two years with an associate degree.
Students that agree to participate in the Two-Year Graduation Plan are given assurance by OSU-Oklahoma City to be able to enroll in courses that permit graduation in two years. The institution will ensure that graduation in two years will not be delayed by the unavailability of courses. If a student graduates in two years with an associate degree, he or she will be recognized for doing so upon graduation.

Conditions the student must satisfy:
1. Enter the institution as a first-time student at the collegiate level (no remedial/review courses required).
2. Choose an associate degree program that qualifies for the Two-Year Plan. Most Associate in Science and Associate in Applied Science degrees qualify; check with an academic/faculty advisor to develop a personal two-year graduation plan.
3. Stay on track by completing a minimum of one-quarter of the work each semester or one-half of the work over an academic year, which includes summer.
4. Meet with the faculty advisor in a timely manner to discuss and enroll for the upcoming semester.
5. Enroll in available courses needed for the chosen degree program.
6. Accept responsibility for maintaining academic progress so that he or she may stay on track to complete the requirements in two years.
7. Change option only if it will allow completion of the chosen degree program in two years.
8. Remain in good standing with the institution academically and financially.
9. Accept responsibility for meeting all requirements to obtain needed financial assistance.
10. Notify in writing the division head prior to the beginning of classes (in the semester in which a course is needed) that graduation may be delayed due to the unavailability of a course.
11. Notify in writing the division head if/when the student chooses to withdraw from this agreement.

In the event that the institution does not meet the commitments made herein, and the student is unable to graduate due to the unavailability of a course (or courses), the division offering the degree program will choose one of the following:
1. Allow the student to graduate in two years by substituting a different course (or courses), as determined by the division offering the degree program and the student’s faculty advisor, for the unavailable course (or courses).
2. Allow the student to graduate in two years by substituting an individual study assignment, as determined by the division offering the degree program and the student’s faculty advisor, for the unavailable course (or courses).
3. Allow the student to graduate in two years by waiving the requirement to be met by the unavailable course (or courses), as determined by the division offering the degree program and the student’s faculty advisor, for the unavailable course (or courses).
4. Allow the unavailability of a course (or courses) to delay the student from graduating in two years, in which case, the institution will pay the tuition for the student to take the unavailable course(s) in a later semester.

These procedures shall constitute the exclusive remedy for the Two-Year Graduation Plan agreement. OSU-Oklahoma City is under no obligation to provide these adjustments unless the student submits a written request for accommodation to the division head of the division offering the degree program prior to the beginning of classes in the last semester of the student’s two-year plan.

To graduate with an associate degree in two years a student must complete 30 to 36 semester hours each year. Some students do this by taking 15 to 18 semester hours each semester; others will take fewer hours each semester but schedule summer classes to make up the difference. Sometimes a student will have to take a class at a time that may not be completely convenient, or may need to substitute an alternative class (must be approved by the institution) for one that is unavailable during a specific semester or at a specific time. Each semester a student’s advisor provides a “degree-check” listing the courses completed and requirements yet to be fulfilled. Students will also use the class schedule, departmental materials and other sources of information to develop and monitor each student’s plan for graduation.
O-Key and the Online Classroom

Your O-Key username and password are used to access the computer labs, printing access, and the my.okstate.edu portal providing access to technology, including the Student Information System (SIS), the Online Classroom, the OSU Wireless Network, and your OSU e-mail.

How do I activate my O-Key account?
- Visit my.okstate.edu.
- Click on Activate Your O-Key Account link under the login button.
- Upon completion of the activation wizard, it may take 24 hours or more before your new account is ready to use.

Questions about your O-Key account?
Contact the Technology Support Center at 405-945-6767 or email helpdesk@osuokc.edu.

Online Classroom
Canvas is where Online Learning starts at OSU-OKC. It is a secure site where you can access syllabi, course materials, discussion boards, course messages, tests and course calendars.

How do I access my courses in the Online Classroom?
On your browser, sign in to Canvas by navigating to my.okstate.edu, enter your O-Key username and password. Select the Canvas icon located in the middle of the screen under apps.

Download the “Canvas Student” mobile app for iOS and Android devices.
Learn more about Canvas by taking the Canvas Student Orientation Course in Canvas. It is super valuable!
If you need help with Canvas, please contact the Canvas Support Team. We can also help with apps included in Canvas, such as Turnitin, YuJa, TurningPoint and iClicker.

Questions about Online Classroom?
Contact the Canvas Support Team at 405-945-8309 or email okccanvas@okstate.edu

Emergency Alert Information
This is a reverse 9-1-1 system that will notify you in the event of an emergency here on the OSU-OKC campus.

To receive emergency messages from OSU-OKC, you must provide your voice and text telephone numbers. It’s as easy as logging into your O-Key account at http://my.okstate.edu.

Click on “Campus Alerts” on the left-hand navigation bar and use the drop-down menu to select Emergency Voice and/or Emergency Text. Enter your number, cell phone service provider and an email address. Update your contact information any time by logging into your O-Key account.

- Upon activation completion, your screen will display your “Personal Profile.”

Technology Support Center

- OSU-OKC’s “walk-up” and “live” help desk area for instant technical support
- Open 5 days a week
- Staffed with highly-trained support technicians who can help students, staff and faculty with:
  - O-Key
  - Online Classroom
  - Software downloads
  - Wireless Internet access
  - And many other technology-related issues!

Office Hours:
Monday - Friday 8 a.m. - 7 p.m.
Saturday & Sunday Closed

Location and Phone:
Learning Resource Center, 1st floor
405-945-6767
TECHNICAL EDUCATION GRADUATE PERFORMANCE GUARANTEE

If an Associate in Applied Science (A.A.S.) graduate is judged by the initial employer to be lacking in either academic or technical job skills identified by Oklahoma State University-Oklahoma City as exit competencies for the specific degree program, the graduate will be provided up to nine credit hours of additional education at and by OSU-Oklahoma City.

Special conditions that apply to the Guarantee are as follows:

• The graduate must have earned the A.A.S. degree from OSU-Oklahoma City beginning May 1996 or thereafter in a technical program identified in the current catalog.

• The graduate must have completed the A.A.S. degree at OSU-Oklahoma City with a majority of the credits being earned at OSU-Oklahoma City and must have completed the degree within a four-year time span.

• The graduate must be employed full-time in an area directly related to the program of concentration as certified by the OSU-Oklahoma City Office of Academic Affairs.

• Employment must commence within 12 months of graduation.

• The employer must identify deficiencies and certify in writing, within 90 days of the graduate’s initial employment, that the employee is lacking specific entry-level skills guaranteed by OSU-Oklahoma City as a part of the degree program.

• The employer, graduate, department head, academic affairs officer and the appropriate faculty will develop a written educational plan for the needed education.

• Education will be limited to nine credit hours related to the identified skill deficiency and to those classes regularly scheduled during the period covered by the educational plan.

• All education must be completed within three semesters from the time the educational plan is agreed upon.

• The graduate and/or employer are responsible for the cost of books, insurance, uniforms, fees, room and board, tools and other course-related expenses.

• The Guarantee does not imply that the graduate will pass any licensing or qualifying examination for a particular career.

• OSU-Oklahoma City’s sole responsibility for skill deficiencies shall be limited to nine credit hours of education under the conditions described above.

• The Guarantee process can be initiated by written notification from the employer to the vice president for Academic Affairs, OSU-Oklahoma City, 900 N. Portland Ave., Oklahoma City, OK 73107. For more information call (405) 945-3240.
OSU-OKC’s Center for Safety and Emergency Preparedness (CSEP) is a unique facility in the region. The Center focuses on partnering with private and public entities, and individuals that share an interest in furthering knowledge and expertise in the areas of defensive driving and safety.

The purpose of the Center is to provide quality training programs for Business and Industry and the general public. The Center’s mission includes assisting our Business and Industry clients to meet the following safety goals:

- To save lives and reduce the risk of life-altering injuries within the workplace.
- To protect the organization’s human and financial resources.
- To guard against potential company and personal liabilities associated with crashes involving employees driving on company business.

**ADVANCED DRIVER TRAINING COURSES:**

The Center specializes in unique driver training courses going beyond the classroom to include hands-on driving experience on the campus’ specially designed training track.

**General Public Courses**

- One-Day Precision Driving Course
- Defensive Driving for Teens & Young Adults (Ages 15½-21)
- Six-Hour Classroom Only Defensive Driving Course (DDC6) – Point Reduction
- Driver Education
- SkidCar Avoidance and Recovery
- Motorcycle Rider Training

**Corporate Courses**

- One-Day Advanced Precision Driving Course
- Six-Hour Classroom Only Defensive Driving Course (DDC6)
- 15-Passenger Van Training
- Truck and Trailer
- Class B CDL

**Public Safety Courses**

- Basic Law Enforcement Driver Training (BLEDT)
- Advanced Law Enforcement Driver Training (ALEDT)
- Fire/EMS Driver Training

**PRECISION DRIVING TRAINING**

This hands-on defensive driving course is built on five key elements — visual perception, concentration, knowledge, judgment and skills. Participants spend approximately two hours in the classroom and six hours on OSU-OKC’s secure driving range practicing those elements through hands-on training.

The Center’s facility has a secured ¾-mile highway response course, off-the-road recovery, a large skills pad, and a Skidpad that allows participants to experience different types of driving maneuvers that increases their abilities in real-life situations.

**SKIDCAR TRAINING**

The SkidCar System is an advanced driver training solution that teaches drivers to anticipate vehicle control problems before they occur. With the SkidCar drivers experience how a vehicle will react in situations that cause traction loss, including adverse weather, excessive speed, rapid braking or steering errors. SkidCar training teaches drivers to think, maintain control and avoid trouble ahead of time.

**LOAD SECUREMENT FOR COMMERCIAL VEHICLES (CMV)**

This course is designed to instruct drivers on how to properly secure various load types. The eight-hour course consists of both classroom and hands-on demonstrations and practice. This course will address each of the most common types of cargo and will be customized to meet the companies load securement issues.

Participants will apply the requirements in the North American Cargo Securement Standard, safely load and secure their load, and inspect a secured load for compliance under Federal Guidelines.

**TEEN DRIVING:**

**Driver’s Education**

This course is structured to provide students with information necessary to become licensed drivers in the state of Oklahoma, shape attitudes that will be taken with them when getting behind the wheel of an automobile, and form an understanding of the skills necessary to operate a motor vehicle safely. Students will attend 10 hours of classroom and receive six hours of one-on-one driving instruction.

**Alive@25**

This course is a highly effective eight-hour course that addresses the issues that plague teen drivers. This course is designed for drivers ages 15½-18 that have an active learner’s permit or driver’s license. Defensive driving practices include accident avoidance, a distraction course, off-the-road recovery, controlled braking and skid avoidance.

**MOTORCYCLE RIDER TRAINING:**

Increase confidence, improve motorcycle skills and learn how to have more fun by riding motorcycles safely. The following courses upon successful completion meet state requirements for the “M” endorsement:

- Basic Rider Course (BRC) teaches the fundamental skills for safe riding. Motorcycles provided.
- Basic Rider Course 2 (BRC2) is for the motorcycle enthusiasts looking to hone their skills. Participants must provide their own bike and insurance verification, and have at least six months street riding experience.
- Three-Wheel Basic Rider Course (3WBR) is for new riders, experienced riders transitioning into the world of three-wheel motorcycles, or riders with some experience riding three-wheel motorcycles. Participants must furnish their own bike and insurance verification.

Upon successful completion of these courses, the state-written and road exam at the Department of Public Safety will be waived.

Ready to Ride (R2R) is a more advanced course designed for the rider who wants to strengthen critical road skills. This course is offered for both Two-Wheel and Three-Wheel motorcycles. Participants must provide their own bike.
SAFETY AND EMERGENCY PREPAREDNESS COURSES:

• American Heart Saver CPR BLS for Healthcare Providers

• Emergency Medical Service (EMS) Refresher Course

AMERICAN HEART SAVER CPR BLS FOR HEALTHCARE PROVIDERS

This four-hour course is designed for healthcare professionals. The course covers adult, child and infant one-rescuer CPR AED as well as a new focused emphasis on teamwork with the adult, child, and infant two-person rescue. Topics also include Rescue Breathing and Foreign Body Airway Obstruction.

EMERGENCY MEDICAL SERVICE (EMS) REFRESHER COURSE

The EMS Refresher Course is designed to provide current information helpful in providing quality patient care in the emergency medical service setting. The content of the course is based upon the National Continued Competency Program (NCCP) from the National Registry of Emergency Medical Technicians (NREMT).

Completion of this program will satisfy all training required for recertification by the National Registry of Emergency Medical Technicians of the following certifications:

• Emergency Medical Responder (16 hours)
• Emergency Medical Technician (40 hours)
• Advanced Emergency Medical Technician (50 hours)
• EMT-Intermediate (Oklahoma only) (36 hours refresher and 24 hours CEUs ONLY)
• Paramedic (60 hours)

Course content has also been structured to satisfy all formal State of Oklahoma core curriculum, transition courses, and continuing education requirements. Registrants may choose to complete all or part of the program.

Training and Development Center
Non-Credit Courses, Seminars and Training

Non-credit classes can enhance workplace skills, career growth and personal development.

OSU-OKC Training and Development Center serves as a resource for business and industry clients within the OKC Metro. Our mission is to deliver targeted programs consisting of seminars, consulting services, conferences and workshops that respond to the workforce needs of the public and private sector. OSU-OKC Training and Development Center has a host of partners from academia and industry who serve as trainers and consultants for specific business and industry training needs.

OSU-OKC Training and Development Center strives to be the resource of choice for improving job skills, professional and technical competence, business and industry contract training and community service seminars, based on a reputation for credibility, quality and responsiveness. Training can be conducted on the OSU-OKC campus or onsite at your organization. For more information, please call (405) 945-3383 or email okc.tdc@osuokc.edu. For a list of current classes, visit http://www.osuokc.edu/tdc.

DEGREES AND CERTIFICATES

Bachelor of Technology
The bachelor of technology degree is a 120-credit hour technology-intensive application-focused baccalaureate degree. OSU-Oklahoma City offers one bachelor of technology degree.

- Public Safety Management

Associate in Applied Science
The associate in applied science degree signifies completion of at least 60 semester credit hours of collegiate course work (excluding any physical education courses), which will place the graduate on a career path.

- Accounting
- Applied Technology
- Architectural Technology — CAD-Architecture
- Cardiovascular Sonography
- Computer Information Systems
- Construction Technology — Construction Management
- Construction Techniques
- Crime Victim/Survivor Services
- Early Care Education — Administration
- Early Care Education — Master Teacher
- Fire Protection
- General Engineering Technology
- Horticulture Technology — Landscape Contracting, Design & Management
- Horticulture Technology — Nursery and Greenhouse Production
- Horticulture Technology — Sustainable Crops Production
- Horticulture Technology — Turfgrass Management
- Information Technology
- Management — General Business
- Nurse Science — LPN/Paramedic to RN
- Paramedicine
- Police Science — Crime Scene Investigation
- Power Transmission and Distribution Technology
- Radiologic Technology
- Sign Language Interpretation
- Surveying Technology
- Technical Spanish/Translation and Interpretation — Health Care
- Technical Spanish/Translation and Interpretation — Legal
- Veterinary Technology

Certificate Programs
Certificate programs are postsecondary credentials comprised of a course of study designed to provide specific skills and knowledge that can be easily transferred to the workforce. *Certificate embedded within degree program. See Degree and Certificate sheets for additional information.

- Computer Support Technician
- Crime Victim/Survivor Services Certificate*
- Early Care Education Administration — Child Care*
- Early Care Education — Child Development*
- Early Care Education — Infant/Toddler
- Emergency Medical Technician Certificate*
- Firefighter*
- Horticulture
- Non-Profit Management
- Police Science - Crime Scene Investigation*
- Power Transmission and Distribution Technology*
- Programming
- Public Service*
- Retail Floral Design
- Surveying Core Technical*
Cooperative, Articulation, Higher Education and 2+2 Agreements
In an effort to reduce the time it takes a student to complete a degree, OSU-Oklahoma City has partnered with various Oklahoma technology centers to allow students to earn college credit while attending qualifying technology center programs. Please see your counselor or academic advisor for details.

In addition, OSU-Oklahoma City fully supports the Oklahoma State Regents for Higher Education Articulation Agreements and other initiatives designed to facilitate transfer among Oklahoma institutions of higher education. Please see your counselor or academic advisor for details.

Finish Orange
Finish Orange offers students greater opportunities to create their own path within the OSU family. We have several programs that can seamlessly transfer to OSU-Stillwater and OSU-Tulsa allowing students to turn their associate’s degrees into a bachelor’s degree.

Finish Orange also allows for a reverse transfer, meaning students who have earned credit at the Stillwater or Tulsa campuses can transfer those credit hours to OSU-Oklahoma City.

2+2 Agreements
A 2+2 agreement allows an associate degree to be applied directly to the first two years of a bachelor’s degree program. For more information and for our current agreements with other colleges and universities, please visit https://osuokc.edu/academics/articulation.

Career Technology Partnerships
Under the leadership and guidance of the Oklahoma State Regents for Higher Education, OSU-Oklahoma City has partnered with various Oklahoma career technology centers to forge a partnership that allows high school and adult students in various programs the opportunity to earn college credit through Prior Learning Assessment.

The partnership has multiple goals: (1) get more high school students into college, (2) get more adults to continue their education or begin college, (3) expand access to postsecondary education, and (4) efficiently use federal, state and local resources. The driving principle is to be student-centered, not institution-centered.

For more information, call:
Office of AVPAA
(405) 945-3376
tracy.edwards@okstate.edu

General Education
The general education courses necessary to complete a degree program at OSU-Oklahoma City are the primary responsibility of the Division of Liberal Arts and Science, Technology, Engineering and Mathematics. The academic discipline areas include:
• English and Language Arts
• Humanities
• Mathematics
• Science
• Social Sciences

For more information, call:
Division of Liberal Arts
(405) 945-8688

Computer Industry Certifications
OSU-Oklahoma City offers courses preparing the student for a number of computer industry certifications:
• Comptia A+
• Comptia Linux+
• Comptia Network+
• Microsoft Certified Technology Specialist
• Microsoft Certified IT Professional

For more information, call:
Information Systems and Technologies
(405) 945-3222

Distance Learning
Distance learning courses at OSU-OKC provide students with additional scheduling options to achieve their learning goals and are offered in three formats: online, hybrid and blended.
• Online (WEB): Courses in which 100% of instruction occurs online.
• Hybrid (HY): Courses in which at least 75% of instruction time occurs online, with remaining instruction occurring face-to-face.
• Blended (BL): Courses in which 25% to 74% of instruction time occurs online, with remaining instruction occurring face-to-face.

These courses give students the flexibility to learn when and where it is most convenient for them. OSU-OKC’s distance learning courses are designed to build interactive learning communities which support student learning.

Online courses are not self-paced, assignments and tests have instructor-set deadlines. Successful online students are self-motivated and independent people who can manage their time and can take responsibility for their learning.

For more information on distance learning, including online courses, contact the Center for Teaching and Learning Excellence at (405) 945-9189.

For additional course availability and program information:
Contact the Enrollment Management Office or visit the OSU-Oklahoma City website (www.osuokc.edu). For specific information regarding the Internet-based delivery systems or operational specifications contact the Center for Teaching and Learning Excellence at (405) 945-9189.

### Total to Graduate

27 Credit Hours

---

*The courses in this certificate program are embedded within the Surveying Technology A.A.S. degree*

This program has not been approved by the Dept. of Education to be eligible for federal student aid

**ADDITIONAL GRADUATION REQUIREMENTS:**

- 2.0 Graduation/Retention GPA
- 7 credit hours earned in residence at OSU-OKC
- Students must complete the prerequisite course with a grade of 'C' or better to advance to the next course in the required sequence

**NOTES LEGEND:**

- FA= Fall, SP=Spring, SU=Summer
- [R] Reading Proficiency/Placement
- [W] Writing Proficiency/Placement
- [M] Math Proficiency/Placement
EXPLANATION OF COURSE DEScriptions

Course Number. All courses are identified by numbers composed of four digits. The first digit indicates the class year in which the subject is ordinarily taken, although enrollment is not exclusive as to student classification, the second and third digits identify the course within the field and the last digit identifies the number of semester credit hours the course carries. A course number beginning with 0 indicates that the course does not carry University credit. A course number ending in 0 indicates that the course carries variable credit.

Course Title. The title of the course is printed in bold face letters. Courses used to fulfill general education requirements are identified by code letters, which appear following the course titles listed in the back of the catalog. The code letters designate the general education category for which the courses may be used:

- A — Analytical and Quantitative Thought
- H — Humanities
- I — International Dimension
- L — Scientific Investigation
- N — Natural Sciences
- S — Social and Behavioral Sciences

Academic Performance Codes
One or more of the following codes may appear at the end of certain course descriptions. These codes indicate the entry-level skills generally required for student success in that course.

Mathematics [M]
Students should be able to exhibit competency in mathematics at the college level, which includes performing arithmetic operations with real and imaginary equations, finding solutions to first-degree equations and inequalities, solving word problems using algebra, factoring and simplifying polynomials, using rules of exponents, solving quadratic equations, graphing linear equations and inequalities, and graphing parabolas. Students who possess these mathematics skills score 19 or above on the ACT mathematics test or score above the established placement score on an institutionally sanctioned exam.

Reading and Reasoning [R]
Students should demonstrate the ability to read at the college level, which includes expanding vocabulary, identifying main points, recognizing patterns of development, drawing inferences and using critical thinking strategies for problem solving. Students who possess these skills score 19 or above on the ACT reading test or achieve a score above the established placement score on another institutionally sanctioned exam.

Writing [W]
Students should demonstrate the ability to write at the college level, which includes the ability to organize evidence to logically support their opinions using the formal outline, develop main ideas into unified, coherent, well-rounded paragraphs using the example method of expository organization, and write sentences, paragraphs, and essays clearly and correctly, demonstrating reasonable mastery of conventional standards of grammar, punctuation, spelling and usage. Students who possess these analytical writing skills score 19 or above on the ACT reading test or score above the established placement score on an institutionally sanctioned exam.

Science [Sci]
Students should be able to exhibit competency in science at the college level which includes having met all high school curricular and performance requirements in the sciences or SCI 0124 unless otherwise stated. Students who possess these scientific skills score 19 or above on the ACT Science portion or score above the appropriate placement score on an institutionally sanctioned exam.

Variable Credit Courses. Some special projects and/or internship courses may vary in terms of the number of credit hours. The last number in the course number indicates the number of credits in that course.

Description of Course Content. The content of the course and its major emphases are described. Courses which are taught under another name and number are indicated by the statement “Same course as 0000.” Credit may not be earned in both courses so cross-referenced.

Laboratory Hours. If a course contains a laboratory, the number of lab hours per week is stated.

Prerequisite(s). Prerequisites in the course being described are listed last and in increasing numerical order. If a course has a required prerequisite, students must successfully complete the prerequisite course with a “C” or better to advance to the next course in the required sequence.

Co-requisite(s). Co-requisites are the course(s) that a student is required to take simultaneously with the course being described. Students who withdraw from a course listed as a co-requisite may be required to withdraw from both courses.
## ABBREVIATIONS USED

Course prefixes with double asterisks (**) are pending approval.

ACCOUNTING

ACCT 1003 BASIC ACCOUNTING
A study of basic accounting procedures, emphasizing a practical approach. Prerequisite: [R] [W]

ACCT 2033 PAYROLL ACCOUNTING
Basic procedures of a payroll accounting system. The study of manual systems, the various laws regulating payroll data and the preparation of the payroll tax returns. Prerequisites: ACCT 1003 or ACCT 2103. (Spring only)

ACCT 2043 COMPUTERIZED ACCOUNTING
Independent study, analysis, design and construction of solutions to case studies in accounting automation. Prerequisite: ACCT 1003 or 2103

ACCT 2103 FINANCIAL ACCOUNTING
Covers the accounting process and principles of accrual accounting. The study of financial statements and the information required for their preparation. Prerequisites: (R) (W) and KSU 0104 OR ACCT 1003

ACCT 2203 MANAGERIAL ACCOUNTING
Managerial accounting concepts and objectives, planning and control of sales and cost, analysis, variance analysis, capital budgeting and the measurement of divisional performance. Prerequisite: ACCT 2103

ACCT 2423 FUNDAMENTALS OF INCOME TAX
Study of the present provisions of individual income tax laws and preparation of tax returns. Prerequisite: ACCT 2103. (Fall only)

ACCT 2433 VOLUNTARY INCOME TAX ASSISTANCE (VITA) CENTER – INTERNSHIP
Application of tax law and research to clients' tax returns in a VITA Center; preparation and review of tax returns. Instructor Approval Required

ACCT 2443 INTERMEDIATE ACCOUNTING I
Valuation and other theoretical problems in accounting for cash, temporary investments, receivables, inventories, long-term investments, plant and equipment, and intangible assets. Issues related to income determination including revenue recognition. Prerequisite: ACCT 2103. (Fall only)

ACCT 2543 INTERMEDIATE ACCOUNTING II
A continuation of ACCT 2443. A comprehensive study of fixed assets, stockholder's equity, dilutive securities, investments, pensions, leases, error analysis, preparation and analysis of financial statements. Prerequisite: ACCT 2443. (Spring only)

ADDITIONS COUNSELING

AC 1103 INTRO TO ADDICTION PROBLEMS
Surveys addictions and substance abuse in American society, outlining the major determinants of addiction, as well as the psychopharmacological, psychological and sociological aspects of addiction.

AC 1113 FOUNDATIONS OF ADDICTION COUNSELING
Examination of the major causative theories and treatment of addiction and substance abuse. Pre/ Corequisite: AC 1103 and PSYC 1113

AC 1320 (1-4) CURRENT ISSUES IN ADDICTION COUNSELING
Technical problems of particular interest to addiction counseling majors and practicing addictions counselors. Variable credit. Can be repeated up to six credit hours. Prerequisite: Department Head Approval

AC 2213 INTRODUCTION TO GROUP DYNAMICS
Surveys the major theories and research dealing with group processes. Prerequisite: AC 1113

AC 2243 PRACTICUM IN DRUG AND ALCOHOL COUNSELING I
150 clock hours of field experience, which allows the application of knowledge and skills learned in coursework. Prerequisites: Sophomore Standing and Department Head Approval

AC 2253 PRACTICUM IN DRUG AND ALCOHOL COUNSELING II
Field experience, which allows the application of knowledge and skills learned in coursework. Prerequisites: AC 2243 and Department Head Approval

AC 2333 ADDICTION IN THE FAMILY
Develops the student’s understanding of the family as a basic social unit. Examines the influence of alcohol and other drugs in the family system and explores various behaviors exhibited by a chemically dependent family. Issues relating to family intervention, treatment modalities and continuing recovery will be explored. Prerequisites: AC 1113 and AC 2213

ARCHITECTURE

ARCH 1103 GRAPHIC COMMUNICATIONS
Construction drawing interpretation. Topics: organization and relationship of drawings and specs; symbols, dimensions, scales and notes

ARCH 1223 CONSTRUCTION DRAWING I
Provides students with the functional knowledge and skills necessary to create a set of working drawings for residential construction. Includes a detailed study of architecture as a profession, drafting equipment and architecture nomenclature, light construction drawings, techniques of architectural drawings, methods of representing floor plan, elevations, plot plans, slab construction, roof plans, door and window schedules, and construction sections and details. Students learn to read and interpret light construction drawings and will be required to complete a set of residential drawings.

*ARCH 1614 COMPUTER-AIDED DRAFTING I
Introduction to computer-aided drafting (CAD) principles, using a “menu-driven” system to generate graphic output for engineering drafting applications. Problem solving skills in applied technical fields will be developed. Prerequisite: [M]

ARCH 2003 ARCHITECTURE AND SOCIETY
This is the first course in the architectural history sequence. It functions, therefore, as an introduction to both the historical framework of western architecture and the profession. The course also fulfills humanities and international dimension requirements for the University at large. Consequently, a large number of students enrolled in the course are not architecture majors. In addition, in fulfilling this role, the content of the course specifically includes modern architectural examples as comparisons to the historical framework

ARCH 2013 CONSTRUCTION DRAWING II
Fundamentals of commercial construction drawings, preparation and interpretation of working drawings. Topics include architectural, civil and structural drawings. Lab: six hours per week. Prerequisite: ARCH 1223

ARCH 2252 COMPUTER APPLICATIONS IN ARCHITECTURE-PHOTOSHOP
This is an introductory course on computer applications in architecture. Understanding the digital tools and becoming familiar with the digital design process is a vital part of the course. The course will consist of a weekly lecture, tutorial and workshop. Students are required to participate in all portions of the class including the workshop.

ANTHROPOLOGY

ANTH 2113 INTRODUCTORY ANTHROPOLOGY
General anthropology: survey of anthropology, emphasizing physical and cultural anthropology and archeology. Students examine clues as to how humanity evolved and how knowledge of the past helps in understanding humanity today. Prerequisites: [R] [W]

ANTH 2500 (1-6) ANTHROPOLOGY SPECIAL TOPICS
Variable credit course of one to six hours. Maximum six credits. Examines contemporary issues and problems within anthropology. Prerequisites: [R] [W]

ANTH 3253 LANGUAGE AND CULTURE (H)
This course is a cross-cultural survey of human behavior designed to introduce students to anthropological approaches to culture, linguistics, social research, and social theory. Student will examine the intersections of culture and gender, age, ethnicity and social stratification. Students will apply ethnographic field methods while executing research project in the community. Prerequisite: Sophomore Standing.

ARTS

ARTS 1013 INTRODUCTION TO ART HISTORY
Study of major movements and artists from prehistoric times to the present. Prerequisite: [R] [W] ARTS 1000

ARTS 1023 INTRODUCTION TO ART HISTORY II
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 1013

ARTS 2023 ART HISTORY INTERNSHIP
Field experience, which allows the application of knowledge and skills learned in coursework. Prerequisites: Sophomore Standing and Department Head Approval

ARTS 2113 INTRODUCTION TO PHOTOGRAPHY I
150 clock hours of field experience, which allows the application of knowledge and skills learned in coursework. Prerequisites: Sophomore Standing and Department Head Approval

ARTS 2123 INTRODUCTION TO PHOTOGRAPHY II
Field experience, which allows the application of knowledge and skills learned in coursework. Prerequisites: ART 2113 and ART 2213

ARTS 2213 INTRODUCTION TO ART HISTORY III
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 2113

ARTS 2223 INTRODUCTION TO ART HISTORY IV
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 2213

ARTS 2313 INTRODUCTION TO ART HISTORY V
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 2223

ARTS 2323 INTRODUCTION TO ART HISTORY VI
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 2313

ARTS 2333 INTRODUCTION TO ART HISTORY VII
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 2323

ARTS 2343 INTRODUCTION TO ART HISTORY VIII
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 2333

ARTS 3013 INTRODUCTION TO ART HISTORY IX
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 2343

ARTS 3113 INTRODUCTION TO ART HISTORY X
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 3013

ARTS 3123 INTRODUCTION TO ART HISTORY XI
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 3113

ARTS 3213 INTRODUCTION TO ART HISTORY XII
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 3123

ARTS 3313 INTRODUCTION TO ART HISTORY XIII
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 3213

ARTS 3413 INTRODUCTION TO ART HISTORY XIV
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 3313

ARTS 3513 INTRODUCTION TO ART HISTORY XV
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 3413

ARTS 3613 INTRODUCTION TO ART HISTORY XVI
Study of selected movements and periods from the Renaissance to the present. Prerequisite: ART 3513
ARCH 2203 SYSTEMS AND MATERIAL
Architectural, structural, environmental control systems and materials in architecture.

ARCH 2273 COMPUTER-AIDED DRAFTING II
A continuation of ARCH 1614 with emphasis on expanding skills gained to produce more complex 2D architectural layouts and drawings, using AutoCAD. Prerequisite: ARCH 1614

ARCH 2322 CONSTRUCTION SPECIFICATIONS
Construction specifications and their significance as part of the contract documents. Specification language and style follows construction specification institute format.

ARCH 2363 ARCHITECTURAL PRACTICES AND PROCEDURES
This course introduces students to the practice and procedures of architecture. It will cover the AIA documents used in the design and construction of buildings; as well as the roles the architectural technician may play in the process. Prerequisites: ARCH 1103

ARCH 2403 3D MODELING-INTRO TO SKETCHUP
Advanced CAD (computer aided drafting) system operation applications with emphasis on wireframe and solid 3D CAD system models.

ARCH 2650 (1-4) TECHNICAL PROJECTS - ARCHITECTURAL TECHNOLOGY
One to four, maximum four credits. Special project will be assigned by the advisor with the approval of the department head. A comprehensive written report of the work accomplished must be prepared and approved. Before credit is received an examination may also be required. Prerequisite: Department Head Approval.

ARCH 2713 ADVANCED CAD RIVET I
A continuation of ARCH 2723 with emphasis on expanding skills gained to produce 2D and 3D architectural layouts and drawings of residential and commercial buildings, using cutting edge 3D architecture software. Prerequisite: ARCH 1103 OR CONS 1103

ARCH 2723 ADVANCED CAD APPLICATIONS II – RIVET II
A continuation of ARCH 2713 with emphasis on expanding skills gained to produce 2D and 3D architectural layouts and drawings of residential and commercial buildings including mechanical, electrical, plumbing, and structural, using cutting edge 3D architecture software. Prerequisite: ARCH 2713.

ART 1103 DRAWING I
A drawing experience designed to build basic skills and awareness of visual relationships. A sequence of problems dealing with composition, shape, volume, value, line, gesture, and perspective. A variety of media explored, including computer illustration.

ART 1203 DESIGN I
An introduction to visual problem solving. Organization of the two-dimensional plane using the elements and principles of design: line, shape, value, texture, and color. Use of black and white and color media. Prerequisite: [R]

ART 1503 COLOR ILLUSTRATION
Fundamentals of illustration using color media. Emphasis is given to perspective and light and shadow to depict objects. Color media include watercolor, pencils, ink, airbrush materials, pastels, collage and crayon. Prerequisite: ART 1103.

ART 1803 INTRODUCTION TO ART (H)
An introduction to the analysis and interpretation of visual arts. Visual, emotional and intellectual aspects of art in painting, sculpture, printmaking and architecture.

ART 2050 (1-6) TECHNICAL PROBLEMS
One to six, maximum six credits. Special topics in photography. Prerequisite: Will change according to subject matter. Lab hours may apply.

ART 2232 INTRODUCTION TO PHOTOGRAPHY
A course in the theory of black and white photography with practical experience in the use of the camera, its variables (shutter, aperture, film), darkroom techniques and the theory of design as it applies to photography. This includes an extended lab for practical application of the camera and darkroom techniques. A fully adjustable 35mm camera is required.

ASTRONOMY

ASTR 1104 ELEMENTARY ASTRONOMY (N)
Structure of the universe, including our solar system of sun, earth, planets and moons, and lesser bodies and star characteristics. Prerequisites: [R][M] [SCI]

BUSINESS

BUS 1013 BUSINESS ETHICS
A study of contemporary and classical views relating to moral judgments and conduct within the business environments. Prerequisite: [R][W]

BUS 1320 (1-4) TECHNICAL PROBLEMS-BUSINESS
One to four, maximum six credits. Technical problems in business that are of particular interest to technicians. Prerequisite: Instructor Approval.

BUS 1333 PERSONAL FINANCE
How to develop and implement long-range plans to achieve financial objectives, including the basics of financial planning, money management, management of expenditures, income and asset protection and the fundamental concepts of investments. Prerequisites: [R] and ICSM 0104

BUS 1523 INTRODUCTION TO BUSINESS
Surveys the basic business functions, principles and practices in the administration of business organizations. Examines business in society and the interactions of business with the competitive, economic, political/legal, social/cultural and technological environments. Prerequisite: [R]

BIO 1012 BIOLOGICAL AND MEDICAL TERMINOLOGY
Introduction to the use of Latin and Greek common roots, stems and combining forms in structuring biological and medical terminology. Prerequisites: [R][SCI].

BIO 1212 HUMAN ANATOMY LAB (L)
Laboratory supplementing BIOL 1515. Includes dissection and study of the human cadaver. Enrollment requires credit or concurrent enrollment in BIOL 1515. This course will provide laboratory credit for students in an approved LPN or paramedic program. Prerequisites: [R][SCI], ICSM 0104 and completed or concurrent enrollment in BIOL 1515.

BIO 1303 PRINCIPLES OF BIOLOGY (N)
Unifying principles of cellular, organismal, population and ecosystem biology. Genetics, evolution, classification, development, energy transformation, integration and control in biological systems. The nature of biological investigation will receive attention. This course plus BIOL 1311 meets the general education criteria for a laboratory science. Prerequisites: [R][SCI] and ICSM 0123.

BIO 1311 PRINCIPLES OF BIOLOGY LABORATORY (L)
Laboratory supplementing BIOL 1303. Corequisites: BIOL 1303. Prerequisites: [R][SCI] and ICSM 0123.

BIO 1404 PLANT BIOLOGY (L, N)
Survey of the plant phyla, structure and function of plant organs, water relations, translocation, reproduction, growth and development. Emphasis on the importance of plants to humans. Prerequisites: [R][SCI] and ICSM 0123.

BIO 1515 HUMAN ANATOMY AND PHYSIOLOGY (N)
Structure and function of the human body. Emphasis is on the study of functions in the body and a basic knowledge of gross anatomy. This course does not fulfill the anatomy and physiology requirements for the nursing program. Prerequisites: [R][SCI] and ICSM 0123.

BIO 1504 ANIMAL BIOLOGY (L, N)
Survey of the principal phyla of the animal kingdom with emphasis on basic zoological principles. Prerequisites: [R][SCI] and ICSM 0123.

BIOL 2214 HUMAN ANATOMY (L, N)
Morphology of the human body and its systems. Laboratory includes dissection and study of the human cadaver. Prerequisites: [R][SCI] and ICSM 0123. BIOL1012 is suggested but not required.
BUS 2013 INTRODUCTION TO IRS FORM 990
Focuses on the requirements for development and submission of the IRS form 990 and the various schedules and attachments required by the U.S. Federal Government for non-profit organizations. This includes requirements for board disclosure and policies. Prerequisites: [R] [W] (Spring Only)

BUS 2023 BUSINESS STATISTICS
Explores descriptive measures, elementary probability, sampling, estimation and testing, regression and correlation and analysis of variance. Prerequisites: Any college level Math.

BUS 2033 BUSINESS ETHICS
A study of contemporary and classical views relating to moral judgements and conduct within the business environments. Prerequisite: Instructor Approval

BUS 2040 (1-6) ADVANCED TECHNICAL PROBLEMS - BUSINESS
One to six, maximum six credits. A study of applied problems that are of particular interest to the business environment. Prerequisite: Instructor Approval

BUS 2052 BUSINESS CAPSTONE
This course is a capstone course for business students. The course provides students the opportunity to apply the knowledge acquired in their business degree program to advanced real-world situations through the development of an approved project. Prerequisites: ACCT 2103 and MKT 2273.

BUS 2113 BUSINESS COMMUNICATIONS
Includes effective communication strategy; effective report presentation (both written and oral), effective summarizing skills and analytical reasoning skills. Focuses on the dynamics, qualities, functions and methods of administrative communication; problems and practices of preparing effective material. Prerequisites: [R] [W]

BUS 2333 BUSINESS LAW
An introduction to the principles of law in relation to business. Topics include law of contracts, law of agency, law of property and sales and negotiable instruments. Special attention is given to practical business problems and their legal implications. Prerequisites: [R] [W]

BUS 2613 BUSINESS PLAN DEVELOPMENT
Supervised course experience that is project-driven. Student will work as an individual or with a team to develop a business plan that addresses the entire business concept including implementation. This course exposes the student to real-world experiences and enhances his/her entrepreneurial skills. Advisor Approval Required

BUS 2750 (1-6) INTERNSHIP
Supervised work experience that permits students to apply classroom knowledge. Work assignments must be meaningful and must be approved by department head prior to commencing internship. Supervisor will be required to submit a final evaluation report upon completion of internship. Before credit is given, a comprehensive written report of the work accomplished must be prepared by the student and approved by the department head. Prerequisites: Sophomore Standing and Department Head Approval

CHEMISTRY

CHEM 1104 BASIC CHEMISTRY (L, N)
A one-semester course in preparation for the general chemistry sequence or for students with degree plan that has a one-semester chemistry requirement. This course includes fundamental knowledge of inorganic chemistry; with laboratory. Prerequisites: [R] [SCI] and MATH 0123.

CHEM 1154 GENERAL, ORGANIC AND BIOCHEMISTRY
Chemistry course recommended for allied-health and veterinary technology majors. This course includes unit conversions, nomenclature, chemical bonding, stoichiometry, solutions, gas laws, acids and bases, organic chemistry, and introductory biochemistry. This course includes a laboratory. Prerequisites: [R] [M].

CHEM 1214 CHEMISTRY I (L, N)
A course recommended for students in applied sciences, including paramedical sciences. This course includes nomenclature; stoichiometry; atomic structure; chemical bonding; solutions; gas laws and thermodynamics with laboratory. Prerequisites: [R] [M] [SCI].

CHEM 1315 GENERAL CHEMISTRY I (L, N)
An algebra-based course. The first of a two-semester sequence in general chemistry. This course includes nomenclature, atomic and molecular structure, stoichiometry, bonding, states of matter, thermodynamics, acids and bases, and gas laws; with laboratory. Prerequisites: (MATH 1483 or 1513) and (CHEM 1104 or High School Chemistry).

CHEM 1515 GENERAL CHEMISTRY II (L, N)
An algebra based course. This course is a continuation of CHEM 1315 with emphasis on kinetics, equilibrium, thermodynamics, electrochemistry, qualitative analysis, organic chemistry, biochemistry, and nuclear chemistry; with laboratory. Prerequisite: CHEM 1315.

CHEM 2014 INTRODUCTION TO ORGANIC CHEMISTRY (L, N)
One semester organic chemistry course recommended for allied-health majors. Includes aliphatic and aromatic nomenclature, structure, stereochemistry, selected mechanisms and reactions. No laboratory is required for this course. Prerequisite: CHEM 1154 or CHEM 1315.

CHEM 2055 ORGANIC CHEMISTRY I (L, N)
Beginning organic chemistry course recommended for science majors and pre-professional students. Includes aliphatic and aromatic nomenclature, structure, stereochemistry, selected mechanisms and reactions with an introduction to interpretive spectroscopy. Lab: three hours per week. Lab recitation: one hour per week. Prerequisite: CHEM 1515

CHEM 2115 QUANTITATIVE ANALYSIS (L, N)
This course provides an introduction to analytical chemistry including selected methods of analysis and the statistical treatment of experimental data. Concurrent enrollment in CHEM 2115L is required. Prerequisite: CHEM 1515.

CHEM 2155 ORGANIC CHEMISTRY II (L, N)
This course continues the development of the chemistry of functional groups with emphasis on aldehydes and ketone, carboxylic acid, amines and phenols in both aliphatic and aromatic compounds then concludes with the introduction of the biological molecules. Mechanisms and stereochemistry are emphasized in all reactions. Lab: three hours per week. Lab recitation: one hour per week. Prerequisite: CHEM 2055.

COMPUTER INFORMATION SYSTEMS

CIS 1003 WINDOWS
Course is designed to give the student basic knowledge of Microsoft Windows and its uses. Students will be given projects using Windows features and will learn other software programs link to Windows. Prerequisite: ISKR 0035

*CIS 1113 COMPUTER CONCEPTS WITH APPLICATIONS
Provides students with an introduction to concepts and applications of the personal computer in business. Topics include spreadsheets, databases, word processing, presentations, ethics, vocabulary, Internet skills and file system management. Theory and hands-on computer instruction is included. This introductory course is intended for students with existing computer skills. Prerequisite: [R].

CIS 1123 PROGRAMMING FUNDAMENTALS
Designed for both computer science majors and non-majors to give fundamental knowledge of computer programming concepts. Students will learn accepted programming concepts and style. This course involves logic, pseudo-code, flowcharts, statement sequencing, conditional statements, loop structures and input/output. Prerequisite: [R]

CIS 1320 (1-6) TECHNICAL PROBLEMS-CIS
The study and/or analysis of a selected topic in Computer Information Systems. May be repeated with a different topic. Variable credit. Can be repeated up to six hours. Prerequisite: Department Head Approval

CIS 1333 HELP DESK FUNDAMENTALS
Provides students with a broad understanding of help desk and support services business practices and the tools and technology most frequently used to support those business practices. Focuses on a generic description of software that might be
used, although some specific applications are also discussed at a high level. Also designed to allow students to retrieve the most up-to-date information of general IT (Internet technology) and support business practices, using the Internet as a resource for white paper, product demonstrations and. The design of software. Students will have an opportunity to apply their knowledge through hands-on projects, exercises and case study assignments. Prerequisite: CIS 1113 or Instructor Approval.

CIS 1433 GAME DEVELOPMENT
This course is an overview of game development from the creative and theoretical standpoint. Students will learn to analyze games and game elements, examine games and trends in gaming, and formulate their own outline for an ideal game. Prerequisite: [R]

CIS 1453 CHARACTER DEVELOPMENT
This course will introduce students to the tools and concepts used to create storylines and develop characters. It will allow students to create games that inform the audience about the character’s personality, history, thought processes, etc. Prerequisite: CIS 1433 (Spring only)

*CIS 1503 MICROCOMPUTER APPLICATIONS-MS OFFICE
Familiarizes the student with fundamental terminology and concepts of microcomputers, their operating systems and disk management, as well as major production applications including word processing, spreadsheets, data base management systems, and may include graphics, data communications and desktop publishing. Familiarity with computer keyboard is recommended. Hands on computer Instruction. Prerequisite: [R]

*CIS 1533 VISUAL BASIC PROGRAMMING
A first course in Visual Basic Programming. This course includes graphical user interface design, event driven programming, toolbox controls and properties, basic control structures and dynamic arrays. Programs developed using structured design techniques. Prerequisites: CIS 1123

*CIS 2013 C++ LANGUAGE PROGRAMMING
Introductory course in C++ using object-oriented programming. This includes basic control structure, files, input/output, single and multi-dimensional arrays, searching and sorting. Programs developed using structured design techniques. Prerequisite: CIS 1123

*CIS 2023 C# (SHARP) PROGRAMMING
Introductory course in C# using object-oriented programming. This includes basic control structures. Programs developed using structured design techniques. Prerequisite: CIS 1123

*CIS 2033 PYTHON PROGRAMMING
Programming and problem solving using Python. The course will emphasize principles of the software development cycle, procedures and functions, object-oriented programming, and an understanding of fundamental programming concepts such as data structures. Prerequisite: CIS 1123

*CIS 2053 ADVANCED VISUAL BASIC
This course is designed to strengthen the student’s knowledge of Visual Basic programming and to introduce advanced programming techniques using the Visual Basic programming language. Prerequisite: CIS 1533

*CIS 2103 LEVEL DESIGN CONCEPTS
This course will introduce students to the tools and concepts used to create levels for games. It will incorporate level design and architecture theory, concepts of “critical path” and “flow.” Students will build and test levels that reflect design concepts. (Fall only)

*CIS 2150 (1-6) ADVANCED TECHNICAL PROBLEMS-COMPUTER PROGRAMMING
One to six, maximum six credits. A study of applied problems of particular interest to the computer programmer.

*CIS 2263 SPREADSHEET APPLICATION
Provides students with basic knowledge of database planning, design, and implementation. Exercises will take the student through database planning, design and construction, implementation, and maintenance. Prerequisite: CIS 1503

*CIS 2323 JAVA
Introductory course in Java using object-oriented programming. This course includes basic control structures, files, input-output, single arrays, searching, sorting, graphics, event handling, interface components and programming for the internet. Prerequisite: CIS 1123

*CIS 2343 ADVANCED C++ PROGRAMMING
An advanced course in object oriented programming in the C++ language with a prerequisite of prior programming experience. This course includes dynamic memory allocation, linked list, stacks, queues, binary trees, polymorphism, inheritance and encapsulations. The design process is object oriented. Prerequisite: CIS 2013 (Fall only)

*CIS 2363 DATABASE DESIGN
Provides students with basic knowledge of database planning, design and implementation. Exercises will take the student through database planning, design and construction, implementation and maintenance. Prerequisite: CIS 1503

*CIS 2403 3D GAME PROGRAMMING
This course includes visual design fundamentals to expand game development knowledge. The course will combine advanced programming techniques with 3D game concepts. Prerequisites: CIS 2013 or CIS 2023

*CIS 2433 ADVANCED C# (SHARP) PROGRAMMING
This course is designed to strengthen the student’s knowledge of advanced programming techniques through the study of object-oriented methods in C# (Sharp). The course studies topics such as internet, web, and database applications and applying web-based services with C# (Sharp). Prerequisite: CIS 2025 (Fall only)

*CIS 2463 DATABASE APPLICATIONS
The student will use a selected database management program to create and edit database files. The student will also search, organize and build reports, forms and templates with the database files. Prerequisites: CIS 2363

*CIS 2513 PRINCIPLES OF INFORMATION SECURITY
This course provides the student with a broad review of the field of information systems security, background on many related elements and enough detail to facilitate an understanding of the field. It covers terminology of information systems security, the history of the field and an overview on how to manage an information systems security program. Prerequisites: [R]

*CIS 2613 COMPUTER INFORMATION SYSTEMS (CIS) PROJECT MANAGEMENT
This course addresses the process and skills needed for successful project management in the computer information systems and technology environment of business. Topics include project scoping, estimating, scheduling, budgeting, tracking, and controlling. The course uses Microsoft project software. Prerequisites: [R] [W]

*CIS 2650 (1-4) TECHNICAL PROJECTS - COMPUTER PROGRAMMING
One to four, maximum four credits. Special project will be assigned by the advisor with the approval of the department head. A comprehensive written report of the work accomplished must be prepared and approved. Before credit is received, an examination may also be required. Prerequisite: Department Head Approval

*CIS 2703 SYSTEMS ANALYSIS AND DESIGN
Introduction to a methodology for the analysis, design, documentation, implementation and evaluation of computer systems. Included will be topics in techniques for data gathering, file organization and accessing methods. Prerequisites: CIS 1533 or CIS 2013 or CIS 2023

*CIS 2713 SYSTEMS DEVELOPMENT AND IMPLEMENTATION
Development of data processing system from the analysis of present information flow, system specification and equipment selection to implementation of the system. A continuation of CIS 2703 with practical adaptation and/or experience of the topics previously surveyed. Prerequisite: CIS 2703 (Spring only)

*CIS 2803 CAPSTONE
As the capstone course of the Computer Science Program, the student will demonstrate the collected knowledge, skills and techniques acquired in the program courses by working through scenarios. Students will demonstrate problem solving, critical thinking, research techniques and technical writing. Computer ethics and group dynamics will be emphasized to help round out the student’s education. Prerequisite: Department Head Approval
CONSTRUCTION

CONS 1103 BLUE PRINT READING & DRAFTING FOR CONSTRUCTION
The course will provide an understanding of the visual plans and specification which are involved in the construction process alone with an understanding of drafting skills which are needed within the construction industry. At the completion of the course, students will have the skills needed to interpret and use contract documents which are used during the construction process. (Offered on demand)

CONS 1123 INTRODUCTION TO BUILDING CODES
Introduction to current building codes including BOCA (Building Officials and Code Administrators) applications. (Offered on demand)

CONS 1133 INTRODUCTION TO ELECTRICAL CODES
Introduction to current electrical codes as they apply to buildings. (Offered on demand)

CONS 1143 INTRODUCTION TO PLUMBING CODES
Introduction to current plumbing codes as they apply to buildings. (Offered on demand)

CONS 1153 INTRODUCTION TO MECHANICAL CODES
Introduction to current mechanical codes as they apply to buildings. (Offered on demand)

CONS 1214 INTRODUCTION TO CONSTRUCTION
Overview of the entire construction industry with emphasis on construction materials, methods and systems. Introduction to both building and highway construction drawings and their interpretation. Same as SURV 1214.

CONS 2003 OSHA FOR RESIDENTIAL & COMMERCIAL CONSTRUCTION
The student will review occupational safety & health administration (OSHA) as they apply to the planning and construction of residential and commercial properties. Students will earn basic (30 hour) certification in OSHA safety standards.

CONS 2050 (1-6) ADVANCED TECHNICAL PROBLEMS CONSTRUCTION
One to six, maximum six credits. A study of problems in applied engineering science that is of particular interest to the engineering technician.

CONS 2103 INTRODUCTION TO CONSTRUCTION MANAGEMENT
A study of organization, management, economics and labor relations pertaining to projects during the construction phase.

CONS 2112 ELECTRICAL EQUIPMENT OF BUILDINGS
A basic course in application of electrical lighting, heating and power distribution. Topics include fundamentals of electric motor starters and controls, and basic planning and design of wiring systems. (Offered on demand)

CONS 2113 MECHANICAL EQUIPMENT OF BUILDINGS
Plumbing, heating and air conditioning as it pertains to residence and small commercial buildings. Design and working drawings on plumbing and heating problems.

CONS 2123 CONSTRUCTION LAW
Legal issues arising from design and construction services, focusing on risk management and liability which affect the construction process. Students will gain an understanding of construction contracts, subcontract, schedule delays, bonds and insurance. Upon completion of this course a general knowledge of the legal aspect affecting the construction industry and projects. Prerequisite: CONS 2103

CONS 2203 CONSTRUCTION PLANNING AND SCHEDULING
This course will introduce the student to effective methods of planning, scheduling, monitoring and controlling construction projects. The techniques covered in this class are also applicable to the management of any other project-oriented activity. Emphasis will be placed on network scheduling techniques, both manual and computer based. Prerequisite: CONS 2103

CONS 2213 STRUCTURAL INSPECTION
Orientation to the correct code requirements on applications, techniques and inspection of reinforced concrete, structural block and pre-stressed concrete. (Offered on demand)

CONS 2233 GREEN BUILDING SYSTEMS & LEED CONSTRUCTION
The purpose of the course is to provide an overview of the green building market within construction, with importance placed on high performance green building systems, renewable onsite energy, water efficiency and minimization of the building impact on the environment. An understanding of sustainability and green building systems will be gained at the completion of the course. An understanding of the US Green Building Council Leadership in Energy and Environmental Design (LEED) building rating program will also be covered. Prerequisite: CONS 1214

CONS 2243 LEED STANDARDS & CONSTRUCTION
The course will provide an understanding of the U.S. green building council leadership in energy and environmental design (LEED version 3, 2009) and other green building rating programs in both residential and commercial construction. The course will cover the history, practice, implementation and benefits of green building programs. At the completion of the course, students will have an understanding of the different credits and prerequisites of LEED, along with an understanding of green building programs. Prerequisite: CONS 2233

CONS 2333 CONSTRUCTION PRACTICES AND PROCEDURES
Light, heavy and industrial construction. Foundation layout, framing and finish work, site investigations, excavation, pre-cast concrete, tilt up, structural steel and metal building construction and project management.

CONS 2342 CONSTRUCTION INSPECTION PRINCIPLES
Problems and considerations pertinent to maintaining adequate quality control on construction projects. Prerequisite: ARCH 1313.

CONS 2343 CONCRETE AND ASPHALT CONSTRUCTION
Production techniques for placing and finishing concrete. Design of concrete form work. Concrete testing techniques. Theory and techniques for placing masonry construction units, field and laboratory techniques and field procedures of asphalt construction.

CONS 2423 CONSTRUCTION ESTIMATING I
Computing the quantities and cost of materials and labor involved in residential and light commercial construction. Includes bidding procedures and computer applications. Prerequisites: CONS 1214

CONS 2523 CONSTRUCTION PROCEDURES II
Principles, practices and methods of industrial and heavy construction. Topics include earth quantities and productivity of equipment. Lab: three hours per week. Prerequisites: CONS 2423.

CONS 2623 CONSTRUCTION ESTIMATING II
A continuation of Construction Estimating I, with emphasis on detailed quantities of materials and labor of building construction estimates. Topics include the preparation of an estimate and bidding procedures. Prerequisite: CONS 2423.

CRIME VICTIM/SURVIVOR SERVICES
CVSS 1103 VICTIMOLOGY
An introduction to victimology, with special emphasis on family violence, sexual violence, child abuse, homicide, the criminal justice system, crime victim compensation, crime victim rights and related issues. Prerequisite: [R] [W]

CVSS 1113 VICTIM SERVICES
An overview of community services dealing with victims of crime, including social, support, crisis intervention, prevention and support services, as well as criminal justice and other systems. The course focuses on the role and response of crime victim advocates and service agencies in addressing the needs of victims of crime. Prerequisites: [R] [W] and CVSS 1103. Co-requisite: CVSS1103.
CVSS 1213 GRIEVING PROCESS
Explores the issues relating to grief that individuals experience when faced with the loss of someone or something important to them. The stages of grief, bereavement, mourning and guilt will be explored, as well as interventions that helping professionals can utilize when dealing with those who have suffered a loss. Prerequisite: PSYC 1113.

CVSS 1320 (1-6) CVSS-TECHNICAL PROBLEMS
One to six, maximum six credits. Technical problems will be explored, which are of particular interest to crime victims/survivor services majors.

CVSS 2050 (1-4) CVSS-TECHNICAL PROJECTS
One to four, maximum four credits. The department head will assign special projects. A comprehensive written report (or comparable assignment) of the work accomplished must be prepared and approved by the instructor. Before credit is received, an examination may also be required.

CVSS 2113 ABUSE AND EXPLOITATION OF CHILDREN
Child abuse and neglect are examined from psychological, familial, social, legal and cultural contexts. Social and legal systems, reporting requirements, ethical considerations, prevention and intervention resources are explored. Prerequisites: [R] [W]

CVSS 2123 RAPE AND SEXUAL ASSAULT
Reviews the phenomenon of rape, myths about rape and rapists, treatment of rape victims, discussion of physical and psychological preparation for possibility of attacks. Understanding the complexity of these issues will be gained by considering psychological, familial, social, legal and cultural contexts of victimization. Prerequisites: CVSS 1103 and CVSS 1113.

CVSS 2223 SPECIAL POPULATIONS IN VICTIM SERVICES
A focus on the additional problems cultural diversity presents for victims in our society. A survey of the history of biased responses and the current need for innovative services for these victims will be addressed. Prerequisites: CVSS 1103 and CVSS 1113.

CVSS 2233 INTRODUCTION TO CRISIS INTERVENTION
A focus on the process and the effects of victimization. A discussion of counseling direct and indirect victims through hot lines, stress reduction, support groups, referrals, etc. will be discussed. Prerequisites: CVSS 1103 and PSYC 1113.

CVSS 2343 CURRENT TRENDS IN VICTIM SERVICES
A systematic analysis of current trends in criminal victimization and the criminal justice process. Victim impact, perpetrator information, victim service needs, ethical, legal and policy considerations will be explored for selected crime areas. Elder abuse, stalking, and other crimes will be explored in depth. Prerequisites: CVSS 1103 and CVSS 1113.

CVSS 2413 ETHICS
This course will prepare students to deal with the professional and ethical issues that most affect the actual practice of counseling or serving as an advocate for victims and survivors of crime. Topics to be covered include dealing with ethical dilemmas, the law, limits of confidentiality and dealing with informed consent and the rights of victims. Prerequisite: CVSS 1103.

CVSS 2513 PRACTICUM
This course will give the student the opportunity to apply knowledge and skills learned in the crime victim/survivor service course work. The practicum will be completed in a facility that can give the student related, hands-on experience in the area of emphasis selected. Prerequisites: Sophomore Standing and Department Head Approval.

CVSS 2513 PRACTICUM
This course will give the student the opportunity to apply knowledge and skills learned in the crime victim/survivor service course work. The practicum will be completed in a facility that can give the student related, hands-on experience in the area of emphasis selected. Prerequisites: Sophomore Standing and Department Head Approval.

CVSS 2511 PROFESSIONAL PRINCIPLES IN VICTIM SERVICES
This course examines appropriate conduct in the work environment and the cultures of several agencies that impact the lives of crime victims. Prerequisites: Concurrent enrollment in CVSS 2512, Sophomore Standing and Department Head Approval.

CVSS 2512 OCCUPATIONAL PROFICIENCY
This course is designed to evaluate the graduate’s proficiency in their major field of study. Areas to be assessed include communication skills, job interviewing techniques and professional competencies. Prerequisite: Concurrent enrollment in CVSS 2511 and Department Head Approval.

CVSS 2513 MEDICAL NUTRITION THERAPY I
Students will study therapeutic diets, the assessment of nutritional needs, appropriate nutritional support and the interpretation of diagnostic data. Management of nutrition, intervention and drug nutrition interaction will be studied in relation to various disease states in individuals throughout the human life cycle. Prerequisite: DT 1003 and NSCI 1113.

CVSS 2514 MEDICAL NUTRITION THERAPY II
Students will continue their study of therapeutic diets, the assessment of nutritional needs, appropriate nutritional support and the interpretation of diagnostic data. Management of nutrition, intervention and drug nutrition interaction will be studied in relation to various disease states in individuals throughout the human life cycle. Prerequisite: DT 1214.

CVSS 2515 LIFE CYCLE NUTRITION
Students will study the various nutritional needs of individuals at various ages in the human life cycle. Students will learn the methods of establishing those nutritional needs and the means of meeting those needs. Prerequisite: NSCI 1113.
DT 2223 PRACTICUM-MEDICAL NUTRITION THERAPY
Students will develop counseling/interviewing skills related to the preparation of nutrition care plans in relation to life span and to certain disease states. Clinical activities support classroom studies. Related physiology is included.

DT 2233 PRACTICUM-LIFE CYCLE NUTRITION
Students will study good nutritional practices and assist delivering nutritional care in a practical setting with patients whose ages vary from infancy to old age. Prerequisite: NSCI 1113

DT 2303 NUTRITION IN THE COMMUNITY
Students will examine how to use nutritional principles to promote good health and avoid nutrition-related illnesses in the community.

DT 2312 PRACTICUM-FOOD SERVICE MANAGEMENT
Students will engage in food service management activities in hospital and/or nursing home settings.

DT 2313 PRACTICUM-COMMUNITY NUTRITION
Students will examine how to use nutritional principles to promote good health and avoid nutrition-related illness in the community.

DT 2402 DIETETIC EXAM PREPARATION
Students will review previous coursework and practicum experiences as a means of preparing for the registered dietetic technician exam. Practice exams will also be used to prepare students. Prerequisite: [R] and Department Approval.

ECCD 1101 THE EARLY CARE PROFESSIONAL
This course will introduce students to the Early Care Education program and the profession of early care education in Oklahoma. Students will learn the expectations of the Early Care Education program and options for transferring to a university program following completion of the AAS. This course will reinforce computer skills needed for online/hybrid courses. Students will begin the development of their academic portfolio. This course is the GATEWAY for all ECCD courses and should be taken prior to OR concurrently with the remaining early care education courses.

ECCD 1103 INTRODUCTION TO CHILD CARE MANAGEMENT
An introduction to planning and effectively implementing administrative systems that carry out an Oklahoma licensed child care facility’s program mission, goals and objectives. Students receive an overview of the various types of Oklahoma licensed programs available in the early care education field. Emphasis is given to advocating for young children and the programs serving children, the NAEC Code of Ethics and Programs Administrators supplement, as well as OKDHS licensing regulations. Oklahoma’s Reaching for the Stars, the Oklahoma Early Learning Guidelines, the environmental rating dales, state fire codes, health codes, legal and tax issues, and national credentialing/accreditation programs. One (1) clock hour of supervised fieldwork experience must be completed at the OSU-OKC Early Care and Child Development Lab School. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a grade of “C” or higher in this course.

ECCD 1113 PERSONNEL SUPERVISION
Leadership, supervisory and group facilitation styles, communication styles, and techniques of conflict resolution are explored. The ability to recruit, hire, supervise, coach, and motivate diverse staff to high levels of performance as well as develop and implement appropriate staff evaluation tools and disciplinarian steps including termination are emphasized. Components of an Early Care Education Personnel Handbook are discussed. One (1) clock hour of supervised fieldwork experience must be completed at the OSU-OKC Child Development Lab School. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a “C” or higher in this course.

ECCD 1123 FOUNDATIONS OF EARLY CHILDHOOD EDUCATION AND CARE
A practical introduction to the field of early childhood with focus given to care provided in Oklahoma licensed early care education facilities. Emphasis is given to the history of early childhood, awareness of cultural influences and backgrounds, the need to understand child growth and development, developmentally appropriate practices, positive guidance, the importance of observational skills and the inclusion of children with differing abilities. The National Association for the Education of Young Children Code of Ethical Conduct and the importance of advocating for young children and quality care are highlighted. The Oklahoma Early Learning Guidelines (ELG’s) are incorporated in course content. One (1) clock hour of supervised fieldwork experience must be completed at the OSU-OKC Child Development Lab School. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a grade of “C” or higher in this course.

ECCD 1133 CHILD HEALTH, SAFETY AND NUTRITION
An introduction to the interrelationship of child health, safety, and nutrition using a holistic environmental approach. Emphasis is given to application in Oklahoma licensed early care education environments. This includes the management of a safe indoor/outdoor environment, infection control, emergency response procedures and promoting good nutrition. Students will receive clear concise thought provoking information reflective of the latest developments and practices in the field regarding SIDS, fetal alcohol syndrome and otitis media. No supervised fieldwork experience is required. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a “C” or higher in this course.

ECCD 1141 CHILD PASSENGER SAFETY & TRANSPORTATION
Training and Education provided meets the approved child passenger safety course required by OKDHS Licensing Regulations for Child Care Centers/Homes for programs providing transportation for children younger than six years of age. Focus is given on Oklahoma’s current legislation for child passenger restraint, and the proper installation and use of child passenger restraints. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a “C” or higher in this course.

ECCD 1223 COMMUNICATION, LEADERSHIP & TECHNOLOGY
Covering the fundamental elements of effective written, verbal and nonverbal communication, this course focuses on enhancing interactions with staff, co-workers, children, families and the community. Leadership styles and peer mentoring is explored. Students develop and deliver an oral presentation including handouts and visual/technological aids. Extensive use of technology as means to effective communications with families is introduced and applied including blogging and web-pages. Marketing and public relations, as well as working with media entities are also covered. Four (4) clock hours of supervised/directed field experience assignments must be completed at an approved site. Prerequisite or Concurrent Enrollment: ECCD 1101.

ECCD 1243 OBSERVING AND ASSESSING THE YOUNG CHILD
An in-depth study regarding the process of gathering information as a way to support children’s development, facilitate child-centered curriculum planning, and design effective learning environments for young children in a variety of early childhood settings including completing an Ages and Stages Questionnaire, an Early Childhood Environmental Rating Scale, and an individualized Portfolio highlighting multiple methods of assessment and evaluation techniques. The importance of the “crosswalk” between developmental milestones and Oklahoma’s Early Learning Guidelines (ELGs) is emphasized. The Oklahoma ELG’s, infants, Toddlers, Twos and Young Children Three to Five are incorporated in course content. Four (4) clock hours of supervised fieldwork experience must be completed at the OSU-OKC Child Development Lab School. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a “C” or higher in this course.

ECCD 1320 (1-4) ECCD-SPECIAL TOPICS
One to four, maximum six credits. Directed individual study or class in specific topics relating to early care education and administration.
ECCD 2103 PLAY, DAP, AND CURRICULUM DEVELOPMENT
An exploration into the theory of play, the developmental stages of play, and how play impacts a young child’s growth, development, and memories. Students design and implement environments that foster children’s play. Encouraging learning through play, students also develop and apply child-centered, developmentally appropriate curriculum to encourage learning through play. Students explore various methods used to develop lesson plans. Included is the importance of the valuable learning process through play in areas such as music, art, blocks, emerging the literacy, mathematics: as well as mud, sand, and water. The Oklahoma Early Learning Guidelines (ELG’s) are incorporated into course content. Four (4) clock hours of supervised fieldwork experience must be completed at the OSU-OKC Child Development Lab School. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a grade of “C” or better in this course.

ECCD 2113 CHILD DEVELOPMENT
A study of prenatal development, birth and infancy through 35 months of age. Special emphasis placed on program planning, implementation and evaluation of developmentally appropriate programs and environments for infants, toddlers and two-year olds. Theory pertaining to physical, cognitive and social/emotional development also discussed. Infancy through 35 months of age as a critical period in the psychosocial development of the individual highlighted. The Oklahoma Early Learning Guidelines (ELG’s) are incorporated in the course content. Twenty-Five (25) clock hours of supervised fieldwork experience must be completed at the OSU-OKC Child Development Lab School. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a “C” or higher in this course. Prerequisite: ECCD 1101

ECCD 2113 LANGUAGE DEVELOPMENT & EMERGING LITERATURE
A study of the theory, materials, methods, and instructional techniques applicable to language and cognitive development, and emergent literacy experiences during the early childhood years—birth through age eight with emphasis given to birth-3 years. This course examines developmentally appropriate, integrated and interdisciplinary language arts approaches to literacy development encompassing writing, reading, and oral language of young children in the home, early care, and school environments. One (1) clock hour of fieldwork experience must be completed. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a grade of “C” or better in this course. Prerequisite: ECCD 1101

ECCD 2153 SOCIAL AND EMOTIONAL DEVELOPMENT IN INFANTS AND TODDLERS
Focuses on social and emotional development from birth to three years. Sensitive, supportive and responsive care-giving that meets the needs and interests of infants and toddlers is emphasized. Developmentally appropriate expectations and environments that support the social and emotional development of infants and toddlers are studied and emphasized. One (1) clock hour of supervised fieldwork experience must be completed at the OSU-OKC Child Development Lab School. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a “C” or higher in this course. Prerequisite: ECCD 1101

ECCD 2163 PHYSICAL DEVELOPMENT AND CREATIVE EXPRESSIONS
Focuses on creativity, play, and motor development with developmentally appropriate creative play experiences in dance, music, art and motor skills for children, birth to three years. Physical development prenatal to three years is emphasized. One (1) clock hour of supervised fieldwork experience must be completed at the OSU-OKC Child Development Lab School. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a “C” or higher in this course. Prerequisites: ECCD 1101, 1113. Option for Concurrency: Yes.

ECCD 2213 INCLUSION IN EARLY CARE EDUCATION
A study of inclusion within the Early Care Education program: environment, curriculum and interactions with family members while serving children with varying physical, emotional, developmental and behavioral needs. Students will study the various characteristics of physical and mental disabilities, while exploring characteristics of diverse needs of young children. Individualized Education Plans (IEP) and Individualized Family Service Plans (IFSP) and Points of Inclusion are also covered. Two (2) clock hours of supervised field experience assignments must be completed at an instructor approved, early care education site whose enrollment includes a substantial percentage of children with special needs. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a “C” or higher in this course.

ECCD 2233 CHILD GUIDANCE, BEHAVIOR AND CLASSROOM MANAGEMENT
Students are provided with solid child guidance theories reinforced with positive strategies that increase their understanding of the child behavior and guidance process. Students gain knowledge in developmentally appropriate child guidance, different caregiving styles, specific positive discipline strategies and managing the physical environment effectively. Special topics in child guidance are covered including children and stress, understanding and management of guiding children expressing anger and aggression. The Oklahoma Early Learning Guidelines (ELG’s) are incorporated into the course. Twenty-one (21) clock hours of supervised fieldwork experience assignments must be completed at the OSU-OKC Child Development Lab School. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a “C” or higher in this course.

ECCD 2323 BUDGET DEVELOPMENT & RISK MANAGEMENT
Designed to acquaint students with methods of budget planning, development and fiscal control for early care education facility operations including family child care homes. Students become acquainted with the child care triad, OKDHS child care subsidy program, per child cost, year-end statements, tax reporting, and liability risk management. Students explore and develop facility utilization factors, annual budgets, monthly budgets, break-even charts, cash flow projections, and salary compensation scales. Students discuss effective fundraising and financial software designed for child care facilities. Staffing Patterns and efficient staff scheduling are also covered. This course requires no supervised fieldwork experience. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a grade of “C” or better in this course. Prerequisites: ECCD 1101, 1113. Option for Concurrency: Yes.
ECCD 2412 PRACTICUM
Practicum consists of student directed and instructor directed experiential learning through fieldwork experience, aka clinical hours, and guided situational role-plays. Students earning an AAS in Early Care Education are required to complete one hundred and twenty-five (125) clock hours of supervised fieldwork experience throughout the duration of ECCD coursework. Students successfully completing OSU-OKC ECCD courses will have accumulated clock hours of required fieldwork experience as designated by each course description. The practicum course provides students the format to complete remaining clock hours of fieldwork experience to total 125 hours as dictated by their transcript of OSU-OKC transcript of ECCD courses. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a “C” or higher in this course.

ECCD 2513 OCCUPATIONAL PROFICIENCY
This course is designed to evaluate the graduate candidate’s proficiency in the major field of study, reinforcing their competency level and integration into the workplace. In addition, students are provided information and connections for transferring their AAS degree to a Bachelor of Science degree. Areas to be assessed include students’ knowledge and skill while applying the Oklahoma early childhood core competencies, administrative leadership competencies, and organization of thought and use of good judgment in accordance with NAEYC Code of Ethical Conduct as exhibited in a variety of role-playing exercises. The Oklahoma Early Learning Guidelines (ELG’s) are incorporated into the course. Student must complete with 80% satisfaction, the multi-component Early Childhood Exam. This three credit hour class includes eight (8) clock hours of required lab time in the form of the Final Assessment Process held on a Saturday. Students earning a Certificate of Mastery or Associate of Applied Science degree in the OSU-OKC Early Care and Child Development program must earn a “C” or higher in this course.

ECON 2013 INTRODUCTION TO MACROECONOMICS
A study of the functioning and current problems of the aggregate economy; determination and analysis of rational income, employment, inflation and stabilization monetary and fiscal policy and aspects of international interdependence. Prerequisites: [R] [W] and ICSM 0104.

ECON 2023 INTRODUCTION TO MICROECONOMICS
A study of the functioning of the price system; the analysis of market structures; the issues of government policy, the public sector and the market economy; the understanding of resource markets; and an examination of international economic interdependence. Prerequisites: [R] [W] and ICSM 0104.

ELECTRICAL POWER TECHNOLOGY

EPT 1103 PRINT READING
This course gives students an introduction to the different schematics used in power plant operations and electrical transmission and distribution systems. Students will gain an understanding of the standard symbols used in the various systems schematics and how to read them. Students learn how to read basic piping and instrumentation diagrams, and how to interpret single line electrical diagrams. Students finish the course by studying electrical system diagrams beginning at the generator and following through to the distribution system.

EPT 1123 ELECTRICAL SYSTEMS COMPONENTS
This course takes an in-depth look into the components used in the transmission of electricity. Students begin with a study of switchyards and substations, and then learn the operation of transformers, circuit breakers, regulators, capacitor banks, battery banks, tap changers, disconnects, current and potential transformers and lightning arresters. Students also study the various types of electrical conductors, structures and insulators used in the transmission of electricity. Finally, students learn the components, which make up a typical substation and how it feeds a distribution network that supplies customers with electricity.

EPT 2063 ELECTRICAL SYSTEMS PROTECTION
This course covers protection fundamentals, philosophies and principles used to protect the electrical system, beginning with the generator itself. Various types of relays, input sources and system grounding are also covered.

EPT 2113 SUBSTATION RELAYS
This course focuses on testing and calibrating substation equipment, including voltage testing on equipment feeder relays and circuit breaker relays. Students also learn the various tests that need to be conducted on protective relays, such as over current and voltage relays, directional and line relays as well as ground and test device testing.

EPT 2133 ADVANCED METERING
This course introduces students to the fundamentals of metering, such as terminology and basic principles of meters. Students learn basic math needed in metering and review of basic electricity and metering principles. The students are introduced to meter testing equipment, meter diagrams and standards and learn technical data and how to read watt hours and demand meters.

EPT 2313 SUBSTATION OPERATIONS
This course will detail the specifics of power electronics as applied in substations for power transmission. It will describe typical functions provided in utility substation automation systems and some important considerations in the interface between substations equipment and the automation systems components. Student will look at the operation in a competitive environment. Oil containment, animal issues and security will also be discussed and the requirements necessary to qualify a substation to withstand seismic events. The operation of substation fire protections and substation communications systems such as the SCADA system and the SCADA security will be examined.

EPT 2333 SINGLE/POLYPHASE METERING
Metering single and polyphase metering including meter design, adjustments, compensations and applications will be studied in this course. Power factor analyzers, high amperage CT cabinets, meter demand theory, demand registers, and testing and maintenance of thermal demands will also be studied. Prerequisite: EPT 2133

EPT 2403 ADVANCED ELECTRICAL SYSTEMS
The design and operation of an electrical system including an understanding of switchyard construction and the different configurations, and how different sections of the transmission and distribution systems can be safely isolated will be studied. The courses will review how storm and conditions can affect the electrical system. The students will learn the procedures used by systems operators and line crews to maintain safe and effective delivery of power during adverse conditions and steps necessary to restore power after outages.

EPT 2503 TRANSFORMERS
This course begins with a review of basic transformer design and operation. Students will study 3-phase transformers, single phase loads for 3-phase transformers, and the different connections used with such transformers. The course introduces students to installation procedures and maintenance procedures for transformers. Lab 2 hours per week.

EPT 2513 SUBSTATION CONSTRUCTION AND MAINTENANCE
The basic construction techniques of a substation, including electrical equipment rigging and installation, cable tray and conduit installation, cable controls and panel wiring, as well as a wide variety of installation procedures for electrical components and protection equipment. Basic hand and power tools required to build the substation will be reviewed in addition to safety procedures. Lab 2 hours per week.

EPT 2533 ADVANCED METERING TECHNIQUES
This course will introduce students to various metering system designs and application options. The student will study the metering system components, associated wiring configurations and instrument transformer variations. Topics will include ratio, burden, and correction factor calculations; functional testing, and calibration procedures as well as safe installation procedures. Also included are cogeneration metering, and principles of load management and associated equipment. Lab 2 hours per week. Prerequisite: EPT 2133.
EPT 2603 CAPSTONE/ADVANCED
TECHNIQUES/PROBLEMS
This course will include topics that have not been
covered in the previous courses and will include
interview skills, evaluation of the job market and
employment opportunities. This course will nor-
mally be taken in the student's last semester.

ELECTRONICS ENGINEERING

EET 1102 ELEMENTS OF ELECTRICITY AND
ELECTRONICS
An introduction to the elementary principles of
basic electric units, OHM's law, circuit solutions
of series and parallel network, magnetism, induc-
tance and capacitance.

EET 1104 FUNDAMENTALS OF ELECTRICITY
Elementary principles of electricity covering basic
electric units, OHM's law, Kirchoff's law, circuit
solutions, network solutions, magnetism, induc-
tance and capacitance. Lab: two hours per week.
Co-requisite: MATH 1513

EET 1244 CIRCUIT ANALYSIS I
The study of transient analysis and network theo-
rems for electric circuits. This course introduces
resonant circuits, filters, AC power and computer
aided circuit analysis techniques. Lab: two hours
per week. Prerequisite: EET 1104. Co-requisite:
MATH 1613

EET 1320 (1-4) TECHNICAL PROBLEMS
ELECTRONICS
One to four; maximum six credits. Technical prob-
lems in electronics that are of particular interest
to technicians. Prerequisite: Department Head
Approval

EET 2050 (1-4) ADVANCED TECHNICAL
PROBLEMS ELECTRONICS
One to four, maximum four credits. A study of
problems in applied engineering science that are
of particular interest to the electronics technician.

EET 2101 ELECTRONIC CONSTRUCTION AND
DESIGN
Circuit design, test, development and fabrication
in wired and printed form. Lab: two hours per
week. Prerequisite: EET 2224

EET 2103 ELECTRONIC INSTRUMENTS
A study of the theory and application of analog and
digital test instruments. Included are voltmeters,
bridges, oscilloscopes and spectrum analyzers
and virtual instruments. Lab: two hours per week.
Prerequisite: EET 2224

EET 2224 ELECTRONIC AMPLIFIERS I
A study of the theory and application of amplifiers
using bipolar and FET transistors. Bias stabilizing
and feedback techniques along with RC coupling,
direct coupling and transformer coupling circuits
will be studied in this course. Prerequisite: EET 1102

EET 2234 ANALOG AND DIGITAL SYSTEMS
The course studies basic numbering systems,
Boolean algebra, logic circuits and systems, pulse
circuits and pulse logic systems as applied to
computer and microprocessor technology, ADC,
DAC, and operational amplifiers. The course also
includes closed loop system analysis and PID con-
trol theory to show how a digital device can control
an analog system. Prerequisite: EET 1102

EET 2333 INDUSTRIAL COMPUTER
PROGRAMMING
A course specifically designed for technology stu-
dents, in software development techniques using
higher-level languages such as SHELL or "C."
Areas of emphasis include formatting, looping,
decision-making, arrays and structures. Industrial
applications are stressed. Lab: three hours per
week. Prerequisite: EET 2373

EET 2373 DIGITAL LOGIC ANALYSIS
The study of number systems, digital codes, Bool-
ean algebra, logic simplification and Karnaugh
mapping, timing and control including registers,
counters, decoders and multiplexers as related
to digital systems. Lab: two hours per week.
Co-requisite: EET 1104

EET 2454 ELECTRONIC COMPUTERS
The methods of using electronic circuits to per-
form computations, the elements of digital com-
puters and the organization of these elements in
a functioning computer. Lab: two hours per week.
Prerequisite: EET 2573

EET 2643 OPERATIONAL AMPLIFIERS
A study of operational amplifiers, their character-
istics and their applications will be presented in
this course. Other linear devices such as voltage
regulators, phase-lock loops and function genera-
tor chips will also be studied. Lab: three hours per
week. Prerequisites: EET 1244 and EET 2224

EET 2650 (1-4) TECHNICAL PROJECTS
ELECTRONICS
One to four, maximum four credits. Special proj-
et will be assigned by the advisor with the ap-
proval of the department head. A comprehensive
written report of the work accomplished must be
prepared and approved. Before credit is received,
an examination may also be required. Prerequi-
site: Department Head Approval

EET 2764 ELECTRONIC COMMUNICATIONS
SYSTEMS
An introduction to the basic principles and com-
ponents of receivers and transmitters used in
modern communications. Lab: three hours per
week. Prerequisite: EET 2224

EET 2814 MICROPROCESSOR
FUNDAMENTALS
A study of microprocessor operation, architecture,
instruction sets, interfacing with operating sys-
tems, and applications in control, data acquisition,
and data reduction and analysis. Students will
write programs and test them. Lab: three hours
per week. Prerequisite: EET 2373

EET 2854 INDUSTRIAL MICROCOMPUTER
APPLICATIONS
Industrial applications of microcomputer/micro-
processors for process control. Involves the selec-
tion of equipment, interfacing and making process
control systems operational. Lab: three hours per
week. Prerequisite: EET 2454

EMERGENCY MEDICAL SERVICES
PARAMEDICINE

EMSP 1143 EMS OPERATIONS
The student will summarize and interpret legal
responsibilities of safe ambulance operations in
Oklahoma; evaluate psychological and physical
factors affecting safe emergency vehicle opera-
tions. The student will discuss medical incident
command, hazardous materials incidents, crime
scene awareness, rescue awareness, helicopter
operations, critical care transport and usage,
trauma triage guidelines, and medical operations.
The student will understand techniques for gain-
ing access to the patient, disentanglement, patient
movement, and preparation for transport; and
recognize situations posing threats to patients,
EMT’s or bystanders and describe correct manage-
ment situations. The student will also be able to
demonstrate and understand the essential con-
cepts of Crew Resource Management. Successful
completion of EMSP 1148 is also required in order
to sit for the National Registry of EMIs cognitive
and psychomotor exams.

EMSP 1144 EMERGENCY MEDICAL
TECHNICIAN
This course is designed to prepare students to
enter the prehospital emergency medical services
field and provide basic life support. This course
meets or exceeds the requirements of the National
Emergency Medical Services Education Standards
as well as the recommended training hours
provided by the Oklahoma State Department of
Health. Curriculum includes over 144 hours of
classroom lectures and hands-on skills as well as
at least 60 hours of field and clinical internship
experiences. Advisor Approval Required.

EMSP 1234 PHARMACOLOGY
This course is designed to introduce students to
the principals of pharmacology, medication
administration, medication classes, and utiliza-
tion of emergency medications. The student will
demonstrate comprehensive understanding of
pharmacokinetics, pharmacodynamics, routes of
administration, indications, contraindications,
dosage and the ability to apply knowledge to de-
terminate the appropriate management within
the paramedic scope of practice. Prerequisite: BIOL 1515

EMSP 1246 PARAMEDIC CARE I
This course will prepare the paramedic student
for general physical assessment, a deeper under-
standing of physiology and pathophysiology as well
as an introduction to advanced airway manage-
ment and ventilation therapy. It will include clini-
cal time in an emergency department, ambulance
and geriatric center. It is designed to cover the well-being of paramedics, their roles and responsibilities, injury and illness prevention, medical/legal issues, ethics, therapeutic communications and life span development. Discussion and review of medical mathematics, history taking, and techniques of physical examination, patient assessment, clinical decision making, communications, and documentation is included. Upon successful completion of this course the paramedic student will also be able to define normal cellular physiology, how cells respond and change to injury, geriatrics and other causes of disease, self-defense mechanisms, inflammation, and variances of immunity stress and disease. Prerequisite: EMSP 1148 (EMT), Department Head Approval. Co-require: BIOL 1515.

EMSP 1263 ECG INTERPRETATION
This course introduces the student to the basics of dysrhythmia interpretation, performance and interpretation of twelve lead ECG to allow the Paramedic to treat the patient with acute myocardial infarction, as well as review the anatomy and physiology of the cardiovascular system. This course includes both lecture and exercise time in which the student may receive hands on rhythm interpretation practice via use of oscilloscope and paper rhythm strips. The course is designed for students with an interest or a need in improving or developing rhythm interpretation skills. Co-require: BIOL 1515

EMSP 1348 PARAMEDIC CARE II
The student will accurately describe airway management/ventilation (including rapid sequence intubation), venous access, trauma systems, mechanism of injury, hemorrhage & shock, soft tissue trauma, burns, head & facial trauma, spinal trauma, thoracic trauma, abdominal trauma, musculoskeletal trauma, & environmental conditions. The student will integrate fluid therapy and advanced airway care into correct management of the patient with respiratory disorders; and/or trauma to soft tissues, the central nervous system, and the musculoskeletal system. Students will spend clinical time in the following areas: ambulance, emergency department, psychiatric unit, trauma ICU, operating room, and respiratory therapy. Prerequisite: EMSP 1246

EMSP 1721 EMERGENCY VEHICLE OPERATIONS
This course combines both didactic (8 hours lecture) and practical (16 hours driver training) aspects of instruction in preparation for emergency vehicle operations. The goal of this course is to provide participants with the skills and knowledge necessary to operate their ambulances so that the vehicle, equipment, crew, and patients will be delivered safely and efficiently and the safety of the public will be assured during all phases of the delivery of emergency medical services involving the ambulance. Prerequisite: EMSP 1148

EMSP 2549 PARAMEDIC CARE III
The student will expand heavily on their knowledge of pathophysiology and overall patient management on top of what they have learned in previous semesters. The student will apply their knowledge and skills in the following medical areas including but not limited to advance cardiology, endocrinology, infectious/communicable diseases, abdominal/gastro-intestinal disorders, hematology, toxicology, and shock/resuscitation. The student will also be introduced to the concept of Team Leader as well as Team Member and will be evaluated as such during all scenarios. The student will learn all aspects of Advanced Cardiac Life Support including treatment algorithms and mega codes. Field and hospital clinical practicums are an integral part of the course. Prerequisite: EMSP 1234, EMSP 1263, EMSP 1348.

EMSP 2563 PARAMEDIC CONCEPTS FOR THE EXPERIENCED HEALTHCARE PROVIDER
In this course, experienced healthcare providers will incorporate the knowledge, practice and ethical behavior necessary for safe and effective paramedic practice. The focus of this course will be on advanced airway management, advanced invasive skills, affective domain, and the critical thinking of associate degree paramedics. Learning experiences include both lecture and hi-fidelity simulation. Prerequisite: EMSP 1148 and previous formal acceptance into the accelerated paramedic program for experienced healthcare providers.

EMSP 2559 PARAMEDIC CARE IV
This course will allow the paramedic student to complete their initial EMS training. The student will complete their Paramedic Internship at a local EMS agency. The student will be required to successfully complete their internship with a minimum of 50 “Team Leads” during 911 Emergencies. The student will also expand on their pathophysiology knowledge in the areas of labor and delivery, pediatrics, Pediatric Advanced Life Support, geriatrics, and other special patient populations. The student will complete clinical time in the following areas: ambulance, pediatric emergency department, pediatric ICU, labor and delivery, as well as complete a final ‘Gatekeeper’ shift with EMS Program’s Medical Director. At the conclusion of this course, the student will be able to sit for both the National Registry of EMT written and Practical exams. Prerequisite: EMSP 2549.

ENGS 2213 THERMODYNAMICS
Properties of substances and principles governing changes in form of energy. First and second laws. Prerequisites: CHEM 1515 and PHYS 2014 (Offered on demand)

ENGS 2613 INTRODUCTION TO ELECTRICAL SCIENCE
Elements of electrical engineering. AC and DC circuits, mesh and node formulation of network equations, steady-state response to sinusoids, energy, power and power factor. Lab: three hours per week. Prerequisites: PHYS 2114 (Summer and on demand)
ENGL 2513 INTRODUCTION TO TECHNICAL REPORT WRITING
Intensive writing instruction focused on clear communication and conciseness. Course helps students hone technical communication skills while writing of definitions, process descriptions, proposals, and other major reports. Prerequisite: ENGL 1113.

ENGL 2515 INTRODUCTION TO CREATIVE WRITING (H)
Literary composition with emphasis on techniques and style through readings and writings in fiction, playwriting, poetry, and creative non-fiction. Prerequisite: ENGL 1113.

ENGL 2773 AMERICAN LITERATURE I (H)
A survey of major American writers and literary movements from the colonial period to the Civil War. Prerequisite: ENGL 1113.

ENGL 2883 AMERICAN LITERATURE II (H)
A survey of major American writers and literary movements from the Civil War to present. Prerequisite: ENGL 1113.

ENGL 3173 WORLD LITERATURE II (H)
Selected literary masterpieces exemplifying ideals and values in non-western cultures. Emphasis on the study of non-western literature available in English. Prerequisite: ENGL 1213.

FIRE PROTECTION

FIRE 1712 PHYSICAL FITNESS FOR FIREFIGHTERS
This course will provide students with the physical fitness knowledge and skills required for the entry level training as a firefighter. Students will learn about firefighter health and wellness topics and be provided information about the typical entry-level firefighter candidate testing processes. This course meets the prerequisite requirement of the National Fire Protection Association (NFPA) 1001 Standard for Fire Fighter Professional Qualifications for persons entering a Firefighter I training program.

FIRE 1725 FIREFIGHTER I
Prepares students to the level of Firefighter I as defined by the National Fire Protection Association (NFPA) 1001 Standard for Fire Fighter Professional Qualifications. Students completing the course with a grade of “C” or better will be eligible for certification by the International Fire Service Accreditation Congress (IFSAC) and Oklahoma Fire Service Training (FST) as Firefighter I. Live fire training and certification testing will be conducted by Fire Service Training in Stillwater, Oklahoma. Students must complete and pass FIRE 1733 Hazardous Materials Operations (FIRE 1733) before certification of Firefighter I is granted by IFSAC and FST. Lab: 2 hours per week. Medical release from a physician is required.

FIRE 1733 FIREFIGHTER II & HAZARDOUS MATERIALS
Hazardous Materials & Firefighter II is an advanced course that is designed to build upon the knowledge acquired by the student from completing the FF I course. This course provides the student with more knowledge of fire ground and hazardous materials situations to allow them to make basic evaluations of safety problems and assume leadership roles when carrying out emergency response operations. Prerequisite: FIRE 1725.

FIRE 2050 (1-4) ADVANCED TECHNICAL PROBLEMS IN FIRE PROTECTION
One to four, maximum six credits. Technical problems in fire protection that are of particular interest to the fire service professional.

FIRE 2122 FIRE & EMERGENCY SERVICES INSTRUCTOR
This course prepares potential fire and emergency services instructors for planning instruction, using a variety of Instructional methods, teaching divergent learners and evaluating course outcomes. The course also provides guidelines for addressing the critical issues of safety, the legal issues of training and opportunities for students to participate in application activities. On successful conclusion of the course, students are eligible to sit for the IFSAC Fire and Emergency Services Instructor certification exam.

FIRE 2303 PUMPING DRIVER/OPERATOR
This course will provide the student with the knowledge of general principles of pump operations, along with practical application of those principles in an emergency situation. Students will gain the requisite knowledge of safe driving techniques, fire pump theory and operation, hydraulic calculations, water shuttle, apparatus maintenance and apparatus positioning to maximize efficiency and water supply. Prerequisite: FIRE 1733.

FIRE 2343 FIRE PREVENTION AND LIFE SAFETY
The student will acquire an understanding of fire prevention and life safety, its importance in risk-reduction, and how to deliver fire and life safety presentations at the shift level to the diverse populations normally found within a community. Prerequisite: FIRE 1733.

FIRE 2353 STRATEGY AND TACTICS
This course is a study of the principles and methods of various emergency scene command operations. This course will include simple and complex incident command operations. Students will participate in scenario based exercises to practice the initial command operations and learn to expand the command structure as the incident grows. Prerequisite: FIRE 1733.

FIRE 2362 FIRE COMPANY OFFICER
The course identifies the requirements necessary to perform the duties of a first line supervisor. This course introduces the student to the basic concepts of management and supervision by concentration on such topics as Organizational Structure, Communication Skills, Human Resource Management, Public Relations, Planning, Emergency Service Delivery and Safety. On successful conclusion of the course, students are eligible to sit for the IFSAC Fire Officer I certification exam.

FIRE 2383 INSPECTION PRACTICES AND FIRE SCENE PRESERVATION
This course will provide the student with additional knowledge of fire protection systems. Students will gain the requisite knowledge of fire protection systems as referenced in the National Fire Protection Association (NFPA) 1031 and 1033 standards at the Fire Inspector I and Fire Investigator levels. Prerequisite: FIRE 1733.

FIRE 2393 FIEFIGHTER OCCUPATIONAL SAFETY, HEALTH AND WELLNESS
The student will acquire an understanding of adhering to an organization’s safety and health policies, maintaining a healthy lifestyle, the need to correct unsafe behavior, and addressing issues related to cancer and suicide prevention within the fire service. Prerequisite: FIRE 1733.

FIRE 2650 (1-6) TECHNICAL PROJECTS IN FIRE PROTECTION
One to six, maximum six credits. A study of problems in fire protection that are of particular interest to the fire service professional.

FIRE 2703 FIRE PROTECTION CAPSTONE
This course will place the non-fire department employed, fire protection student with various metropolitan fire departments to participate in day-to-day activities and emergency response operations. All students will participate in a writing intensive, assessment-based course. The written assignments will present the student with thought provoking issues occurring in today’s fire service in order for the student to demonstrate critical thinking, problem solving and communication skills in the application of knowledge acquired in the fire protection degree program. Prerequisites: FIRE 1703, 1721, 2122, 2143.
## GENERAL TECHNOLOGY

**GENT 1103 PRINT READING**

This course gives students an introduction to the different schematics used in electrical and mechanical systems. Students will gain an understanding of the standard symbols used in the various systems schematics and how to read them. Students learn how to read basic piping and instrumentation diagrams, and how to interpret single line electrical diagrams.

**GENT 1112 TOOLS, TECHNOLOGY, AND EQUIPMENT FOR TECHNICIANS**

An introduction into the use of tools and equipment used in industrial processes. Topics include the use of meters, gauges, transducers, and thermometers. A review of the scientific principles to control a process' temperature, pressure and fluid flow will be studied. Plus, calibration concepts and techniques of instrumentation will be introduced.

**GENT 1113 ESSENTIALS OF MECHANICAL AND ARCHITECTURAL DRAFTING**

A survey of mechanical and architectural drafting conventions and practices in business and industry. Development of fundamental drafting skills and techniques instrumental to the interpretation and utilization of graphic media and engineering drawings in effective technological communications.

**GENT 1123 TEAM WORK AND PROBLEM SOLVING**

The course will study team concepts and problem solving techniques to assist project teams in improving quality and productivity by providing knowledge of how to form and work as a team; plan and conduct good meetings; manage logistics and details; gather useful data, and communicate the results to implement changes.

**GENT 1134 AC/DC THEORY**

Review of elementary principles of electricity, OHM's law, circuit solutions, magnetism, inductance and capacitance. This course also introduces transient analysis, network theorem, resonant circuits, filters, AC power, and computer aided circuit analysis techniques. Pre/Corequisite: MATH 1483

**GENT 1143 COMPUTATIONS FOR TECHNICIANS**

This course studies number systems, dimensional analysis, Boolean algebra, exponential, logarithmic, trigonometric functions and systems of equations used by industrial technicians. It uses spreadsheets, Matlab or equivalent software to solve a variety of problems in introductory engineering analysis: such as graphing data, unit conversions, simple statistical analysis, sorting, searching and analyzing data, curve fitting, interpolation, solving algebraic equations, logical decisions, comparing economic alternatives, and finding optimum solutions. The acquisition and processing of data are also covered. Prerequisites: MATH 1483

**GENT 1153 INTRODUCTION TO MECHATRONICS/MECHANICAL SYSTEMS**

An introductory course in the theory and operation of Mechatronics and Mechanical systems. The course presents foundational concepts in mechatronics including analog and digital electronic sensors, actuators, microprocessors, and microprocessors interfacing to electromechanical systems. Components and measurement equipment used in the design, installation, and repair of mechatronics equipment and circuits are studied. Pre/Corequisite: Math 1483

**GENT 1313 INTRODUCTION TO OCCUPATIONAL SAFETY**

A course in industry safety, giving an overview of state and national regulations in safety. The course will also cover the basic areas of an industrial safety program, as well as reporting, investigating and analyzing the results.

**GENT 1320 (1-6) TECHNOLOGICAL PROBLEMS**

One to six credits. A study of problems in the field of applied technology that are of particular interest to currently employed technicians. Prerequisite: Instructor and Advisor Approval (Offered on demand)

**GENT 1513 BASIC ELECTRICAL CODE AND INSPECTION**

This course is a study of the basic principles of electrical circuits, motors and generators as well as basic wiring principles based on the National Electrical Code. Also included is a survey of the provisions and requirements of all electrical devices and circuits, which are covered in the National Electrical Code. (Offered on demand)

**GENT 2050 (1-6) ADVANCED TECHNOLOGICAL PROBLEMS**

One to six credits. A study of problems in applied engineering science that are of particular interest to the engineering technician. (Offered on demand)

**GENT 2223 MOTORS & GENERATORS**

A study of the operation and maintenance of motors and generators, including an in-depth look at the common components and contrasting operating procedures.

**GENT 2313 HYDRAULICS AND MECHANICAL SYSTEMS**

An introduction to operation and maintenance of the mechanical and hydraulic systems.

**GENT 2323 STATICS**

Force, distributed forces, reactions, free body diagrams, friction, internal forces and moments of inertia. Applications are emphasized. Prerequisites: PHYS 1114 and MATH 1613 (Fall and Spring Only)

**GENT 2353 FLUID MECHANICS**

This course is an introduction into fluid mechanics. It studies the properties of fluids and fluid flow, Bernoulli's theorem, measuring devices, viscosity, and dimensional analysis. It emphasizes pumps, piping, and fluid motors. Prerequisites: GENT 2313

**GENT 2543 PROGRAMMABLE LOGIC CONTROLLERS**

This course teaches the student an overview of the selection, programming, operation, and capabilities/limitations of programmable logic controllers.

**GENT 2600 (1-6) INTERNSHIP**

This course provides on the job training for students. Work experience may be substituted if the student is currently working in the industry. Prerequisite: Advisor approval

**GENT 2650 (1-4) TECHNICAL PROJECTS**

A project will be approved by the instructor for the students to design, build and demonstrate their knowledge of the program. A comprehensive written report of the work accomplished will be prepared that demonstrates the collected knowledge, skills, and techniques acquired in the program of study. It also includes basic numbering systems, Boolean algebra, logic circuits and systems, pulse circuits and pulse logic systems as applied to computer and microprocessor technology demonstrating problem solving, critical thinking, research techniques, technical writing, and team dynamics to help round out the student's education. Prerequisites: Department Head Approval

## GEOGRAPHY

**GEOG 2253 WORLD REGIONAL GEOGRAPHY (I)**

The world’s major culture regions, with emphasis on geographic aspects of contemporary economic, social and political relationships with the physical environment. Prerequisites: [R] [W]

## GEOLOGY

**GEOL 1114 PHYSICAL GEOLOGY (L, N)**

Composition and structure of the earth and the modification of its surface by internal and external processes. Emphasis upon mineral resources, sources of energy and environmental aspects of geology. Field trips required. No credit for students with prior credit in GEOL 1014 - General Geology. Lab: two hours per week. Prerequisites: [R] [M] [SCI]

**GEOL 1224 HISTORICAL GEOLOGY (L, N)**

Earth history, with major emphasis on mountain building, development of continents and oceans and evolution of animals and plants. Field trips required. Lab: three hours per week. Prerequisite: GEOL 1114.

## GRAPHIC DESIGN

**GDD 1253 GRAPHIC EDITING: ADOBE PHOTOSHOP**

Study of basic concepts of computer graphics. Design and use of graphic software applications. Students will learn design and presentation skills. Prerequisites: [R] (Fall only)
*GDD 1313 INTERNET TECHNOLOGIES AND TOOLS
Introduction to technologies of the world wide web. Course uses a hands-on approach to teach the capabilities of the internet, uses of Social Media and trans. Students learn the resources available via the World Wide Web for business use, personal use and to evaluate the validity of websites. Prerequisite: [R]

*GDD 1320 (1-6) TECHNICAL PROBLEMS-GDD
One to four, maximum six credits. Technical problems in telecommunications which are of particular interest to GDD students. Prerequisite: Department Head Approval

*GDD 1333 ELECTRONIC PUBLISHING: ADOBE INDESIGN I
Overview of desktop publishing, where an individual (through the proper equipment and software), can manipulate existing material or prepare new materials for printing. Course will concentrate on basic layout and design and practical applications of word processing, graphics and pagination programs important to creating attractive and effective documents at a lower cost than traditional printing methods. Prerequisite: [R]

*GDD 1463 COMPUTER ART: ADOBE ILLUSTRATOR
Introduction to computer graphics software. Students learn methods and processes for creating artwork with the computer. Phases of computer graphics include draft and paint modes, fills, textures, brushes, graphic tools and color blending through hands-on exercises in drawing, painting and graphic design. Prerequisite: [R] (Fall only)

*GDD 1523 DIGITAL MARKETING AND SOCIAL MEDIA
Understanding Social Media and its impact on business marketing effort is vital in today’s world. This course explores the visual and theoretical challenges that working with Social Media platforms pose and investigates how to leverage these platforms and tools. Prerequisite: [R]

*GDD 2033 WEB PAGE DESIGN
Basic introduction to HTML (hypertext markup language) and to the theories and concepts of publishing on the World Wide Web. Students will construct a Web page using HTML. Prerequisite: GDD 1313 and GDD 2033

*GDD 2133 ADVANCED WEB PAGE DESIGN
This course covers multi-level navigation strategies, cascading style sheets and scripting languages. Prerequisites: ITD 1523 and GDD 2033 (Fall only)

*GDD 2143 WEB PROGRAMMING
This course is an introduction to Active Server Pages (ASP +). It is a hands-on and lecture course for students to become familiar with developing advanced Web applications using Active Server Pages (ASP +). Topics include using advanced Web development tools, the Active Server Page model, processing forms, integrating Web applications with data and other server-based applications, configuring Web applications and using Web services to integrate Web applications. Prerequisites: GDD 2133 (Spring only)

*GDD 2233 COMPUTER ANIMATION
Introduction to computer-aided animation, including generation and sequencing of images by computer to produce animation. Prerequisite: [R] (Spring only)

*GDD 2250 (1-6) TECHNICAL PROBLEMS IN TECHNICAL COMMUNICATIONS
One to four, maximum six credits. Technical problems of particular interest to the technical writing student. Prerequisite: Department Head Approval

*GDD 2263 DIGITAL PHOTOGRAPHY
Introduction to digital images and image editing software applications. Course covers using a digital camera, media transfer, resolution, enhancing and altering images. Prerequisite: [R] (Fall only)

*GDD 2273 DIGITAL VIDEO: ADOBE PREMIERE
Advanced course in digital media and imaging. Course covers advanced image editing and software features. Prerequisite: GDD 2263 (Spring only)

*GDD 2303 ELECTRONIC PUBLISHING: ADOBE INDESIGN II
Desktop Publishing II will present a more detailed review of the desktop publishing concept, proper equipment and software. Also included will be concentration on design and layout of graphic, text and pictorial subject matter. Prerequisite: GDD 1333

*GDD 2323 MULTIMEDIA COMPUTING
Introductory course in multimedia design and implementation. Course explores the design principles and theory involved in multimedia presentation. Student will design and present application. Prerequisite: [R]

*GDD 2343 WINDOWS INTERNET INFORMATION SERVER
This course gives Windows NT administrators and Web masters a sound knowledge base for administering and managing Microsoft Internet Information Server. Internet Information Server is the software used to manage a Web site under Windows NT. Participants work through installation, configuration and system management. This three-credit-hour course uses a combination of lectures, demonstrations, discussions, online assignments and hands-on labs. Prerequisite: ITD 2213

*GDD 2423 ADVANCED MULTIMEDIA
Advanced course in computer-based multimedia interactive design. Integrates multimedia authoring, web design and presentation graphics in multimedia project development. Emphasis is on user friendly applications, utilization of digital video and audio and presentation to the Web. Prerequisite: GDD 2233 (Fall only)

*GDD 2433 WEB ADMINISTRATION
This course covers the planning and implementation process involved in setting up a Web site and its maintenance. Topics include selecting Web server software and hardware, installing and configuring a server and administering the server on an ongoing basis. Prerequisites: ITD 1323 and GDD 2033 (Spring only)

*GDD 2453 PROJECTS - TECHNICAL COMMUNICATIONS
The student with the instructor’s permission will select an in-depth project in technical communications. The student will present to the instructor a paper outlining the proposed project and objectives to be met in completing the project. Prerequisite: Department Head Approval

*GDD 2823 CAPSTONE
The final culmination of the program of study. The student will demonstrate the collected knowledge, skills and techniques acquired in the program courses by working through scenarios. Prerequisite: Department Head Approval

HEALTHCARE MANAGEMENT

HCM 1143 HEALTHCARE SYSTEMS/OPERATIONS
An overview of healthcare delivery systems including different models and components and their applications. A brief historical summary, the interface of public and private organizations and review of the various personnel who comprise these systems, will be examined in relation to their impact on healthcare delivery.

HCM 1153 MEDICOLEGAL PRINCIPLES AND ETHICAL ISSUES
This course will review local, state and federal legislation as they relate to healthcare systems and delivery, as well as analyze relevant medicolegal principles and concepts. An overview of medical ethics will be presented, and a variety of related ethical issues will be explored.

HCM 1173 THIRD PARTY PAY/HEALTH ISSUES
This course covers the role of the health insurance specialist, legal concerns, managed care, the lifecycle of a health insurance claim, diagnosis coding procedures, the ICD-9-CM, CPT and HCPCS coding systems, HCFA reimbursement, coding from various source documents, BCBS, Medicare and Medicaid, TRICARE/CHAMPUS and workers’ compensation.

HCM 1183 HEALTHCARE CODING/BILLING
This course covers procedural coding guidelines for the ICD-10-CM classifications, CPT coding, evaluation and management, primary care, anesthesia/general surgery, the inpatient system, orthopedics, cardiology, OB/GYN, radiology, pathology and laboratory. This class uses curriculum aligned with the AAPC CPC National certification exam.
HCM 1193 HEALTHCARE CODING/BILLING II
This course is designed to provide advanced practice in healthcare coding, and can serve as a test prep for the national certification exam for coding professionals (CPC). Prerequisite: HCM 1183

HCM 2163 HEALTHCARE MANAGEMENT
An introduction to Emergency Medical Services and Healthcare Management focusing on human resources, organizational structures, medico-legal issues, contracts/agreements, risk management, deployment/staffing and policies and procedures.

HCM 2173 HEALTHCARE HUMAN RESOURCE MANAGEMENT
A continuation of HCM 2163, reviewing basic principles and methods of financing, budgeting, accounting, purchasing and inventory control and marketing. A brief overview of research fundamentals and computer applications for healthcare managers is also included. Prerequisite: HCM 2163

HCM 2183 EMS/HEALTHCARE SUPERVISION
A study of principles and methods utilized in the supervision of healthcare personnel and related activities or operations. Examines the supervisory process and its practical application in a variety of healthcare settings and situations. Leadership, decision-making and effective communication skills are also emphasized through role-play activities.

HCM 2193 HEALTHCARE PROVIDER RELATIONSHIPS
This course deals with the problems of management of the small working unit (division, department, section, etc.) within a larger healthcare agency. Included items will be unit goals, identification of problems, staffing needs, monitoring of work progress, unit communications and interpersonal relations within the unit.

HCM 2233 INTERNSHIP (PRACTICUM)
Field experience providing learning through observation and participation in administrative activities, which allows the application of knowledge and skills learned in coursework. (Placements are arranged in an existing healthcare system/agency to support role development consistent with the student's career goals and work experience.) Prerequisites: HCM 2163, HCM 2173 and HCM 1143

HRT 1103 PRINCIPLES OF HORTICULTURE (L,N)
Horticulture fundamentals course covering the characteristics of and uses for horticultural plants, plant growth principles and plant care practices, the scope of the horticulture industry, basics in plant propagation, landscape plant maintenance, fruit and vegetable gardening and pest control. Lab Included. Prerequisites: [R] and ICSVW 0033

HRT 1123 SUSTAINABLE HORTICULTURAL PRACTICES
This course will provide a base knowledge of the principles and practices of sustainable horticultural management systems. The class will review soil biological processes, pest management, and production systems. The course will also include studies of alternative farming systems, organic agriculture and National Organic Program (NOP) certification. Study of specific applications of sustainable production such as vegetables, fruits and ornamentals will also be included. Lab Included. Prerequisite: HRT 1013

HRT 1103 LANDSCAPE GRAPHICS AND DESIGN THEORY
Drafting and illustration techniques for landscape designs. Introduction to landscape drawing, delineation, lettering and color rendering with applications to simple and more complex landscape plans. Lab Included. Additional $15 lab fee. Prerequisites: [R] and ICSVW 0033

HRT 1123 HOME GARDENING - FRUITS AND VEGETABLES
Emphasis is placed on fruits and vegetables to be grown in a home garden. Cultural and environmental problems associated with each fruit or vegetable crop to be studied. Lab Included. Pre-requisites: [R] and ICSVW 0033 (Spring only)

HIST 1103 ADVANCED LANDSCAPE GRAPHICS
Advanced drafting and illustration techniques for landscape designs, focusing on presentation drawings in both black and white and color formats. Application of graphic techniques to more complex plans, drawings and programs. Introduction to graphic media and blending of electronic and hand drawn graphics. Lab Included. Prerequisite: HRT1103

HIST 2323 OKLAHOMA HISTORY (S)
Development of the state of Oklahoma from prehistory to present. Among the material relating to Oklahoma to be covered are the geography and geology, prehistoric cultures, Native American heritage, Civil War, Cimarron Territory, Indian Territory, Oklahoma Territory, statehood, development of political institutions, ethnic diversity, economic development, politics and other aspects contributing to the formation of the state. The course satisfies the Oklahoma State Department of Education requirement for teacher certification. Prerequisites: [R] [W]

HIST 2450 (1-6) SPECIAL TOPICS (S)
One to six credits, six credits maximum. Variable course credit of one to six hours. Examines contemporary issues and topics within history. This course may be cross-listed with other technical problems or special topics sections. Prerequisites: [R] [W]

HIST 2463 NATIVE AMERICAN HISTORY (S)
This course provides a comprehensive examination of the history of North American Native Americans indigenous to what is now the United States. Topics such as languages, religious beliefs, family structures, political structures, economic systems, and military history will be covered. Prerequisites: [R] [W]
HRT 1151 INTRODUCTION TO FLORAL DESIGN
Students will experience care and handling of fresh flowers and plants; customer care and sales; and principles and elements of basic flower design. Lab Included. Additional $100 lab fee.

HRT 1163 BILINGUAL HORTICULTURE COMMUNICATIONS
This course is designed to assist supervisors and employees within the horticulture industry with the Spanish/English language transition and to gain better understanding of contemporary Hispanic culture. Emphasis will be placed on translating and then properly speaking horticulture terminology in Spanish while addressing cultural and communication issues. The linkages and implications of these issues will be examined as they apply to successfully managing and understanding a diversified work force. Prerequisites: [R] and ICSW 0033 (Spring only)

HRT 1173 MARKET GARDENING – FALL/WINTER PRODUCTION
This course will address fall and winter production of various horticultural crops including vegetables, fruits and ornamentals for direct markets. Cultural practices including soil building, fertilization, pest management, harvest and post-harvest handling will be addressed. This course will also cover season extension structures, equipment needs, farm management, and marketing. Lab Included. Pre/Corequisite: HRT 1013 (Fall only)

HRT 1183 MARKET GARDENING – SPRING/SUMMER PRODUCTION
This course will address spring and summer production of various horticultural crops including vegetables, fruits and ornamentals for direct markets. Cultural practices including soil building, fertilization, pest management, harvest and post-harvest handling will be addressed. This course will also cover season extension structures, equipment needs, farm management, and marketing. Lab Included. Pre/Corequisite: HRT 1013 (Spring only)

HRT 1220 (1-6) TECHNICAL PROBLEMS - HORTICULTURE
One to three credits, six credits maximum. Technical problems in horticulture that are of particular interest to horticulture majors. Prerequisite: Advisor Approval

HRT 1423 LANDSCAPE BIDDING AND CONTRACTS
Investigation of professional principles and practices in the field of landscape contracting, focusing on costs of business and project implementation. Course work includes: estimating costs for landscape installation and maintenance, bidding on landscape installation and maintenance work, preparation and review of contracts for landscape installation and maintenance, controlling the work and costs of the work under the terms of landscape contracts and subcontracts, and administering a landscape contracting business. Pre/ Corequisite: HRT 1013 (Spring only)

HRT 1843 IRRIGATION AND DRAINAGE DESIGN
This course is designed to teach student basic principles of irrigation and drainage design. Students will be presented with engineering aspects of water dynamics and hydraulics. Additional topics include soil-water-plant interactions, system components, electrical systems and business practices and estimating. Students will design irrigation systems for residential, commercial and sport fields. Lab Included. Prerequisites: [R] and ICSW 0033 (Spring only)

HRT 2013 MAINTENANCE OF LANDSCAPE PLANTS
Preparation of soil, pruning and training of ornamental trees, shrubs and vines, pest and disease control, fertilization and environmental factors which affect the care and maintenance of landscape plants. Lab Included. Prerequisite: HRT 1013 (Spring only)

HRT 2023 HORTICULTURAL SOIL SCIENCE
The study of principle physical, chemical and biological properties of the soil as related to horticultural plant growth. Subjects covered include soil testing and fertilizer usage, formation and classification of soils, rural and urban land use. Course work covers the basic chemistry and math related to soil science. Lab Included. Prerequisite: HRT 1013 (Spring only)

HRT 2050 (1-6) ADVANCED PROBLEMS-HORTICULTURE
One to six credits, six credits maximum. A study of applied problems that are of particular interest to horticulture majors. Lab Included. Prerequisite: Advisor Approval

HRT 2113 TURFGRASS MANAGEMENT
Selection, establishment and maintenance of turf grass, use of equipment, identification of weeds and chemicals used for turf management. Lab Included. Prerequisite: HRT 1013 (Fall only)

HRT 2123 LANDSCAPE DESIGN THEORY
The understanding and use of basic design principles and elements and their application to landscape design. Theories of analysis, planning and organization of outdoor spaces for human use and enjoyment. A look at historical styles and approaches to landscape architectural design, and past and present design theories. The study of uses of plant materials for design effect. Lab Included. Additional $15 lab fee. Prerequisites: HRT 1013 and HRT 1103 (Fall only)

HRT 2133 NURSERY MANAGEMENT AND OPERATIONS
The propagation, production, management and marketing of commercial nursery stock including facilities, equipment, supplies, environmental and pest control. Lab Included. Prerequisite: HRT 1013 (Fall only)

HRT 2143 LANDSCAPE DESIGN APPLICATIONS
The use of materials, methods of construction, and related systems to support the design process. Emphasis on solving landscape problems through logical analysis and application of design skills. Lab Included. Additional $15 lab fee. Prerequisite: HRT 1103 (Spring only)

HRT 2153 ADVANCED FLORAL DESIGN
Students will get in-depth, hands-on experience and coaching on contemporary and everyday design, sympathy, hand-tied bouquets, wedding and event design, and flowers to wear and carry. Principles of selling, pricing and budgeting learned in the introductory class will be used in this course for event planning. Advanced skill development will be encouraged. Lab Included. Additional $100 lab fee. Prerequisite: HRT 1151

HRT 2163 PLANT PROPAGATION
Principles and practices used in the sexual and asexual propagation of horticultural plants including seeds, division, layering, cuttings, grafting, budding and tissue culture techniques. Lab Included. Prerequisite: HRT 1013 (Spring only)

HRT 2213 HORTICULTURE MARKETING
An in-depth study of marketing principles and how marketing applies to the horticulture industry. Includes location, facilities, sales methods and price determination. Services, merchandising, marketing and advertising techniques, as well as supervisory and personnel responsibilities are also offered. Lab Included. Pre/Corequisite: HRT 1013 (Fall only)

HRT 2231 LANDSCAPE CONSTRUCTION EQUIPMENT
Introduction to equipment selection, operations, maintenance, and safety procedures relating to small and large equipment used in landscape construction. Lab included.

HRT 2233 LANDSCAPE CONSTRUCTION MATERIALS & METHODS
Overview of materials used in landscape construction and the landscape construction applications appropriate for each material, typical procedures for different types of built landscape elements. Landscape elements studied include walkways, decking, walls, fences, steps, pergolas and arbors, basic water features, and landscape lighting. Course material includes basic occupational safety and particular concerns for each construction procedure. Lab included. Prerequisite: [R] and ICSW 0033 (Fall only)

HRT 2251 STYLES AND TRENDS IN FLORAL DESIGN
Students will experience advanced design techniques to include tropical flower design and foliace weaving. Public speaking and presentation of completed floral design is incorporated into the course. Lab Included. Additional $100 lab fee. Prerequisite: HRT 2153
HRT 2263 HORTICULTURAL PEST MANAGEMENT
Introduces and thoroughly covers the topic of pest management in all areas of horticulture technology. Lab and field trips are included. Prerequisite: HRT 1013 (Fall only)

HRT 2313 DECIDUOUS LANDSCAPE PLANTS
Identification and classification of deciduous trees, shrubs, vines and groundcovers with some evergreen trees and shrubs. Includes the study of the plant materials cultural requirements and landscape uses. Lab included. Prerequisite: HRT 1013 (Fall only)

HRT 2343 CONTROLLED ENVIRONMENTS HORTICULTURE - FALL
This is a study of the operation and management of greenhouses and related environments. Emphasis is on infrastructure, cultural systems, production, and marketing of commercial floricultural, vegetable, and herb crops as practiced in the fall such as fall bedding plants and poinsettia. Lab and field trips are included. Prerequisite: HRT 1013 (Fall only)

HRT 2413 EVERGREEN LANDSCAPE PLANTS
The identification and classification of evergreen trees, shrubs, vines and groundcovers with some deciduous trees and shrubs. Includes the study of their cultural requirements and landscape uses. Lab included. Prerequisite: HRT 1013 (Spring only)

*HRT 2423 COMPUTER GRAPHICS FOR LANDSCAPE DESIGN
Introduction to computer programs utilized in the practice of landscape design. Principles of electronic drafting, utilizing Auto CAD and Photoshop. Students will master drawing set-up, basic drawing and modification commands, and file management in Auto-CAD. Introductory Photoshop exercises relate to landscape plan and illustration rendering. Applications to the landscape design industry are emphasized. Lab Included.

HRT 2443 CONTROLLED ENVIRONMENTS HORTICULTURE - SPRING
This is a study of the operation and management of greenhouses and related environments. Emphasis is on infrastructure, cultural systems, production and marketing of commercial floricultural, vegetable, and herb crops as practiced in the spring such as spring bedding plants and Easter lily. Lab and field trips are included. Lab Included. Prerequisite: HRT 1013 (Spring only)

HRT 2453 HERBACEOUS ORNAMENTAL PLANTS
This plant identification course introduces ornamental annual and herbaceous flowering perennials for garden, landscape and patio spaces. The study includes flowering bulbs, roses, ornamental grasses and herbs. Culture, care and design issues are considered. Lab and field trips are included. Lab Included. Prerequisite: HRT 1013 (Spring only)

HRT 2463 INTERIOR PLANTS
This plant identification course introduces tropical foliage and flowering plants for interior spaces. Cultural requirements, practical maintenance and design issues are considered, along with an introduction to the interiorscape industry. Lab and field trips are included. Lab Included. Prerequisite: HRT 1013 or Department Head Approval (Fall only)

HRT 2533 ADVANCED TURFGRASS MANAGEMENT
Emphasis will be placed on the appropriate grounds maintenance activities for commercial lawn care, sports facilities and golf courses. Advanced topics in turfgrass ecology, turf cultural requirements, pest control and equipment will be studied along with construction techniques of sports turf and day-to-day operations of various facilities. Lab Included. Prerequisites: HRT 1013 and HRT 2113 (Spring only on odd years)

HRT 2650 (1-6) HORTICULTURE INTERNSHIP
One to four hours credit, six credits maximum. Special project will be assigned by the advisor with the approval of the department head. A comprehensive written report of the work accomplished must be prepared and approved. Before credit is received, an examination may also be required. Prerequisites: Sophomore Standing and Advisor Approval

HRT 2843 IRRIGATION INSTALLATION AND TROUBLESHOOTING
This hands-on course introduces basic irrigation layout, installation, maintenance and troubleshooting techniques. Topics include: gluing and repairing PVC and polyethylene pipe, installing and adjusting heads, electric valve operation, troubleshooting and repairing electric valves and field controllers. Additional topics include pump and well operations, cross connection, winterizing, drainage and micro irrigation system installations. Lab Included. Prerequisite: HRT 1843 (Spring only)

HRT 2933 HORTICULTURE CAPSTONE
The capstone course of the horticulture programs. The student will demonstrate the collected knowledge, skills and techniques acquired in the program courses by working through an approved project in a team setting. Students will demonstrate problem solving, critical thinking, research techniques, technical writing, budgeting/cost estimating and teamwork in an interdisciplinary setting. Credibility, professionalism and group dynamics will be emphasized to help round out the student's education. The final project must be presented as a group with each individual supplying the necessary resume, portfolio and video introduction. Prerequisites: Sophomore and Advisor Approval

HUMN 1803 INTRODUCTION TO ART (H)
Introduction to the analysis and interpretation of the visual arts.

HUMN 2050 (1-6) SEMINAR IN HUMANITIES (H)
A study of variable topics in Humanities. May be repeated with different topics. Prerequisite: ENGL 1113

HUMN 2103 MASTERWORKS OF WESTERN CULTURE/ANCIENT AND MEDIEVAL (H)
Key ideas and values of ancient and medieval western culture, as discovered through an integrated and thematic study of literature and the fine arts, seen in their historical and philosophical context. Prerequisite: ENGL 1113.

HUMN 2203 MASTERWORKS OF WESTERN CULTURE/MODERN (H)
Key ideas and values of modern western cultures, as discovered through an integrated and thematic study of literature and the fine arts, seen in their historical and philosophical contexts. Prerequisite: ENGL 1113.

INFORMATION TECHNOLOGY

ITD 1103 INFORMATION TECHNOLOGY FUNDAMENTALS
The course provides students with the foundation-level knowledge and skills necessary for information technology technical support positions. Students will be able to identify and explain Personal Computer (PC) components, setup a basic PC workstation, conduct basic software installation, identify compatibility issues and recognize/prevent basic security risks. Further, this course covers the areas of Green IT and preventative maintenance of computers. The course prepares the student for an Information Technology industry recognized certification exam. Prerequisite: [R]

*ITD 1113 MICROSOFT WINDOWS EXPERT USER
This course provides the student with the knowledge and skills necessary to provide technical support with the current Microsoft desktop operating system. Students will develop an advanced proficiency in using the Windows desktop operating system, as such; students will need prior knowledge and skills with Windows desktop operating systems. The student will understand the operating system configurations, installing and upgrading client systems, managing applications, managing files and folders, managing devices, and operating system maintenance. In addition, other course topics include configuring network connectivity, access to resources, mobile computing, monitoring and maintaining systems that run Windows, and backup and recovery options. This course prepares the student for an Information Technology industry recognized exam. Prerequisite: [R]
ITD 1523 SUPPORTING AND TROUBLESHOOTING PERSONAL COMPUTERS  
The course presents the fundamentals of personal computer hardware and software installation, maintenance, networking and troubleshooting. It assists students in preparing for the Comptia A+ industry certification. This course uses a combination of lecture and hands-on lab exercises. Prerequisite: ITD 1103

ITD 1533 LAN FUNDAMENTALS  
The course provides the student with the foundation-level knowledge of and skills with computer networking. In this course, the student will examine network concepts, standards, technology, media, protocols and topologies. Topics include connectivity, network devices, basic network security, local and wide area networks, network design, transmission media, cabling, wireless access, IP addressing, cloud computing concepts, and open systems interface (OSI) model. This course prepares the student for an Information Technology industry recognized certification exam. Prerequisite: [R]

ITD 1543 INTRODUCTION TO COMPUTER FORENSICS  
This course introduces students to the fundamentals of the computer forensics field and technology. Students will learn about the computer forensics profession, legal issues and procedures of computer investigations and digital evidence management, industry-standard computer forensics tools, file systems, data recovery and collection, and sample case evaluations. Prerequisite: [R]

ITD 1613 AWS ACADEMY CLOUD FOUNDATIONS  
The course provides the student with an overall understanding of cloud computing concepts, independent of specific technical roles. It provides a detailed overview of cloud concepts, core services, security, architecture, pricing and support. Prerequisite: [R]

ITD 2143 DIGITAL INVESTIGATIONS AND REPORTING  
This course covers the digital forensics methods used to preserve, collect, validate, identify, analyze, interpret, and present digital evidence for a criminal case or civil litigation. Each step in digital forensics and eDiscovery process emphasizes the legal requirements that digital evidence have integrity, authenticity, reproducibility, non-interference, and minimization. Prerequisite: ITD 1543 (Fall Only)

ITD 2163: CYBER ETHICS AND LAW  
This course introduces students to US Federal laws and regulations related to computers and technology. Students will also examine impacts of issues in the use of computer technology in organization-al environments and be introduced to professional codes of ethics and standards within the technology professions. Prerequisites: [R] [W]

ITD 2173: COMPUTER FORENSICS & INCIDENT RESPONSE  
Presents the ethical and social issues related to computer technology. This course provides students the opportunities to apply the fundamentals of the computer forensics to the processing and analysis of real or hypothetical cases. Students will have substantial hands-on experience in problem-solving and in using computer forensic knowledge and tools to identify, recover, collect, process, analyze, document and present digital evidence in sample cases of computer crimes or incidents. The hands-on experience includes work on file and data recovery, password cracking and examination and analysis of email and network intrusions. Prerequisite: ITD 2143 (Corequisite: ITD 2801 (Spring Only))

ITD 2193 TECHNICAL SUPPORT COMMUNICATIONS  
This course provides students with the skills to provide technical support to users, including troubleshooting and problem solving, successful communication with users, determining a client's specific needs, and training end users. With a balance of both people skills and technical skills this course is an excellent resource for students who are preparing for careers in technical occupations. Includes but not limited to effective presentations (oral and written), as well as summarizing to co-workers reasoning and communication. Role-playing with current IT issues and using industry professionals to play out the scenario. Focus on using soft-skills for effective communication and delivery of topic. Prerequisites: [R] [W]

*ITD 2213 NETWORKING I  
This course prepares the student for positions as desktop support technicians who manage and maintain desktop operating systems as part of their technical responsibility. The course provides the student with the knowledge and skills necessary to manage and maintain the desktop operating system on a network. The student will be able to identify cause of and resolve desktop application issues, networking issues, manage and maintain systems running Windows client, support mobile users, and identify cause of and resolve security issues. After completing the course, the student should be able to resolve operating systems issues by telephone, email, connecting to an end user's system remotely, or by visiting an end user's desktop. The student should have prior experience using Microsoft office applications and other productivity applications used in a corporate environment. This course prepares the student for an Information Technology industry certification exam. Prerequisite: ITD 1533

*ITD 2240 (1-4) COOPERATIVE PRACTICE  
One to four credits. Under supervision of the college and the employer, students combine classroom learning with career-related work experience. Prerequisite: Department Head Approval

*ITD 2213 NETWORKING II  
This course prepares students for positions as a server support technician who manages and maintains network servers as part of their technical responsibility. The course provides the student with the knowledge and skills necessary to build, maintain, troubleshoot and support server hardware and software technologies. The student will be able to identify environmental issues; understand and comply with disaster recovery and physical/software security procedures; be familiar with industry terminology and concepts; understand server roles/specialization and interaction within the overall computing environment. Students will learn to install, deploy, configure, and update Network Operating Systems (Windows and Linux). This course prepares the student for an Information Technology industry recognized certification exam. Prerequisite: ITD 2213 (Fall Only)

*ITD 2333 NETWORKING III  
This course prepares the student with the foundation knowledge in advanced routing and switching technologies and network management. Students gain knowledge with installing, monitoring and troubleshooting network infrastructure using Cisco networking technology. The course covers switches, routers, basic mitigation of security threats, introduction to wireless networking concepts and terminology. In addition, the course includes managing Cisco network devices with the latest IOS, Cisco Licensing, and extensive troubleshooting. Course prepares students to take the Cisco Certified Entry Networking Technician (CCENT) and/or the Cisco Certified Network Associate (CCNA) Routing and Switching certification exams. Prerequisite: ITD 2623 or CompTIA Net+ certification (Spring Only)

*ITD 2433 LINUX  
This course is a study of the Linux operating system and applications for system, file and disk management. It includes an introduction to systems administration and development of programs for the Linux operating system. (Fall only)

ITD 2513 AWS ACADEMY CLOUD COMPUTING ARCHITECTURE  
The course is designed to help students develop technical expertise in cloud computing and prepare them for an Information Technology industry recognized certification exam. Prerequisite: ITD 1613

*ITD 2623 ADVANCED LAN FUNDAMENTALS  
The course provides the student with the knowledge and skills to implement a defined network architecture with basic network security. The student will be able to configure, maintain, and troubleshoot network devices using appropriate network tools and understand network features and purposes of network technologies. The students will learn to make basic solution recommendations, analyze network traffic, and be familiar with common protocols and media types. Course prepares the student to take the CompTIA Network+ certification exam. Prerequisite: ITD 1533

*ITD 2723 NETWORK SECURITY  
The course prepares the student with foundation-level network security skills and knowledge used by IT security professionals. The course provides the student with the knowledge and skills neces-
sary to identify risk and participate in risk mitigation activities, provide infrastructure, application, operational and information security, apply security controls to maintain confidentiality, integrity and availability, identify appropriate technologies and products, and operate with an awareness of applicable policies, laws and regulations. The course covers network security; compliance and operational security; threats and vulnerabilities; application, data and host security; access control and identity management; and, Cryptography. This course prepares the student for an IT Information Technology industry recognized certification exam. Prerequisite: ITD 2633 (Spring Only)

ITD 2801 CERTIFICATION PRACTICUM
This course gives the student the opportunity to demonstrate the knowledge and skills learned from the computer forensics and e-discovery certificates course work. The practicum will include a written exam and a practical exam. The student will demonstrate comprehensive knowledge of high level proficiency in order to complete the course. Prerequisites: ITD 2145 Corequisite: ITD 2173 (Spring Only)

*ITD 2823 MICROSOFT INTERNET SECURITY AND ACCELERATION SERVER
This course provides students with the knowledge and skills to deploy and manage Microsoft® Internet Security and Acceleration (ISA) Server as part of a larger security infrastructure which includes network and perimeter security measures, Internet firewalls, application layer filters, and screened networks. Students will also learn to implement caching servers and additional mechanisms to protect public-facing Web servers. The course introduces security concepts unique to ISA Server and provides best practices for their implementation. This course assists students in preparing for the Microsoft exam 70-350: Implementing Microsoft Internet Security and Acceleration Server 2004. Instructional methods include lectures, discussions, scenarios, demonstrations, chapter review questions, textbook exercises, and classroom labs. (Spring only)

ITD 2933 INFORMATION TECHNOLOGY CAPSTONE
As a capstone course of the Information Technology program, the student will demonstrate the collected knowledge, skills, and techniques acquired in the program of study through a variety of assessment methods. Students will demonstrate problem solving, critical thinking, research techniques, and technical writing. Information Technology ethics, professional responsibility, and team dynamics will be emphasized to help round out the student’s education. Prerequisite: Department Head Approval

ICRM 0122 SUPPORT FOR COMPOSITION I
Co-requisite course to be taken in conjunction with ENGL 1113. This course will provide supplemental and support instruction in the critical reading and writing skills students need to be successful in Composition I. Prerequisites: Grade of “B” or better in ICRM 0035 or satisfactory placement scores

ICRM 0123 COLLEGE READING AND WRITING II
This course integrates the critical reading and writing skills students need to comprehend and interact with college-level texts and to produce original college-level writing through the process of generating ideas, drafting, organizing, revising, and editing. Prerequisite: ICRM 0122

ICSM 0104 INTRO TO COLLEGE MATH
This course provides an introduction to linear regression.

ICSM 0234 ALGEBRAIC LITERACY
Review of fundamental mathematics and introduction to algebra to include signed numbers, exponents, algebraic expressions and fractions, linear equations and inequalities, polynomials, factoring, and the basics of rational expressions and equations. This course also covers radicals and radical equations, complex numbers, systems of linear equations, quadratic equations, and the graphing of lines, systems of equations, and quadratic equations. Satisfactory placement scores are required or students must have completed ICRM 0122 with a grade of “C” or better.

ICSM 0303 PREP FOR BUSINESS MATH
Co-requisite course to be taken in conjunction with Math 1483. This course will provide supplemental and support instruction on math skills used in common business practices such as payroll, inventory, and taxes.

ICSM 0413 PREP FOR QUANTITATIVE REASONING
Co-requisite course to be taken in conjunction with Math 1413. This course will provide supplemental and support instruction on math skills used in various mathematical topics ranging from personal finance, measurement, geometry, statistics, counting methods and probability theory.

ICSM 0483 PREP FOR MATHEMATICAL MODELING
Co-requisite course to be taken in conjunction with Math 1485. This course will provide supplemental instruction and review of the basics of algebraic equations and functions to include their various uses in the modeling and interpretation of real world data.

ICSM 0513 PREP FOR PRECALCULUS
Co-requisite course to be taken in conjunction with Math 1513. This course will provide supplemental and support instruction on the algebraic skills need to be successful in the Math 1513. Topics include radicals and radical equations, complex numbers, systems of linear equations, quadratic equations, and the graphing of lines, systems of equations, and quadratic equations.

ICSW 0033 READING FOR COLLEGE PREP I
Improvement of vocabulary and reading comprehension. May be used for skills remediation.

ICSW 0133 READING FOR COLLEGE PREP II
Development of analytical reading and reasoning skills. May be used for skills remediation. Satisfactory placement scores are required or students must have completed ICSR 0033 with a grade of “C” or better. Prerequisite: ICSR 0033.

ICSW 0033 DEVELOPMENTAL WRITING
Intensive instruction in basic writing skills, parts of speech, grammar, punctuation, sentences and paragraphs. May be used for skills remediation.

ICSW 0123 BASIC COMPOSITION
Intensive instruction of grammar and writing skills, paragraph structure and composition, and essay structure and composition. May be used for skills remediation. Satisfactory placement scores are required or students must have completed ICSW 0033 with a grade of “C” or better. Prerequisite: ICSW 0033
INTERPRETER TRAINING

**ITP 1212 NONVERBAL COMMUNICATION**
An introduction to the profession of sign language interpreting which includes an overview of the history of interpreting and interpreting organizations, the roles and responsibilities of the interpreter, an overview of various work venues, and the study of skills required to express communication without the spoken word through the use of facial expression, body language and gestures. Prerequisites: [R] [W]

**ITP 1222 INTRODUCTION TO INTERPRETING**
An introduction to the profession of sign language interpreting which includes an overview of the history of interpreting and interpreting organizations, the roles and responsibilities of the interpreter, and overview of various work venues, and a set of skills required to express communication without the spoken word through the use of facial expression, body language and hand gestures. Prerequisites: [R][W]

**ITP 1320 (1-4) TECHNICAL PROBLEMS-ITP**
One to four credits. Technical problems in interpreter training that are of particular interest to interpreters.

**ITP 1332 INTRODUCTION TO THE DEAF COMMUNITY**
A study of the status of deaf persons from the past to the present day. Various communication methods and the education process for deaf students will be discussed. Prerequisites: [R][W]

**ITP 1352 FINGERSPELLING I**
A course focused on developing the skill of reading and executing fingerspelling with emphasis on fluency and accuracy. Prerequisite: ITP 1364.

**ITP 1364 AMERICAN SIGN LANGUAGE I**
An introductory course in American Sign Language (ASL) which includes the development of receptive and expressive skills in authentic situations and an introduction to Deaf culture. Topics revolve around sharing information about our environment and us. Grammar is introduced in context, with an emphasis on developing question and answering skills. Activities involving interaction allow for rehearsing conversational strategies and targeted vocabulary. Prerequisites: [R][W]

**ITP 1374 AMERICAN SIGN LANGUAGE II**
Continuation of American Sign Language I (ASL) I. This course further develops receptive and expressive skills in American Sign Language in authentic situations and expands the study of Deaf culture. It covers topics like making requests and talking about routines while focusing on grammatically correct production and appropriate non-manual behaviors. Prerequisites: ITP 1364 and concurrent enrollment in ITP 1352.

**ITP 1493 INTERPRETING SPECIAL AREAS**
Introduces the following topics in interpreting: (1) working with deaf and hard-of-hearing persons who communicate through speech and speech reading, (2) working with person having minimal language skills, (3) working with person who are deaf and blind, and (4) multicultural aspects of interpreting. Prerequisites: ITP 1374.

**ITP 2050 (1-6) ADVANCED TECHNICAL PROBLEMS**
One to six credits, six maximum. A study of applied problems that are of special interest to the interpreter. Prerequisite: Department Head Approval.

**ITP 2113 SIGN-TO-ENGLISH INTERPRETING I**
Designed to develop skills in consecutive interpreting from sign into spoken English. Skills targeted include cultural mediation, transitions, closure, fluency, clarity and message conveyed for content and affect. Prerequisites: ITP 2413 and ITP 2513.

**ITP 2263 EDUCATIONAL INTERPRETING**
Designed to give the students experience in interpreting in the educational setting. Emphasis will be given to Signing Exact English (SEE) and the vocabularies specific to different educational areas such as history, math, computer science, English and science. Prerequisites: ITP 2513 and ITP 2623.

**ITP 2273 TRANSLITERATING**
Designed to provide students with skills development in transliterating using conceptually accurate signed English. Students will work on a variety of stimulus materials to expand vocabulary. Prerequisite: ITP 2513, ITP 2623.

**ITP 2313 FUNDAMENTALS OF INTERPRETING**
An introduction to the principles, practices and processes of interpreting and transliterating. Emphasis on the Code of Professional Conduct and ethical decision-making. Prerequisite: ITP 1374.

**ITP 2322 ETHICAL DECISION MAKING IN INTERPRETING**
This course will focus on the ethical dilemmas interpreters encounter in various interpreting situations. We will discuss how to become aware of our own personal values, morals, and prejudices as well as how they can influence the interpreting situation. This course prepares students for the QAST written examination. Prerequisite: ITP 2513.

**ITP 2413 AMERICAN SIGN LANGUAGE III**
An intermediate course with an emphasis on expressive and receptive conversational sign language skills incorporating signed expression. Prerequisite: ITP 1374.

**ITP 2443 SIGN-TO-ENGLISH INTERPRETING II**
A continuation of Sign-to-English Interpreting I. Targeted skills will also include interpreting simultaneously from sign to spoken English and recognition of a variety of signing modes. Prerequisites: ITP 2113 and ITP 2513.

**ITP 2501 SKILLS MAINTENANCE LAB**
Skills maintenance lab.

**ITP 2513 AMERICAN SIGN LANGUAGE IV**
Extensive concentration on American Sign Language communication skills, combined with linguistic comparisons of English and ASL. Prerequisite: ITP 2413.

**ITP 2522 AMERICAN SIGN LANGUAGE V**
Continuation of American Sign Language (ASL) IV. This course further develops receptive and expressive ASL skills in authentic situations and expands the study of Deaf culture. There will be extensive concentration on American Sign Language grammar and communication skills, combined with linguistic comparisons of English and ASL. Prerequisite: ITP 2513.

**ITP 2623 INTERPRETING ENGLISH TO ASL I**
A continuation of Sign to English Interpreting I. Targeted skills will also include interpreting simultaneously from sign to spoken English recognition of a variety of signing modes. Prerequisites: ITP 2513, ITP 2413 and ENGL 1213.

**ITP 2633 INTERPRETING ENGLISH TO ASL II**
A continuation of Interpretating English to ASL I. Skills targeted also include interpreting simultaneously from sign to spoken English and recognition of a variety of signing modes. Prerequisites: ITP 2513, ITP 2413 and ENGL 1213.

**ITP 2642 INTERPRETING PRACTICUM I**
This course is designed to give the student practical, real world experience in the field of interpreting. Students will observe and interact with working interpreters in the field in a variety of settings. Students will apply aspects of what they learn in the field to various interpreting lab assignments. Prerequisite: ITP 2633.

**ITP 2654 INTERPRETING PRACTICUM II**
A practicum course designed to give students supervised experiences in interpreting in limited professional settings. Students will prepare a portfolio of their best work in interpreting and transliterating in both voice-to-sign and sign-to-voice. Students will take the QAST performance evaluation at the end of the semester. Prerequisite: ITP 2642

MANAGEMENT

**MGMT 2003 SMALL BUSINESS MANAGEMENT**
Focuses on the experiences and problems faced by those who go into business for themselves. Looks at problems of organizing and managing individually owned businesses including location, securing capital, record keeping and sales promotion. Prerequisites: [R] [W]

**MGMT 2103 PRINCIPLES OF MANAGEMENT**
An introductory course presenting the basic concepts and practices of management, both private and public. Topics include historical development of management; basic definitions and philosophy; fundamentals of management; including planning, organizing, staffing, directing and controlling; current trends in management; possible future developments in organization and administration. Prerequisite: [R] [W]
MGMT 2143 ORGANIZATIONAL LEADERSHIP
A study of the impact of leadership on organizational performance. Course discusses organizational structure, leadership roles, motives, behaviors, attitudes, and styles, leadership theories, tactics for organizational change, conflict resolution, and strategic leadership. Prerequisites: [R] [W].

MGMT 2163 SUPPLY CHAIN MANAGEMENT
Supply chain management is one of the hottest topics in today’s business, this course’s focus is on understanding the relevant history, principles, and major elements of supply chain management. Specific topics include sourcing and purchasing management, managing supplier relationships, demand forecasting, inventory management, quality management, domestic and international transportation, customer relationship management, enterprise resource planning systems, facility location, decision-making, performance management, and future challenges facing supply chain managers. Prerequisites: [R] [W].

MGMT 2213 HUMAN RESOURCES MANAGEMENT
Focuses on developing students’ understanding of human resource issues and the practical application of methods for solving these issues. Topics covered include job analysis, recruitment, interviewing, selection, performance appraisal, training, compensation and equal employment opportunity. Issues are reviewed within the context of the historical and current social environment, labor market, legal and global economic conditions influencing practice. Prerequisites: [R] [W].

MGMT 2223 SUPERVISION
Effective supervision is considered the key link to productivity. Building upon the foundations learned in MGMT 2103, this course examines the skills needed for effectively managing work and leading people. Topics include: planning, organizing, directing and controlling, communications, skills, managing change, motivation, leadership, building relationships, discipline, grievances and complaints, selection and retention. Prerequisite: MGMT 2103.

MGMT 2293 INTRODUCTION TO NON-PROFIT ORGANIZATION
An overview of non-profit organizations and the importance of business function in their effectiveness and sustainability. Examines historical background, development, role, auspices, organization and purposes of nonprofit agencies. Special emphasis is placed on structure, program organizational management, planning and stewardship, fundraising, community building, volunteer services and problems which confront these organizations. Prerequisite: MGMT 2103.

MGMT 2493 NON-PROFIT MANAGEMENT
Immersion of the student in nonprofit administration. The theoretical and the practical side of nonprofit management from establishment of a nonprofit organization through the operations of the programs. The primary goal for the course is to increase the knowledge and expertise of students in order for them to feel comfortable in the operation of a nonprofit organization. Prerequisites: [R] [W] (Fall Only).

MGMT 2593 FUNDRAISING AND DEVELOPMENT
Theory and practice of philanthropy, resource acquisition methods through ethical fundraising and earned income approaches for nonprofit organizations. Examines methods and techniques in fundraising for nonprofit agencies. Explores relationships with umbrella organizations, government funding, grants, budget control and accountability. Prerequisites: [R] [W] (Fall Only).

MGMT 2663 PROJECT MANAGEMENT
This course examines project management roles and environments, the project life cycle and various techniques of work planning, control and evaluation, and the tools used to achieve project objectives. Prerequisites: ACT 2103, MGMT 2103, MKT 2273.

MGMT 2693 NON-PROFIT MANAGEMENT CAPSTONE
This course is the capstone for the Non-Profit Management Certificate. This course provides students the opportunity to apply the knowledge and skills acquired in the non-profit management coursework to real-world situations. Prerequisites: BUS 2013, MGMT 2493 and MGMT 2593 (Spring Only).

MIS 1733 MIS FOUNDATIONS AND IT GOVERNANCE PRACTICES
Business initiatives drive technology choices. This course addresses business needs and the technology that supports those needs. Topics include: the relationship between business and technology, business strategies and processes that drive technology choices, the role of MIS in supporting business growth, sustainable technologies, etc. Prerequisites: [R] [W].

MIS 2233 INTRO TO MANAGEMENT INFORMATION SYSTEMS (MIS)
This course provides an introduction to Management Information Systems and examines the role of information systems in supporting a wide range of organizational functions. Topics include: Information systems in the digital age, information technology infrastructure, system applications and building and managing information systems. Prerequisites: [R] [W].

MIS 2333 INFORMATION SECURITY MANAGEMENT
This course will cover standards to manage the security of assets within an organization. Topics include: Planning for contingencies, protection mechanisms, controlling risk, security management models, security management models, security management practices, etc. Prerequisites: MIS 2233 or Department Head Approval.

MIS 2743 TECHNOLOGY MANAGEMENT CAPSTONE
This course examines current issues and approaches to the management of technology. Using projects, case studies, assigned readings and discussions, students will examine the complexity of issues involved in the management of technology. An underlying theme of this course is that the successful management of technology rests on understanding a number of issues, including the nature of competition, the interaction of new technologies with existing technologies, the evolution of markets and the processes through which organizations generate and absorb technological innovations. Prerequisites: Department Head Approval.

MARKETING

MKT 2273 PRINCIPLES OF MARKETING
Focuses on the relationship between the organization and its customers and the other members of the channel of distribution. Introduces students to the marketing function of an organization, the environmental factors influencing marketing decisions, the discovery of market opportunities, the development of marketing strategy and the development of marketing programs. Prerequisites: [R] [W].

MKT 2343 PRINCIPLES OF ADVERTISING
A study of advertising principles and practices. Advertising management, media buying, agency operations, advertising and marketing research, and an analytical basis for advertising decision-making and control. Builds on a rigorous base of consumer psychology and then focuses on public relations and communication in relation to the overall promotional mix. Prerequisite: MKT 2273.

MKT 2353 SERVICES MARKETING
Focuses on the distinctive characteristics of services and how they affect both customer behavior and marketing strategy. Topics include: the vital role that services play in the economy and the strategies and techniques needed to develop strong customer relationships through quality services. Prerequisite: MKT 2273.

MKT 2363 PERSONAL SELLING AND SALES MANAGEMENT
The study of the role of personal selling in the marketing mix, application of the step-by-step selling process, and an introduction to topics and issues related to the management of a sales force. Prerequisite: MKT 2273.

MKT 2373 RETAIL MANAGEMENT
A study of the field of retailing, the role of retailing in the distribution process and the contemporary challenges and opportunities in the field. Focuses on the key issues in developing and implementing a retail strategy with an emphasis on financial considerations and implementation through merchandise and store management. Prerequisite: MKT 2273.
MKT 2643 PRINCIPLES OF PUBLIC RELATIONS
A study of various methods and procedures for use by individuals, groups or organizations to improve their image, communications and relationships with their public. Builds on a rigorous base of consumer psychology and then focuses on public relations and communication in relation to the overall promotional mix. Prerequisite: MKT 2273.

MKT 2750 (1-3) SELECTED TOPICS IN MARKETING
The study and/or analysis of a selected topic in Marketing. May be repeated with a different topic. Prerequisite: MKT 2273

MATHEMATICS

MATH 1303 BUSINESS MATH (A)
This course introduces students to mathematical problems within the world of business. Specifically, the course will review fractions, decimals, and percentages, calculation of cash and trade discounts, commissions, borrowing and lending money, concepts of present and future value, payroll deductions, taxes, and inventory. Prerequisite: [R] 50 Math Proficient

MATH 1413 QUANTITATIVE REASONING (A)
This course explores various topics designed to build an appreciation of mathematics and to expose students to mathematical problems within numerous disciplines. Specifically, the course will address some personal finance, geometry and measurements, probability problems and introduce fundamentals of statistics. Prerequisites: [R] 50 Math Proficient

MATH 1483 MATHEMATICAL FUNCTIONS AND THEIR USES (A)
This course features the study of equations and functions (linear, polynomial, rational, exponential, logarithmic) from various perspectives (symbolic, verbal, numerical, graphical). Digital techniques are used for graphing functions, solving equations, and modeling data through regression methods. Prerequisites: [R] [M]

MATH 1513 PRECALCULUS I (A)
This course is a study of equations and functions (polynomial, rational, radical, exponential, logarithmic) and systems of equations. This course serves as a prerequisite for Math 2123 or Math 2145. Prerequisites: [R] [M]

MATH 1613 PRECALCULUS II (A)
This course addresses trigonometric functions, solutions of right and oblique triangles, and applications of engineering. Prerequisite: MATH 1513 or Math Department Head Approval.

MATH 2103 BUSINESS CALCULUS (A)
Introduction to differential and integral calculus. For students of business and social sciences. Prerequisite: MATH 1483.

MATH 2123 CALCULUS FOR TECHNOLOGY PROGRAMS I (A)
First part of a terminal sequence in calculus for students pursuing degrees that emphasize technology. Functions and graphs, differentiation and integration with application. Prerequisites: MATH 1613.

MATH 2133 CALCULUS FOR TECHNOLOGY PROGRAMS II (A)
The second part of a terminal sequence in calculus for students pursuing degrees that emphasize technology. Calculus of trigonometric, exponential and logarithmic functions with application to physical problems. Prerequisite: MATH 2123.

MATH 2145 CALCULUS I (A)
Introduction to derivatives, integrals and their applications, including introductory analytic geometry. Prerequisites: MATH 1613.

MATH 2155 CALCULUS II (A)
A continuation of MATH 2145, including multivariable calculus and series with applications. Prerequisite: MATH 2145.

MATH 2233 DIFFERENTIAL EQUATIONS (A)
Methods of solution of ordinary differential equations with applications. First order equations, linear equations of high order, series solutions, Laplace Transform theory. Prerequisite: MATH 2155.

METEOROLOGY

METR 1013 ELEMENTARY METEOROLOGY
Meteorology is the study of the earth’s atmosphere. The course will foster a basic understanding of the atmospheric environment by studying clouds, precipitation, winds, air masses and storms. Prerequisites: [R] [SG] MATH 0123.

MICROBIOLOGY

MCRO 2124 INTRODUCTION TO MICROBIOLOGY
Introductory study of general principles of microbiology. Emphasis will be placed on current technologies and world events related to the cultivation, identification, and diseases associated with microbes. Previous biological science knowledge is advised. Lab: three hours per week. Prerequisite: CHEM 1154 or CHEM 1315.

MUNICIPAL FIRE PROTECTION

MFP 1103 INTRODUCTION TO PUBLIC FIRE PROTECTION
The student will acquire an understanding of the fundamentals behind the methods, efforts and equipment available to protect the public from fire.

MFP 1123 FIRE TACTICS II
A study of principles and methods with the fire ground tactics and strategy of the multi-company officer or chief officer. The course emphasizes multi-company alarm handling disasters and major fire incidents of mutual aid and large-scale command. Includes principles of command, control and techniques required at the scene of an emergency. Prerequisite: MFP 1113.

MFP 1253 HAZARDOUS MATERIALS FOR FIRST RESPONDERS
This course is designed to provide the first responders to a hazardous materials incident with the basic information they need to make the first impact on the incident a professional and positive one.

MFP 1320 (1-4) TECHNICAL PROBLEMS - MUNICIPAL FIRE PROTECTION
One to four, maximum six credits. Technical problems in fire protection that are of particular interest to the fire service technician.

MFP 1727 FIREFIGHTER I
Prepares students to the level of Firefighter I as defined by NFPA (National Fire Protection Association) 1001 Standard for Fire Fighter Professional Qualifications. Students completing the course with a grade of “C” or better will be eligible for certification by the International Fire Service Accreditation Congress (IFSAC) and Oklahoma Fire Service Training (FST) as Firefighter I. Live fire training and certification testing will be conducted by Fire Service Training in Stillwater, Oklahoma. Students must complete and pass Hazardous Materials Operations (MFP 2213) before certification of Firefighter I is granted by IFSAC and FST. Lab: three hours per week. Medical release from a physician is required. Prerequisite: MFP 1148.

MFP 2113 FIRE TACTICS I
A review and study of basic principles and methods utilizing fire department manpower equipment and apparatus. Emphasis will be on pre-planning, fire ground problems and related fire ground decisions as required of the company officer. Prerequisites: MFP 1727

MFP 2163 FIRE ADMINISTRATION
A study of how to plan and implement long range programs in relation to prevention, training, public relations, suppression and personnel with special emphasis on budget processes and the fire department’s relation to overall community service delivers.

MFP 2211 EMERGENCY VEHICLE OPERATION
This course introduces Fire and EMS personnel to Law and Liabilities, preventive maintenance, emergency response considerations, crash and injury prevention and safe driving techniques. Meet NFPA 1002 & 1451 requirements.
MFP 2213 HAZMAT OPERATIONS
Upon successful completion of this course the student will be able to analyze a hazardous materials incident, plan an initial response, implement the response and evaluate the progress of the actions taken. Major topics covered in the course include firefighter safety, regulations and standards, chemistry, recognition and identifications, DOT guidebook, site management, container behavior, defensive control measures, personal protective equipment and decontamination. Methods of instruction include lecture, discussion, classroom exercises, and visual material, practical exercises, quizzes, observations, written examination and final certification examination conducted by FST (Fire Service Training).

MFP 2413 CONTEMPORARY ISSUES IN THE FIRE SERVICE
This course addresses a multitude of issues and trends in municipal fire protection by examining current literature and research. Students will be exposed to readings, guest speakers, and engaging discussion relative to the challenges and opportunities of the fire service. The course content will culminate into a final project that serves as a final degree requirement. Prerequisites: MFP 1103, MFP 2163 and MFP 1727.

MFP 2803 MUNICIPAL FIRE PROTECTION PRACTICUM
This course provides an opportunity to apply the knowledge and skills of municipal fire protection through participating in cooperative relationships with Oklahoma Metro Fire Departments. Students participate in 12 or 24 hours shifts while completing a skills checklist with an evaluation by the assigned supervisor. Prerequisites: MFP 1148 and MFP 2727.

NURSE SCIENCE

NURS 1005- PREPARATION FOR A CAREER IN HEALTHCARE: NURSE AID TRAINING
Students will learn the roles and responsibilities of a certified nurse aide. The focus is on the necessary skills needed to effectively and safely care for clients in residential care facilities. The student will be eligible to take the state nurse aide skills examination after participating in cooperative relationships with Oklahoma Metro Fire Departments. Students will participate in 12 or 24 hours shifts while completing a skills checklist with an evaluation by the assigned supervisor. Prerequisite: [R]

NURS 1102- INTRO TO NURSING
A theoretical and practical course that serves as an introduction to nursing educational processes and the profession of nursing. Co-requisites: ENGL 1113, ICSR 0123 and PSYC 1113. This is a selective admission program. See department for details.

NURS 1118 FOUNDATION OF NURSING CONCEPTS
Students will be introduced to the core values of caring, diversity, ethics, excellence, holism, integrity and patient-centeredness; grounded in the nursing process. Focus is on the formation of knowledge, practice and ethical behavior necessary for safe, effective, holistic nursing practice within a technologically rich, dynamic health care environment. Active learning strategies of the course include individual and group learning experiences, simulation and clinical rotations. Prerequisites: CHEM 1154 or CHEM 1315, NSCI 1113, ENGL 1113, PSYC 1113. Co-requisites: BIOL 2214, PSYC 2213, NURS 1121.

NURS 1121 INTRODUCTION TO PHARMACOLOGY
Students will be introduced to the major drug classification and dosage calculation. The focus is on knowledge, practice and ethical behaviors necessary for safe and effective administration of medications. Prerequisites: CHEM 1154 OR CHEM 1315, NSCI 1113, ENGL 1113, PSYC 1113. Co-Requisites: BIOL 2214, PSYC 2213, NURS 1118.

NURS 1148 NURSING CARE AND CONCEPTS ACROSS THE LIFESPAN
Students will incorporate the knowledge, practice and ethical behavior necessary for safe, effective, holistic nursing practice within a technologically rich, dynamic healthcare environment. Students will be on acute care, community-based care, health promotion, and wellness, including care of populations ranging from maternal-child through geriatrics. Active learning strategies of the course will include individual and group learning experiences, simulation and clinical rotations. Prerequisites: BIOL 2214, PSYC 2213, NURS 1121, NURS 1118. Co-requisites: PSIO 2314, ENGL 1213.

NURS 1314 NURSING CONCEPTS FOR THE CAREER LADDER STUDENT
In this course, students will incorporate the knowledge, practice, and ethical behavior necessary for safe, effective, holistic nursing practice within a technologically rich, dynamic healthcare environment; based on the core values of caring, diversity, ethics, excellence, holism, integrity and patient-centeredness. The focus will be on the philosophy of registered nursing, nursing process, assessment, communication, roles and functions of associate degree nurses. Active learning strategies of the course include individual and group learning experiences, simulation, and application of basic pharmacology knowledge. Prerequisites: CHEM 1154 or 1315, NSCI 1113, ENGL 1113, PSYC 1113, BIOL 2214, PSYC 2213, and previous acceptance into the Nursing Career Ladder Pathway

NURS 2050 (1-3) SPECIAL TOPICS IN NURSING
Directed individual study in specific topics related to nursing. Prerequisites: Department Head Approval.

NURS 2218 NURSING CONCEPTS AND CARE FOR VULNERABLE POPULATIONS
Students will utilize the knowledge, practice and ethical behavior necessary for safe, effective, holistic nursing practice within a technologically rich, dynamic healthcare environment. The focus will be on medical-surgical nursing and community-based care of vulnerable populations, including geriatric, pediatric, disabled populations, and for those with mental health disorders. Active learning strategies of the course include individual and group learning experiences, simulation and clinical rotations. Prerequisites: PSIO 2314, ENGL 1213, NURS 1148. Co-requisites: MCRS 2124, POLS 1113.

NURS 2258 COMPLEX NURSING CONCEPTS
Students will apply the knowledge, practice, and ethical behavior necessary for safe, effective, holistic nursing practice to the complexities of care within a technologically rich, dynamic healthcare environment. The focus is on high acuity care and management of multiple clients. Active learning strategies of the course include individual and group learning experiences, management of multiple clients. Active learning strategies of the course include individual and group learning experiences, simulation, and clinical rotations, including immersion. Prerequisites: MCRS 2124, POLS 1113, NURS 2218. Co-requisites: HIST 1483 or HIST 1493, NURS 2342.

NURS 2342 TRANSITION TO PROFESSIONAL PRACTICE
Students will individualize a personal preparation plan for licensure and successful integration of the program outcomes of human flourishing, nursing judgment, professional identity, and spirit of inquiry. The course will also focus on the students’ development of a practice framework including the political/policy process and legislation affecting delivery of care, including relevant healthcare mandates. Prerequisites: MCRS 2124, POLS 1113, NURS 2218. Co-requisites: HIST 1483 or HIST 1493, NURS 2342.

NUTRITION

NSCI 1113 BASIC HUMAN NUTRITION (N)
Study of the functions of the nutrients in human life processes and the nutrient relationship to health as a basis for food choices. Open to all students.

NSCI 1123 HEALTHY LIVING
This course will provide information on topics including current nutrition-related issues, exercise practices and mind/body activities to promote balanced health. These topics will be explored with information on vegetarian diets, the use of soy foods, the importance of herbs, organic agriculture, and prevention of chronic disease through diets high in vegetables, fruits and whole grains. A variety of physical exercises will be studied including those that promote mental calmness and control such as yoga. Lifestyle practices that promote health, like journaling, will be studied and experimented with during the course. Prerequisites: [W] ICSR 0123.
PHILOSOPHY

PHIL 1013 INTRODUCTION TO PHILOSOPHY (H)
Basic works by great thinkers, including Plato, Descartes and Hume. Prerequisites: [R] [W]

PHIL 1213 INTRODUCTION TO ETHICS (H)
Introductory ethics and social philosophy. Moral decision-making, the good life, social values, freedom and responsibility. Prerequisites: [R] [W]

PHIL 1313 CRITICAL THINKING (H)
Informal and formal reasoning, explanation, definition and fallacies. Emphasis on the critique, evaluation and development of arguments in everyday discourse. Practical applications. Prerequisites: [R] [W]

PHIL 2233 INTRODUCTION TO EASTERN PHILOSOPHY (H)
This course will examine the primary philosophic questions addressed by each tradition of the major Eastern traditions. The goal of this course is to introduce how these different traditions offer valuable contributions to general philosophic questions. Prerequisite: ENGL 1113

PHYSICS

PHYS 1014 DESCRIPTIVE PHYSICS (N)
A survey course presenting the basic concepts and principles of physics with a minimum of mathematics. Motion, waves, temperature, electricity, magnetism, optic and atomic energy. No credit for students with PHYS 1114. Prerequisites: [R] [M] [SCI]

PHYS 1114 GENERAL PHYSICS I (L, N)
Physics for the non-engineering major or non-physics major. The course includes topics in mechanics, heat and sound with applications of each. Prerequisite: [R] [SCI] MATH 1483 or 1513. Lab: three hours per week.

PHYS 1204 GENERAL PHYSICAL SCIENCE (N)
Introduction to the fields of physics, chemistry, astronomy, geology and meteorology. Includes a short review on the metric system, scientific notation and scientific digits. Designed for the non-science major. Prerequisites: [R] [M] [SCI]

PHYS 1214 GENERAL PHYSICS II (L, N)
Continuation of PHYS 1114: electricity, magnetism, optics, quantum physics, atomic and nuclear structure. Lab: three hours per week. Prerequisite: PHYS 1114

PHYS 2014 PHYSICS I (ENGINEERING) (L, N)
Calculus-based introductory course for science, math and engineering majors. Mechanics, waves, heat and thermodynamics. Prerequisite: [SCI] MATH 2145.

PHYS 2114 PHYSICS II (ENGINEERING) (L, N)
Continuation of PHYS 2014: electricity, magnetism and optics. Prerequisite: PHYS 2014.

PHYSIOLOGICAL SCIENCES

PSIO 2311 HUMAN PHYSIOLOGY LABORATORY
Laboratory supplementing PSIO 2313. Structure and function of the systems of the human body. Enrollment requires credit or concurrent enrollment in BIOL 1515. This course will provide laboratory credit for students in an approved LPN or paramedic program. Co-requisite: BIOL 1515

PSIO 2314 HUMAN PHYSIOLOGY
Structure and function of the systems of the human body. Lab: three hours per week. Prerequisite: CHEM 1214 or CHEM 1314.

POLICE SCIENCE

PLSC 1103 INTRODUCTION TO FORENSIC SCIENCE
A survey of the ways in which the knowledge and technology of science are applied to the definition and enforcement of civil and criminal law.

PLSC 1123 INTRODUCTION TO LAW ENFORCEMENT AND POLICE PROCEDURES
Philosophy of law enforcement; the powers and limitations of the law enforcement officer as revealed in case studies.

PLSC 1133 ETHICS AND PROFESSIONAL BEHAVIOR IN LAW ENFORCEMENT
This is an introductory course of the science of moral philosophy. The student will explore their professional duties and the rationale for them when facing ethical dilemmas in the criminal justice career field.

PLSC 1143 CRIME SCENE PROCESSING AND PHOTOGRAPHY
Course includes basic and advance photographic principles and theories as they relate to law enforcement with an emphasis on crime scene documentation. Advanced crime scene processing documentation techniques dealing with court preparation and presentation will also be covered. Prerequisite: PLSC 1103

PLSC 2050 (1-6) TECHNOLOGICAL PROBLEMS
One to six, maximum six credits. A study of applied problems that are of particular interest to the technologist.

PLSC 2103 EMERGENCY MEDICAL RESPONDER
This course places an emphasis on basic knowledge and skills necessary to provide lifesaving interventions with minimal equipment while waiting additional EMS response. Upon completion of this course the student will obtain their certification in Basic Life Support for the Healthcare Provider, registration with the State of Oklahoma as an Emergency Medical Responder (EMR), and be eligible to become Nationally Registered as an EMR. Lab: two hours per week.

PLSC 2111 DEFENSIVE TACTICS
The study and practice of methods of defense employed by police officers. Open only to Collegiate Officer Program (COP) students. Prerequisite: Department Head Approval

PLSC 2133 POLICE ADMINISTRATION
Presentation of the social issues and daily problems facing police administration in a law enforcement organization. Study includes police leadership, organization, planning and research, inspectional service. Prerequisite: 28 or more completed semester hours

PLSC 2143 INTRODUCTION TO CONSTITUTIONAL LAW
Constitutional law, its history and development; for the police science student. Prerequisite: POLS 1113
PLSC 2211 EMERGENCY VEHICLE OPERATION
The legal aspect of emergency vehicle operation, desirable law enforcement driving behaviors and the proper handling of a vehicle in non-emergency, emergency and pursuit modes. Limited to Collegiate Officer Program (COP) students. Prerequisite: Department Head Approval

PLSC 2213 PRINCIPLES OF INVESTIGATION AND INTERVIEW
General principles of police investigation, evaluation, processing and assignment of complaints, methods of obtaining evidence and interviewing techniques. Prerequisite: PLSC 1223

PLSC 2222 POLICE RECORDS AND REPORTS
Organization and operations of centralized records division; study of standard police forms and reports. Prerequisite: PLSC 1223

PLSC 2223 JUVENILE ASSISTANCE AND CONTROL
Organization, function and jurisdiction of the juvenile division; methods of handling, processing and detention of juveniles; case disposition and court procedures.

PLSC 2253 SURVEY IN POLICE SCIENCE
A survey course to complete the Collegiate Officers Program to include general certifications required by the Council on Law Enforcement Education and Training mandated by State Bill 920.

PLSC 2413 TECHNICAL INVESTIGATION I
The technical investigator’s function and duties in criminal investigation. Areas included are latent fingerprints, casting, ballistics, crime scene photography, and collection and preservation of evidence. Prerequisite: PLSC 2213

PLSC 2422 BLOODSTAIN INTERPRETATION
Covers the techniques of identification of various stains and the methods used in determining whether or not the stain is blood. Topics include the significance of bloodstain evidence and its role in criminal investigation; detection and identification of stains and patterns; flight characteristics and stain pattern of human blood, blood detection and collection techniques; and the preservation of bloodstain evidence. Lab: two hours per week. Prerequisites: PLSC 2413, CHEM 1104, BIOL 1303, BIOL 1311

PLSC 2434 FINGERPRINT IDENTIFICATION
Advanced techniques of fingerprint development with an emphasis on fingerprint comparison and identification. Lab: two hours per week. Prerequisite: PLSC 1103

PLSC 2443 CRIME SCENE RECONSTRUCTION
Provides an overview of reconstruction techniques, means of evaluating and interpretation of evidence from crime scenes, causation factors and the validity of physical evidence. Lab: two hours per week. Prerequisite: PLSC 2413

PLSC 2513 CRISIS INTERVENTION
The police officer’s role in a crisis situation. Areas examined include domestic disturbances, death notification and conflict resolution. Prerequisite: PSYC 1113

PLSC 2523 FORENSIC ANTHROPOLOGY AND ARCHEOLOGY
Provides the students with an introduction to the application of anthropological and archaeological techniques in law enforcement.

PLSC 2533 COURTROOM TESTIMONY AND PRESENTATION
Provides the student with a step-by-step process of investigating crime(s) and methodically prepare the case for submission in a court of law.

PLSC 2543 OCCUPATIONAL PROFICIENCY
This course is designed to evaluate the graduate’s proficiency in their major field of study. Areas to be assessed include communication skills, job interviewing techniques and professional competencies. Prerequisite: student must be within one (1) semester of graduation.

PLSC 2650 (1-4) TECHNOLOGICAL PROBLEMS
One to four, maximum four credits. Special project will be assigned by the advisor with the approval of the department head. A comprehensive written report of the work accomplished must be prepared and approved. Before credit is received, an examination may also be required.

POLITICAL SCIENCE

POLS 1113 AMERICAN GOVERNMENT (S)
General introduction to the Federal Governmental system. This course will emphasize basic principles of government such as the function of each branch of government. Topics of study shall include but not be limited to constitutional principles, federalism, civil liberties, civil rights, political participation, public opinion, interest groups, political parties, elections, media, congress, presidency, bureaucracy, judiciary, economic policy, domestic policy, and the general principles of state/local government. Prerequisites: [R] [W]

POLS 1320 (1-6) POLITICAL SCIENCE – SPECIAL TOPICS
One to six credits, six maximum. A study of applied problems that are special interest.

POLS 2023 CIVIL RIGHTS AND LIBERTIES
A study of the civil rights and civil liberties as reference in the Bill of Rights to the Constitution of the United States. Prerequisites: POLS 1113

POLS 2053 STATE AND LOCAL GOVERNMENT
Organization, processes and functions of American state and local governments, their relationship to each other and to the national government. Prerequisite or co-requisite: POLS 1113

POLS 2113 COMPARATIVE POLITICS
A comparative study of the political processes and institutions of selected contemporary societies; includes an introduction to concepts and methods of comparative politics. Prerequisite: POLS 1113

POLS 2523 ETHICS IN BEHAVIORAL SCIENCES
Introduction to key topics in professional ethics and issues. Emphasis on ethical decision-making as an ongoing process and involving such topics as diversity issues, confidentiality, therapist/counselor confidence level, and competence. This course will also examine client rights, unethical behavior and malpractice issues. The course content is designed for psychology majors, but is also well-suited for students majoring in nursing, behavioral sciences and other health provider fields. (Will be crosslisted with PSYC 2523 and SOC 2523)

POLS 2223 PROBLEMS IN PUBLIC SAFETY
Research and investigation on selected problems in the field of public policy. Prerequisite: POLS 1113 or Department Head Approval

POWER TRANSMISSION AND DISTRIBUTION TECHNOLOGY

PTDT 1102 ELEMENTS OF ELECTRICITY AND ELECTRONICS
An introduction to the elementary principles of basic electric units, Ohm’s Law circuit solutions of series and parallel network, magnetism, inductance and capacitance. Same as EET 1102.

PTDT 1103 PLAN READING FOR PTDT
This course will cover topics associated with construction drawing for distribution, transmission and substation projects. Topics will include organization and relationship of drawings, specifications, symbols, dimensions, scales and job notes.

PTDT 1104 INTRODUCTION TO THE UTILITY INDUSTRY/CLIMBING
This course will introduce the student to the career paths in the electrical utility industry both public and private. The course will present materials to help an individual determine if the utility industry is the correct career path for them. The course will include the basic principles, techniques, and procedures of overhead line construction, including pole-climbing. Lab: four hours per week.

PTDT 1154 ELECTRICAL CIRCUITS-HIGH VOLTAGE
The study of electricity involving electrical properties of materials, electrical laws, units, components, impedance, resonance and magnetism. Lab: two hours per week. Prerequisite: PTDT 1104 or concurrent enrollment in PTDT 1104.

PTDT 1353 LINEMAN SAFETY/EQUIPMENT
An overview of the specific concerns and equipment used by the power transmission technician. Lab: two hours per week. Prerequisite: PTDT 1104 or concurrent enrollment in PTDT 1104.
PTDT 1453 PRINCIPLES OF POWER TRANSMISSION
A course dedicated to the study of transmitting electrical power. The course will contain working practices and situations that transmission line-man encounter: extra high voltage, towers, pole configurations, bare hands and other work practices. Prerequisite: PTDT 1104 Lab: two hours per week.

PTDT 2003 PRINCIPLES OF POWER DISTRIBUTION
A study of underground and above ground high voltage distribution systems. Transformer configurations, conduit sizing, line voltage drops, etc. will be discussed, as well as equipment and safety procedures for both. Lab: two hours per week. Prerequisite: PTDT 1154 or concurrent enrollment in PTDT 1154.

PTDT 2013 DRIVER SAFETY AND CDL TRAINING
This course will prepare students to drive commercial vehicles in a safe manner and help students prepare for the commercial driver’s license. Students must have required proof of passing the CDL permit before enrolling. Prerequisite: Department Head Approval

PTDT 2023 PRINCIPLES OF SWITCHING AND METERING
Students will learn the basic switching and metering systems used in the power industry. Prerequisite: PTDT 2003 or concurrent enrollment in PTDT 2003.

PTDT 2043 ELECTRICAL CAPSTONE EXPERIENCE
This is the final course in the curriculum and various topics of the power industry, job searching techniques and related topics will be covered. Course content will be tailored to the needs of the students to prepare them for job placement. Prerequisite: Department Head Approval

PTDT 2104 INTERNSHIP
This course provides on-the-job training for students. Work experience may be substituted if the student is currently working in the industry and with advisor approval. Prerequisite: Department Head Approval

PROFESSIONAL DEVELOPMENT

PD 1101 CAREER PREP
This course will provide students an opportunity to gain the proper tools for successful entry or reentry into their career field of interest. Students will complete a personal inventory of their interests, skills, and experiences for inclusion in resumes, job applications, and employment interviews. Students will prepare resumes and cover letters and participate in mock interviews.

PSYCHOLOGY

PSY 1113 INTRODUCTORY PSYCHOLOGY (S)
General introduction to the science of behavior and mental processes. Emphasizes major theoretical perspectives. Topics of study include perception, states of consciousness, memory, motivation, development, personality, psychological disorders and therapies. Prerequisites: [R] [W]

PSY 2050 (1-4) PSYCHOLOGY SEMINAR (S)
Course topics vary. The content may be designed for psychology majors but is also valuable to those students majoring in nursing, alcohol and substance abuse counseling, public service, law enforcement, child development and education. Prerequisite: PSYC 1113.

PSY 2113 PSYCHOLOGY OF ADJUSTMENT (S)
Principles of the study of adjustment and behavior. Examines psychological process of coping and adapting to everyday life types of problems to include conflicts, pressures and challenges. Some emphasis will be placed on a sociocultural approach to managing adjustment by examining the factors of culture, ethnicity and gender. Prerequisite: PSYC 1113.

PSY 2213 LIFESPAN HUMAN DEVELOPMENT (S)
Study of the life span of humans. Emphasizes both experimental and theoretical approaches to the study of cognitive, personality, social, perceptual and physical development from conception to death. Prerequisite: PSYC 1113.

PSY 2223 CHILD PSYCHOLOGY (S)
Effects of heredity and environment on physical, mental, social and emotional development of the individual through adolescence. Prerequisite: PSYC 1113.

PSY 2333 PSYCHOLOGY OF RACE (S)
Examines the human response to and perceptions of racial differences through the lens of anthropology, mythology, slavery, sexuality and sociology. Prerequisites: [R] [W]

PSY 2413 ABNORMAL PSYCHOLOGY (S)
The course will offer the student a broad-based perspective on psychological disorders of childhood, adolescence, and adulthood. The focus will be on the major patterns of abnormal behavior as well as causal factors. Course content is designed for psychology majors but is also valuable to those majoring in nursing, alcohol and substance abuse counseling, public service, law enforcement, child development and education. Prerequisite: PSYC 1113

PSY 2450 (1-6) SPECIAL TOPICS
One to six credits, six credits maximum. Variable course credit of one to six hours. Examines contemporary issues and problems within psychology. This course may be cross-listed with other technical problems or special topics sections. Prerequisites: [R], [W] & Department approval.

PSYC 2523 ETHICS IN BEHAVIORAL SCIENCES (S)
Introduction to key topics in professional ethics and issues. Emphasis on ethical decision-making as an ongoing process and involving such topics as diversity issues, confidentiality, therapist/counselor confidence level, and competence. This course will also examine client rights, unethical behavior and malpractice issues. The course content is designed for psychology majors, but is also well-suited for students majoring in nursing, behavioral sciences and other health provider fields. (Will be crosslisted with POLS 2523 and SOC 2523)

PSYC 2713 PSYCHOLOGY OF AGING (S)
Provides an overview of adult development and aging. Focuses on the physical, psychological and social aspects of aging and how aging affects physical, cognitive and social functioning. Special topics include personality and aging, health aging, dementia and death and dying. Prerequisite: PSYC 1113.

PUBLIC SAFETY MANAGEMENT

PSM 3013 MULTI-AGENCY RESPONSE TO EMERGENCY/CRITICAL INCIDENTS
Students examine the unique role of the local first responder. Students will identify the common elements of a disaster response and the roles of each emergency responder discipline in the response and recovery. Course emphasis is on the actions and procedures “at the scene” where decisions are made rather than concepts and policies applied by officials physically removed from the scene.

PSM 3023 TACTICAL EMERGENCY MANAGEMENT
Students will focus on a comprehensive, up-to-date overview of emergency management, from an all-hazards perspective. Students will examine threats including natural and technological disasters, as well as intentional threats of domestic and international terrorism.

PSM 3033 STRATEGIC PLANNING AND RISK ANALYSIS IN PUBLIC SAFETY AGENCIES
This course will help the public safety manager to formulate vision, mission and strategic plans. Students will learn how to detect the strengths, weaknesses, opportunities and threats (SWOT) that drive strategy, identify strategies to better position the agency for long term community service; execute strategy and deliver results through people and processes; and establish strategic planning, monitoring and controlling mechanisms that ensure positive results.

PSM 3043 COMMUNITY RELATIONS IN PUBLIC SAFETY
This course will explore the community relations theory and why positive community perception is critical to operational effectiveness during a crisis event. Students will gain the skills necessary to be effective communicators and educators to the
public in times of crisis and in their daily function as a public safety manager. The course will also develop the skills necessary to interact with the media regarding public safety issues and crisis situations.

PSM 3223 PROFESSIONAL DEVELOPMENT IN PUBLIC SAFETY
Students will develop a professional development portfolio through the completion of a series of projects.

PSM 3243 LEADERSHIP IN PUBLIC SAFETY
This course is designed to provide leadership skills within public safety departments. It will provide students with different leadership styles that may be utilized. It will also educate new supervisors to adapt and problem solve issues that may be encountered while dealing with public safety employees.

PSM 3253 PUBLIC SAFETY CONTINGENCY PLANNING
This course provides the student with knowledge of the techniques for the development of continuity of operations (COOP) and Continuity of Government (COG) plans and community hazard planning. The overall philosophy of this course is set forth by the Department of Homeland Security, the Environmental Protection Agency and Department of Transportation and their internal agencies. Sample plans will be developed with emphasis on assessment, equipment requirements, collateral and mutual aid support agreements and methods for testing and updating plans.

PSM 3263 INTRODUCTION TO TERRORISM
Upon completion of this course the student will understand the history and motivation of terrorists and their activities. The student will examine how groups and individuals evolve from activism and how governments respond to such events.

PSM 3273 PUBLIC SAFETY CAPABILITIES AND PERFORMANCE-BASED PROGRAMS
Public safety agencies must conduct performance assessments and report results to governing boards and community in which they serve. This course prepares the student to perform different types of assessments at the project, program, agency, and organizational levels. Evaluative frameworks will be explored so the best approach may be utilized.

PSM 3650(1-4) TECHNICAL PROJECT 3000 LEVEL
A study of variable topics in emergency responder technologies at the 3000 level. May be repeated with different topics. Prerequisite: Department Head Approval

PSM 4050 (1-4) TECHNICAL PROJECT 4000 LEVEL
A study of variable topics in emergency responder technologies at the 4000 level. May be repeated with different topics. Prerequisite: Department Head Approval

PSM 4113 TECHNICAL DISSEMINATION OF EMERGENCY PUBLIC INFORMATION
Students explore the role of traditional (print, radio, and television) and newer media technologies in the distribution of the news. Students examine the functions, roles, responsibilities, and behavior of the media in times of national and international threats to national security as well as local incidents. Students will apply “tools” learned in class to address the media and present information to the general public in an effective and responsible manner.

PSM 4123 ETHICAL PRACTICES IN PUBLIC SAFETY
This course explores the case issues and philosophies as they relate to accountability in the public safety environment.

PSM 4133 LEGAL ISSUES FACING PUBLIC SAFETY AGENCIES
Students examine the structure and dynamics of the law governing the authority and actions of responding agencies. Students will receive an in-depth overview of laws, policy, strategy, organization and plans for dealing with various natural, accidental and premeditated emergencies/critical incidents.

PSM 4143 PERSONNEL OVERSIGHT STRATEGIES
This course will explore the dynamics of managing personnel in the public safety organization. Curriculum is designed to develop student skills in personnel management, staffing, compensation, benefits and labor relations.

PSM 4153 TECH RESEARCH & DESIGN IN PUBLIC SAFETY
The class will incorporate both quantitative and qualitative research methods and the application of statistical analysis of data. Introduction to the utilization of clinical and management information systems to access, archive and analyze data will be examined. Application of theoretical constructs and identification of cost/quality researchable issues will be evaluated through the development of student research proposals. Students will develop understanding of class concepts through application of learned principles within his/her practice setting.

PSM 4223 INTERNATIONAL ASSESSMENT AND RESPONSE TO CRISIS
Students will evaluate international critical events, cultures, beliefs, and response to disasters. The student will be provided practical and theoretical education in global disaster management. This course will cover the management of preparedness, response, recover and mitigation of disasters the world faces today.

PSM 4243 PUBLIC SAFETY GRANT WRITING
The purpose of this course is to develop the student’s ability to prepare, write and submit a research grant proposal.

PSM 4253 CRITICAL INCIDENT PSYCHOLOGY FOR PUBLIC SAFETY
Emphasis of this course is on public safety employees and their psychological well-being before during and after critical incident response. The student will also learn and understand compassion fatigue, traumatic stress and crisis intervention as it relates to the specific needs of community during the same event.

PSM 4513 ADVANCED OCCUPATIONAL PROFICIENCY IN PUBLIC SAFETY
This course is the capstone course of the program and is designed to assess the student’s proficiency in their major field of study. Students will write essays based on core material covered in the program, which address real world situations. Students will then present and defend their essays to a panel of assessors along with their ePortfolio in an assessment center process. The assessment is based on the student’s ability to articulate their knowledge, skills, and abilities in managing real world situations. Prerequisites: PSM 3013, PSM 3023, PSM 3033, PSM 3043, PSM 4113, PSM 4123, PSM 4133, PSM 4143, and PSM 4153

PUBLIC SERVICE

PSER 1113 INTRODUCTION TO PUBLIC PERSONNEL ADMINISTRATION
Principles of communication, recruitment and selection of human resources; job classification performance appraisal. Prerequisite: [R] [W] (Fall & Spring)

PSER 1123 INTRODUCTION TO LEGAL CASE MANAGEMENT
This course provides the student with a practical skills working knowledge of legal case management featuring such aspects of domestic law as premarital contracts, marriage, annulment, divorce, separate maintenance, custody, patriarchy, adoption, wage assignment, citation for contempt of court, preparation for trial exhibits, computations of child support, decrees and motions to modify divorce decrees. (Fall Only) Prerequisite: [R] [W]

PSER 2023 PUBLIC LAW
Basic legal tenets and procedures affecting public and/or nonprofit agencies. Prerequisite: [R] [W] (Fall Only)
PSER 2050 (1-3) PRACTICUM
Variable course credit of one to three hours for on-site public/nonprofit sector work experience; requires a detailed work journal or written report approved by advisor and copies of work product completed on the job. Prerequisite: Advisor Approval.

PSER 2103 INTRODUCTION TO GRANT WRITING AND ADMINISTRATION
Participants in this course will examine the entire grant proposal development process including research tools and techniques, criteria for narrowing the funding, effectively organizing and writing the proposal, packaging the proposal, follow-up and tracking. The course will provide practice and hands on work in the writing of a grant proposal for funding. This course will also offer grant administration, metrics, evaluation and reporting. Cross listed with WRTG 2103. Prerequisite: ENGL 1113

PSER 2113 ALTERNATIVE DISPUTE RESOLUTION
Introduction to resolution of disputes outside the traditional courtroom procedures, with an overview of this rapidly growing area in the law, including mediation and arbitration. (SPRING ONLY)

PSER 2213 INTRODUCTION TO PUBLIC SERVICE ORGANIZATIONS
Introduction to principles and problems of public administration, organizational theory, budgeting, motivation and management of human resources and the political environment. Course content is focused on leadership of public/nonprofit agencies. Prerequisites: [R] [W] (Fall Only)

PSER 2223 LEADERSHIP AND GROUP DYNAMICS
Leadership and Group Dynamics is designed to empower public service majors with the skills to improve their leadership abilities. The course integrates research, case studies and classroom instructional technology that facilitate effective leadership in public/nonprofit organizations. Prerequisites: [R] [W] (Spring Only)

PSER 2293 INTRODUCTION TO NON-PROFIT ORGANIZATIONS
An overview of non-profit organizations and the importance of business and service functions in their long-term effectiveness and sustainability. Examines historical background, development, role, auspices, organization, and purposes of non-profit agencies. Special emphasis is placed on structure, program and organizational management, stewardship, fundraising, community building, volunteer services, and problems which confront these organizations.

PSER 2333 INTRODUCTORY PUBLIC/NONPROFIT FINANCE AND BUDGET
Covers revenue sources, accounting principles and resource allocation for public/nonprofit agencies. Prerequisites: [R] [W]

PSER 2453 TECHNICAL PROBLEMS – PUBLIC SERVICE
Variable course credit of one to three hours. Examines contemporary issues and problems influencing the formation of public policy and the roles of public/nonprofit agencies. Prerequisites: [R] [W] (Fall and Spring)

PSER 3333 PUBLIC SECTOR BUDGETING AND RESOURCE MANAGEMENT
Covers accounting principles, revenue sources, and allocation of finances for public/nonprofit groups. Requires research component. Students who have successfully completed PSER 2333 may not receive credit for this course. Prerequisites: [R] [W]

RADIOLOGIC TECHNOLOGY
This is a selective admission program. See department for details.

RAD 1113 INTRODUCTION TO RADIOLOGIC SCIENCE AND HEALTHCARE
Provides an overview of the radiographer and practitioners role in the health care delivery system. The principles, practices and policies of health care organizations are discussed. A foundation in ethics and law related to the practice of medical imaging is also included. Prerequisite: Program acceptance; Corequisites: RAD 1113, RAD 1235

RAD 1123 PATIENT CARE IN RADIOLOGIC SCIENCE
This course provides the concepts of patient care during routine and emergency radiographic procedures. The radiographer’s role in patient education is identified. The basic concepts of pharmacology, venipuncture and administration of diagnostic contrast agents and intravenous medication are included. Prerequisite: Program acceptance; Corequisites: RAD 1113, RAD 1235

RAD 1233 RADIOGRAPHIC PROCEDURES I
This course provides a knowledge base necessary to perform standard radiographic procedures of the trunk and extremities. Factors considered in the evaluation of diagnostic images are included. Prerequisites: Selective acceptance, Corequisites: RAD 1113, RAD 1123

RAD 1233 DIGITAL IMAGE ACQUISITION AND DISPLAY
This course provides an understanding of the components, principles and operation of digital imaging systems found in diagnostic radiology. Factors that impact image acquisition, display, archiving and retrieval are discussed. Prerequisites: RAD 1434, RAD 2233; Corequisites: RAD 2223, RAD 2254

RAD 1333 PRINCIPLES OF IMAGING
This course establishes a knowledge base in factors that govern the image production process. Prerequisite: RAD 1233; Corequisites: RAD 1344, RAD 2233

RAD 1344 RADIOLOGIC CLINICAL PRACTICE I
Course content and clinical practice experiences are designed to provide basic patient care and assessment plus sequentially develop, apply, critically analyze, integrate, synthesize and evaluate concepts and theories in the performance or radiologic procedures. Prerequisite: RAD 1233; Corequisites: RAD 1333, RAD 2233

RAD 1434 RADIOLOGIC CLINICAL PRACTICE II
This course builds upon Radiologic Clinical Practice I. Clinical practice experiences are designed to provide patient care and assessment plus sequentially develop, apply, critically analyze, integrate, synthesize and evaluate concepts and theories in the performance of radiologic procedures. Prerequisite: RAD 1344

RAD 2113 IMAGING PHYSICS
This course establishes a basic knowledge of atomic structure and terminology. The nature and characteristics of radiation, x-ray production and the fundamentals of photon interactions with matter are also presented. Course content establishes a knowledge base in radiographic, fluoroscopic and mobile equipment and design, as well as quality control procedures. Prerequisite: RAD 2223; Corequisites: RAD 2333, RAD 2434

RAD 2223 RADIATION BIOLOGY AND PROTECTION
This course provides an overview of the radiation effects on molecules, cells, tissues and the body as a whole. Factors affecting biological response including acute and chronic effects are discussed. An overview of the principles of radiation protection, including the radiographer’s responsibilities is also presented. Radiation health and safety requirements of federal and state regulatory agencies, accreditation agencies and health care organizations are incorporated. Prerequisites: RAD 1434, RAD 2235; Corequisites: RAD 1323, RAD 2324

RAD 2233 RADIOGRAPHIC PROCEDURES II
This course provides the knowledge base necessary to perform standard and special imaging procedures of the entire body. The evaluation of diagnostic images is included. The effects of various disease processes on radiographic appearances, as well as the impact on exposure factor selection are included. Prerequisite: RAD 1233; Corequisites: RAD 1333, RAD 1434

RAD 2324 RADIOLOGIC CLINICAL PRACTICE III
This course builds upon Radiologic Clinical Practice I and II. Clinical practice experiences are designed to provide patient care and assessment plus sequentially develop, apply critically analyze, integrate, synthesize and evaluate concepts and theories in the performance of radiologic procedures. Prerequisites: RAD 1434, RAD 2233; Corequisites: RAD 1323, RAD 2223
RENEWABLE/SUSTAINABLE ENERGY

RSE 1004 RENEWABLE ENERGY APPLICATIONS
An overview of a number of renewable energy technologies and their applications. Students will study energy consumption, efficiency and conservation. Renewable/sustainable technologies studied include passive and active solar thermal, photovoltaics, wind turbine generation and geothermal energy. Lecture hours: 4

RSE 1013 RESIDENTIAL WIND DESIGN & APPLICATIONS
A study of the input and output electrical delivery system for wind generation, especially as this system applies to residential (small-scale) wind turbines. Topics covered include blades, rotors, generators, controllers, brakes, wind vanes, gear drives and anemometers. Prerequisites: RSE 1004, EET 1102; lecture hours: 2; lab hours: 3

RSE 1023 SOLAR DESIGN & APPLICATIONS
The study of solar photovoltaic cells, modules and components. This course will review the necessary equipment, design elements, safety requirements and installation procedures. Upon completion of the course students will be qualified to take the North American Board of Certified Energy Practitioners (NABCEP) photovoltaic (pv) entry level certificate of knowledge exam. Prerequisites: RSE 1004, EET 1102; lecture hours: 2; lab hours: 3

RSE 1033 GEOTHERMAL DESIGN & APPLICATIONS
This course will review the basics of geothermal power and its applications. Topics include bottom hole temperatures, water injection, binary cycles, power and its applications. Topics include bottom hole temperatures, water injection, binary cycles, power and its applications. Emphasis will be on applications in residential buildings.

RSE 2013 RESIDENTIAL ENERGY AUDITS
The student will review a number of areas including the overall building envelope, lighting systems, air conditioning systems, heating systems, motors and drives, heat pumps, ventilation systems, domestic hot water systems, water conservation and utility analysis. Emphasis will be on applications in residential buildings.

RSE 2113 BUILDING ENERGY AUDITS
The student will review a number of areas including the overall building envelope, lighting systems, air conditioning systems, heating systems, motors and drives, heat pumps, ventilation systems, commercial hot water systems, water conservation and utility analysis. Emphasis will be on applications in commercial buildings.

RSE 2211 RENEWABLE AND SUSTAINABLE ENERGY CAPSTONE
The student will review the information which they have gained over the course of the program including the overall building envelope, lighting systems, geothermal condition system, renewable wind and solar, and analysis of the energy use of the building. Students will show the ability to use the equipment for energy audits by conducting a complete energy audit of a structure. Prerequisite: Advisor Approval

SCIENCE

SCI 0124 GREAT IDEAS IN SCIENCE
An introduction to the physical and biological sciences using an integrated approach. Basic scientific principles are introduced, followed by how these principles can be applied to the different scientific disciplines. Designed for students who have not met all high school curricular and performance requirements in the sciences. Lab: two hours per week.

SCI 2000 (1-5) SPECIAL TOPICS IN SCIENCE
Special topics in science will be explored with the primary focus on laboratory-based inquiry and scientific method. Topics can include physical or biological science focus. Some coursework will be delivered and assessed online. Variable credit hours. Prerequisite: Department Head Approval.

SOCIOLOGY

SOC 1113 INTRODUCTORY SOCIOLOGY (S)
An introduction to the science of human society with emphasis on basic concepts. Assists the student in understanding the social influences on day-to-day life. Prerequisites: [R] [W]

SOC 2023 MARRIAGE AND FAMILY (S)
Analyzes male/female role interaction as it applies to the development, maintenance and disorganization of the family, particularly in the social context of American society. Analysis centers on courtship patterns, mate selection, marital adjustment problems and marital disorganization with some cross-cultural contrasts. Prerequisite: SOC 1113

SOC 2123 SOCIAL PROBLEMS (S)
Exploration in selected social issues in contemporary American society, such as deviance, poverty, sexism, racism and ageism. Prerequisite: SOC 1113

SOC 2143 SOCIAL STRATIFICATION (S)
Exploration in selected social issues in contemporary American society, such as deviance, poverty, sexism, racism and ageism. Prerequisites: [R] [W]

SOC 2213 CRIME AND DELIQUENCY
The crime and delinquency course will review sociological and psychological research regarding the causes of crime and current crime trends. Modern trends in the control and treatment of criminal behavior will be explored. In addition, this course will explore the major theories in the field of crime and delinquency. Prerequisite: SOC 1113

SONOGRAPHY

This is a selective admission program. See department for details.

SON 1103 CARDIOVASCULAR ULTRASOUND I
Emphasis on basic cardiac anatomy, imaging techniques and principles. Topics include basic imaging protocols, scan planes in relation to cardiac anatomy and principles of acquisition of diagnostic images. Students will review basic gross anatomy and cross sectional anatomy of the lower extremity peripheral arterial, venous, extracranial and deep abdominal vascular systems. Emphasis will be placed on the normal exam. Students will begin to familiarize themselves with the basic knowledge of direct and indirect vascular testing and standard protocols. Prerequisite: Accepted to program Corequisites: SON 1153, SON 2315
SON 1113 ULTRASOUND PHYSICS AND INSTRUMENTATION I
A course in the physics and instrumentation of ultrasonic wave generation and propagation, interaction of sound and matter, transducer and instrumentation designs; ultrasound scanning modes, image artifacts and quality, Doppler effect and Doppler instrumentation components. Prerequisites: SON 1103, SON 1153, SON 2313 Corequisites: SON 1203, SON 1254

SON 1153 PATIENT CARE, MEDICAL ETHICS & LAW
Students will learn sonographer safety; current Sonographic protocols; and basic patient care. Vital sign assessment will be introduced to the student, as well as medical terminology. This course covers study techniques such as effective note taking, effective listening, and test-taking strategies. For the practitioner and student entering the clinical environment, it offers step-by-step descriptions of basic medical procedures and patient care, showing how to safely and ergonomically perform procedures and how to interact with patients in a clinical setting. This includes patient communication and psychological support strategies, as well as patient transfer techniques. Topics such as infection control will be emphasized, as well as current utilization of standard precautions to prevent the spread of infection. Emergency conditions and procedures, to include first aid and resuscitation techniques will be presented to the student. A study of medical ethics & the laws that affect and pertain to Sonographers and other imaging professionals is introduced and explained. This class will also help students make knowledgeable decisions about patient care issues in respect to ethics and law. This class examines the many issues that affect sonographers and other imaging professional and applies the examples to real-world situations. The student will be introduced to topics such as patient autonomy, medical documentation, informed consent, confidentiality & HIPPA, managed care, diversity and death and dying. The student will learn to apply their own values, common sense, and applicable healthcare law and medical ethics to solve challenging dilemmas. Professional interaction skills and the sonographer’s professional scope of practice will be emphasized. Prerequisite: Accepted to program Corequisites: SON 1103, SON 2315

SON 1203 CARDIOVASCULAR ULTRASOUND
An emphasis on adult acquired cardiovascular disease is stressed. Students will review the previous semester’s concepts, and add the abnormal upper arterial and venous systems anatomy. Basic common disease concepts and clinical assessment will continue. Ultrasound criteria and protocols for normal and common abnormal studies will be reviewed and practiced in the laboratory setting. Prerequisites: SON 1103, SON 1153, SON 2313 Corequisites: SON 1113, SON 1254

SON 1213 ULTRASOUND PHYSICS & INSTRUMENTATION II
Continuation of son 1113 physics & instrumentation I. A course in the physics and instrumentation of ultrasonic wave generation and propagation, interaction of sound and matter, transducer and instrumentation designs, ultrasound scanning modes, image artifacts and quality, doppler effect and doppler instrumentation components. Prerequisite: SON 1113 Corequisites: SON 2303, SON 2354

SON 1254 CLINICAL EXPERIENCE I
Clinical rotation in various clinical settings (hospital and/or clinic) for observation and some hands-on practice in a patient care setting under direct supervision of registered sonographers. Prerequisites: SON 1103, SON 1113, SON 2313 Corequisites: SON 1113, SON 1203

SON 2253 CLINICAL EXPERIENCE II
Clinical rotation in various clinical settings (hospital and/or clinic) for observation and hands-on practice in a patient care setting under direct supervision of registered sonographers. Prerequisite: SON 1254

SON 2303 CARDIOVASCULAR ULTRASOUND III
Instruction in advanced echocardiographic procedures. Topics include stress echo, related diagnostic imaging and related noninvasive cardiac testing. Students will build on previous semesters, adding more advanced and uncommon pathology of the vascular patient. The student will work on perfecting history taking, patient assessment, critical thinking and analyzing data. Advanced direct and indirect vascular procedures will be covered and analyzed. Prerequisites: SON 1113, 1203, 2253 Corequisites: SON 1213, SON 2354

SON 2313 CARDIOVASCULAR CONCEPTS
This course is a continuation from SON 1113 and will continue to expand the knowledge of the cardiovascular sonographer. The course is designed to prepare the student for the Cardiovascular Principles section of their Registry. The anatomy and physiology of the cardiovascular and vascular systems are presented, with special emphasis on the relationship and connection of the two systems. Topics such as cardiovascular anatomy, cardiovascular physiology and hemodynamics, pathology, pharmacology of the cardiovascular system, the electrical conduction system, congenital heart defects and the correlation with other cardiovascular phenomena, coronary artery distribution, determinants and assessment of left ventricular performance and the phases of the cardiac cycle are discussed. Examination methods and interventional procedures are also explained. The textbook contains hundreds of sample questions that will help the student to prepare for clinical life as well as their national Registry. Prerequisite: Accepted to program Corequisites: SON 1103, SON 1153

SON 2354 CLINICAL EXPERIENCE III
Clinical rotation in various clinical settings (hospital and/or clinic) for observation and some hands-on practice in a patient care setting under direct supervision of registered sonographers. Prerequisites: SON 2253 Corequisites: SON 1213, SON 2303

SPANISH

SPAN 1113 SPANISH I
Pronunciation, elements of grammar, reading and simple composition in Spanish combined with some exploration of Hispanic culture. Prerequisites: [R] [W]

SPAN 1223 SPANISH II
Continuation of Spanish I with further development of pronunciation, elements of grammar, reading and simple composition in Spanish combined with some exploration of Hispanic culture. Prerequisite: SPAN 1113

SPAN 2050 (1-3) SPECIAL TOPICS IN SPANISH
Variable credit course of one to three hours. Examines issues within the field of Spanish language, literature, culture, or linguistics. This course may be cross-listed with other courses in another discipline. Can be repeated for credit with different topic. Some courses may require Spanish language fluency.

SPAN 2113 INTERMEDIATE SPANISH I
Further development of speaking, listening, reading and writing skills, along with short cultural and literary readings. Prerequisite: SPAN 1223 or CLEP score of 50.
SURV 1101 INTRODUCTION TO SURVEYING
Introduction to the profession of land surveying. Course will familiarize the student with the history of surveying in the United States, knowledge of the terminology as well as the equipment used in the profession. Students will gain an elementary knowledge of the duties and responsibilities of a professional land surveyor.

SURV 1102 CONSTRUCTION SURVEYING
Develop student's ability to utilize up-to-date instruments such as total station, theodolite, automatic and laser levels along with traditional accessory equipment in the performance of routine building construction tasks requiring applications of plane surveying theories and technologies for vertical and horizontal control. Differential and laser leveling, traversing, slope staking, topographic mapping and building layout are examples of the tasks to be taught.

SURV 1123 FUNDAMENTALS OF GIS
An introductory course in GIS and an accompanying lab using ESRI ArcGIS software. The course will discuss different functions of a GIS and its capabilities; GIS data collection and input; GIS data types and basic mapping concepts.

SURV 1233 MICROSTATION
An introductory course in MicroStation. Topics will include MicroStation design environment, viewing and zooming, models, levels, basic drawing tools, drawing with precision, modification tools, selecting and grouping elements and complex elements.

SURV 1320 (1-6) TECHNICAL PROBLEMS IN SURVEYING
One to six, maximum six credits. Technical problems in surveying that are of particular interest to technicians. Prerequisite: Department Head Approval.

SURV 2050 (1-6) ADVANCED TECHNICAL PROBLEMS IN SURVEYING
One to six, maximum six credits. A study of problems in applied engineering science that are of particular interest to the engineering technician.

SURV 2123 SURVEY BUSINESS MANAGEMENT
This course will introduce the student to the fundamentals of business with an emphasis on running a surveying company. Business basics such as accounting, human resources, taxes, financing and legal principles will be introduced. Lastly, the course will provide the student with tips on how to run a successful surveying company.

SURV 2143 HIGHWAY DESIGN AND CONSTRUCTION
Study of transportation, roads and their functions. Roadway foundations, pavement types, characteristics, composition and structural design; construction procedures; transportation systems planning.

SURV 2213 REMOTE SENSING
An introduction to the physics and technical issues surrounding the acquisition and utilization of remotely sensed airborne and satellite images for the study of physical and human landscapes. Techniques for analyzing and interpreting images for studying biological, geological, hydrological and oceanographic processes as well as human activities will be covered. Prerequisites: SURV 2614.

SURV 2223 ROUTE SURVEYING
Principles of route surveys, use of photogrammetry in route design and layout. Computer applications. Prerequisite: SURV 2614

SURV 2233 CIVIL CAD DRAFTING
Covers a land survey CAD (computer-aided drafting) system, experience in contour maps, plan sheets, sections and details. Lab: three hours per week.

SURV 2243 PHOTOGRAMMETRY
Procedures and methods used for deriving metric information from photographs, analog processes for using aerial photographs in production of topographic maps, flight planning, and cost estimation in aerial mapping work. Introduction to photo-coordinate measurement devices and their calibration. Mathematics of modern photogrammetry. Prerequisites: SURV 2614.

SURV 2433 CIVIL CAD DRAFTING II
Continuation of SURV 2233. Advanced applications of civil CAD (computer-aided drafting) software to assigned civil or survey projects. Prerequisite: SURV 2233.

SURV 2614 SURVEYING I
First course in measurement science. Introduction and application of basic plane surveying procedures, linear and angular measurements and differential leveling, traverse and topographic surveys. Computer application to surveying calculations. Prerequisite or Concurrent Enrollment in MATH 1161.

SURV 2623 LEGAL PRINCIPLES - SURVEY I
This course addresses the fundamental principles of real property as applied to land surveying and related professions. Discussion and applications center on practical situations and concepts commonly encountered while conducting boundary surveys and the determination of the extent of ownership rights. Students explore the scope of the surveyors' judiciary role in real property ownership. Prerequisite or Concurrent Enrollment in SURV 2614.

STAT 1103 FUNDAMENTALS OF STATISTICS
This course will lay the foundation for further statistical study with a focus on analyzing situations, comparing statistical measurements, and interpreting the meaning of results from those measurements. Course teaches the key concepts of descriptive statistics along with the necessary algebra to help prepare students for Math 2103. Prerequisite: R CEM 0104 or CEM 0113

STAT 2013 ELEMENTARY STATISTICS (A)
Introduction to the theory and methods of statistics. Descriptive measures, elementary probability, samplings, estimation, hypothesis testing, correlation and regression. Prerequisite: R M

SPAN 2123 SPANISH FOR HERITAGE SPEAKERS
An in-depth study of Spanish for the heritage speaker. Emphasis is placed on the development of reading and writing skills of those persons who speak Spanish but who have little or no formal study in the language. Prerequisite: CLEP score of 50 or Department Head Approval.

SPAN 2133 INTERMEDIATE SPANISH II
Consolidation of Spanish Language skills including vocabulary development, reading comprehension, oral fluency, and listening comprehension. Prerequisites: Spanish 2113 or Spanish CLEP score of 63.

SPAN 2143 ADVANCED SPANISH GRAMMAR AND COMPOSITION
An intensive study of Spanish grammar, composition and conversation designed to increase oral proficiency and to enhance written communication in Spanish in situations ranging from relatively simple to more complex. Prerequisite: SPAN 2113 or CLEP 50

SPCH 1113 INTRODUCTION TO SPEECH
Principles and techniques of preparation, participation in and evaluation of communication behavior in conversation, the interview, group discussion and public speech. A competency-based approach. Prerequisites: R W

SPCH 2723 INTERPERSONAL COMMUNICATION
Focus is on developing a conceptual framework for viewing varied interpersonal relationships as transacted through communication. Through participation in class activities students are encouraged to develop skills appropriate to overcoming problems experienced in real-life situations. Prerequisites: R W

STATISTICS

SPEECH

Catalog 2020-2021 • Oklahoma State University-Oklahoma City
**SURV 2633 LEGALS PRINCIPLES - SURVEY II**
History of land surveying and law development, legal boundaries, title to land, public land surveys, and general principles for subdivision of a section. Prerequisite: SURV 2623.

**SURV 2643 ADVANCED SURVEYING**
Care and adjustment of instruments, controls by triangulation, measurement and computation of earthwork, topographic surveys with conventional instruments and photographic methods. Review of Oklahoma laws governing land surveys and professional licensing. Lab: three hours per week. Prerequisite: SURV 2614

**SURV 2650 (1-6) TECHNICAL PROJECTS - SURVEYING**
One to six, maximum six credits. Special project will be assigned by the advisor with the approval of the department head. A comprehensive written report of the work accomplished must be prepared and approved. Before credit is given an examination may also be required. Prerequisite: Department Head Approval

**SURV 2734 APPLIED SURVEY COMPUTATIONS**
The use of applied statistics in land surveying, error propagation in polygon and link traverses, discussion of positional tolerance and an introduction to least square adjustments and computer applications. Prerequisites: SURV 2232 and SURV 2643

**SURV 2743 FUNDAMENTALS OF GPS**
Fundamentals of GPS, geodesy, project planning, field procedures, post processing of data, network adjustments and real time kinematic techniques. Prerequisite: SURV 2614

**SURV 2773 FUNDAMENTALS OF SURVEYING EXAM REVIEW**
This course is designed to help a student prepare for taking the FS exam. Topics will include the NCEES exam syllabus, basic surveying and mapping concepts, surveying computations and field techniques, applications of surveying, boundary law, and subdivision of land. Prerequisite: Department Head Approval

**SURV 2783 CAPSTONE**
A final semester course designed to integrate all previous coursework into one final project. The student will perform records research, field work, boundary analysis, and CAD work to submit a final survey that meets minimum technical standards. Prerequisites: Advisor Approval

---

**TECHNICAL SPANISH/TRANSLATION AND INTERPRETATION**

**TSTI 1113 INTRODUCTION TO INTERPRETING**
Introduction and practice of the basic building blocks of interpreting – analyzing, summarizing and paraphrasing, listening comprehension, shadowing, including basic strategies for short consecutive interpreting and sight translation. Prerequisite: SPAN 2143 or Department Head Approval.

**TSTI 1123 INTRODUCTION TO TRANSLATION**
The theory and practice of translation, including general background regarding human language and language families and the history of translating, as well as basic strategies for understanding and rendering written text from Spanish to English and English to Spanish. Prerequisite: SPAN 2143 or Department Head Approval

**TSTI 1133 FUNDAMENTALS OF TRANSLATION**
Students will complete a series of increasingly complex and challenging translation exercises in a variety of styles. The course also offers a practical review of English and Spanish writing and editing skills necessary to produce clear, polished translations. Prerequisite: TSTI 1123

**TSTI 1143 FUNDAMENTALS OF INTERPRETATION – CONSECUTIVE AND SIMULTANEOUS**
A practical course aimed at developing proficiency in interpreting in a variety of settings. Students develop techniques for consecutive interpreting and are introduced to basic techniques for simultaneous interpreting. Topics include memory development, note-taking, and assessment of interpreter performance. Prerequisite: TSTI 1113

**TSTI 1213 ETHICS AND BUSINESS PRACTICES**
The role of the interpreter in business, conference, health care, legal and law enforcement settings; and standards of business practice and legal issues in translation and interpreting. This course also covers how to market translation and interpreting services and how to set up a business as a freelance translator or interpreter. Prerequisite: [R] & [W].

**TSTI 1223 TECHNOLOGY FOR TRANSLATORS AND INTERPRETERS**
Instruction in areas such as electronic editing, proofing tools and use of computers, email and the Internet to help students improve productivity and consistency. Students are also introduced to localization and translation memory tools. Prerequisite: TSTI 1113

**TSTI 1233 VOCABULARY ACQUISITION AND TERMINOLOGY RESEARCH**
Development of general vocabulary in English and Spanish, as well as skills in terminology research, dictionary usage and glossary building. Basic Terminology and resources in fields such as medicine, law, computers, business and international trade are covered. Prerequisite: SPAN 2143

---

**TSTI 2050 (1-3) SPECIAL TOPICS IN SPANISH**
Variable credit course of one to three hours. Examines issues within the field of Spanish language, literature, culture, or linguistics. This course may be cross-listed with other courses in another discipline. Can be repeated for credit with a different topic. Some courses may require Spanish language fluency.

**TSTI 2113 COURT PROCEDURES**
Examination of the procedures and protocol of different settings where interpreting occurs at the federal, state, county and municipal levels. Includes explanations of the judicial and quasi-judicial systems operating in the state of Oklahoma. Prerequisite: TSTI 1113 & TSTI 1123

**TSTI 2123 FUNDAMENTALS OF COURT INTERPRETING**
An introduction to the profession of court interpreting. Students are given an overview of the U.S. justice system, English legal language, criminal and civil procedure. The court interpreter’s code of ethics is presented; and students engage in role-playing activities to illustrate the basic tenets of the code. Prerequisite: TSTI 2113

**TSTI 2133 INTERPRETING IN LEGAL SETTINGS**
Legal interpreting in contexts such as courthouses, attorney offices and law enforcement settings. Attention is given to the registers of speech encountered in typical legal proceedings. Prerequisite: TSTI 2123

**TSTI 2213 INTERPRETING IN HEALTH CARE SETTINGS**
The art and skills of health care interpreting and the role, responsibilities and boundaries of the interpreter seen as an active team player in the triadic medical interview (provider-patient-interpreter). The course also presents the interpreter’s role as linguistic and cultural mediator in multidisciplinary settings. Because of the medical setting students will be required to obtain a background check and certain immunizations. Please contact the program director for further information. Prerequisite: TSTI 1113

**TSTI 2223 MEDICAL INTERPRETING I: MEDICAL TERMINOLOGY**
Introduces prefixes, suffixes and word roots used in the language of medicine. Topics include Spanish and English medical vocabulary and terms that relate to pathological conditions and the treatment of selected systems. Prerequisite: SPAN 2143

**TSTI 2233 MEDICAL INTERPRETING II: ANATOMY AND PHYSIOLOGY**
The second in a series of medical terminology courses. Emphasis on Spanish and English medical vocabulary and terms that relate to anatomy and physiology. Prerequisite: TSTI 2223

**TSTI 2411 PRACTICUM**
The internship links students to a practical work setting in a law firm, hospital, business or community organization. This internship will provide valuable work experience as a legal, medical, busi...
ness or community interpreter and/or translator receiving close supervision or mentoring within an organization. Students should complete all Technical Occupational Specialty courses before beginning the practicum. A background check and/or certain immunizations may be needed. Please check with the program director for further information. Prerequisite: Department Head Approval.

VT 1213 LABORATORY TECHNIQUES I
Students perform hematologic techniques and identify, classify and discuss the significance of internal and external parasites pertinent to veterinary medicine. Additional lab fee required. Prerequisites: Department Head Approval and admission to program

VT 1223 VETERINARY TECHNOLOGY PHYSIOLOGY
Explores the structure and function of molecular, cellular, and organ system physiology in domestic animal species. Prerequisites: Department Head Approval and admission to program

VT 1230 (1-3) SELECTED TOPICS IN VETERINARY TECHNOLOGY
The study and/or analysis of a selected topic in Veterinary Technology. May be repeated with a different topic. Variable credit. Can be repeated up to six hours. Prerequisite: Department Head Approval and admission to program

VT 2103 ANIMAL REPRODUCTION, NUTRITION AND PRODUCTION
Investigates genetics, reproduction and breeding soundness examination of common domestic animals. Basic food nutrient, nutritional requirements and ration formulation will also be included. Both facets of the course will relate to production. Additional lab fee required. Prerequisites: Department Head Approval and admission to program

VT 2114 CLINICS AND NURSING
Provides instruction in reportable disease regulations, dental prophylaxis, sanitation procedures, medical records, nursing procedures, surgical prepping and assisting, dosage calculation and anesthesia. Additional lab fee required. Prerequisites: Department Head Approval and admission to program

VT 2123 LABORATORY TECHNIQUES II
Students perform coagulation tests, urinalysis, ELISA tests, blood chemistries, vaginal cytology, semen evaluation and aspiration techniques for cytological exam to aid in evaluating and interpreting physiological bodily functions. Additional lab fee required. Prerequisites: Department Head Approval and admission to program

VT 2213 WILD, ZOO AND LABORATORY ANIMAL CARE
Includes breed identification, restraint, husbandry, nursing care and management of wild, zoo and laboratory animals. Also explores legal, ethical and safety issues concerning these animals. Additional lab fee required. Prerequisites: Department Head Approval and admission to program

VT 2223 VETERINARY TECHNOLOGY RADIOLOGY
Course is designed to introduce the student to the various aspects of radiology, including safety, theory, positioning, making exposures and development of radiographs. Additional lab fee required. Prerequisites: Department Head Approval and admission to program

VT 2233 VETERINARY TECHNOLOGY PHARMACOLOGY
An introductory pharmacology course which includes instruction in labeling, packaging and dispensing drugs, routes of administration, dosage regimen, pharmacokinetics and classification. Prerequisites: Department Head Approval and admission to program

VT 2250 (1-3) SELECTED TOPICS IN VETERINARY TECHNOLOGY
The study and/or analysis of a selected topic in Veterinary Technology. May be repeated with a different topic. Variable credit. Can be repeated up to six hours. Prerequisites: Department Head Approval and admission to program

VT 2314 PRECEPTORSHIP
An occupational experience afforded by cooperative effort between the student, Oklahoma State University-Oklahoma City and an approved veterinary medical practice. Prerequisites: Department Head Approval and admission to program

VT 2402 VETERINARY CLINIC MANAGEMENT
This course is designed to introduce the student to the veterinary technician profession, the rules and regulations that govern technicians and cover basic veterinary medical office procedures, staff and client relations, human-animal bond, OSHA regulations ethics and professional conduct. Prerequisites: Department Head Approval and admission to program

VT 2413 ANIMAL PATHOLOGY
An introductory pathology course which includes a comprehensive overview of general pathology including immunology, toxicology and common diseases of domestic animals, including zoonotic implications and preventative measures. Prerequisites: Department Head Approval and admission to program

VT 2442 VT CAPSTONE – BOARD EXAM REVIEW
Emphasis is on preparation for state and national board examinations and assurance of clinical competency. Course content is tailored to the specific needs of students. Prerequisite: Department Head Approval

VT 2504 ADVANCED CLINICS & NURSING
Provides instruction in common diagnostic procedures, reportable disease regulations, sterile procedures, medical records, nursing procedures, dental prophylaxis, surgical prepping and assisting, dosage calculation and anesthesia administration as they pertain to small animals, horses and ruminants. Prerequisites: Department Head Approval and admission to program
WIND TURBINE

WTT 1004 INTRODUCTION TO WIND ENERGY
This course will introduce the student to wind energy. It will cover the various types of wind turbines, manufacturing companies, maintenance and repair, and employment opportunities. Student will also receive instruction and certification from the OSHA 10 hour certificate. The climb safety and tower rescue training will be included as the laboratory component.

WTT 1213 WIND TURBINE AND ELECTROMECHANICAL SYSTEMS
Course will introduce students to the various components of a wind turbine and how each component functions to convert wind energy into electrical energy and transmit it to the grid. Prerequisite: WTT 1004 & MATH 1513

WTT 2113 WIND TURBINE OPERATION & MAINTENANCE
In-depth study of the components, principles and processes involved in the generation of electrical power using wind energy. Prerequisite: WTT 1004 & MATH 1513

WTT 2413 WIND TURBINE SITING & CONSTRUCTION
An introduction to the mapping of wind patterns that help assist in determining where wind turbines will be located and they can be best constructed, delivered and set up for operation. Prerequisite: WTT 1004 & MATH 1513

WTT 2533 WIND TURBINE DIAGNOSIS & REPAIR
The course will cover the theory and practice of installation, operation, maintenance, troubleshooting and repair of wind turbine electromechanical systems. Prerequisite: CIS 1113, WTT 1004 & MATH 1513.

WTT 2553 WIND TURBINE CAPSTONE
This is the final course in the wind turbine technology program. Various topics in the wind energy industry will be covered as well as job searching and interview techniques. Course content will be tailored to the needs of the students to prepare them for job placement. Prerequisite: WTT 1004 and MATH 1513.

WTT 2600 (1-6) WIND TURBINE INTERNSHIP
The cooperative agreements with other educational institutions and/or wind turbine owner/operators, Students will have the opportunity for “Hands On” work on operational wind turbines. Students will work under the supervision and direction of professionals in the wind energy industry. Variable Credit one-six credit hours. May be repeated up to a maximum of six credit hours. Prerequisite: WTT 1004 and MATH 1513.
FACULTY CREDENTIALS

Final Credential Verification List

Office of Academic Affairs

Joey Fronheiser
Vice President
Academic Affairs
PhD in Family Relations and Child Development, Oklahoma State University
MSW, University of Oklahoma

Tracy Edwards
Associate Professor
Academic Affairs
MS in Nursing, University of Oklahoma Health Sciences Center
Additional graduate work in Education, Capella University
BS in Nursing, Southern Nazarene University
AAS in Nursing, Redlands Community College

Instructional Division Heads (Deans)

Amber Hefner
Associate Professor
Division Head
Business Administration and Agriculture
MS in Educational Leadership Studies, Oklahoma State University
BS in Marketing and International Business, Oklahoma State University

Denara Hill
Division Head
Initial College Studies
MA in English, University of North Texas
Additional graduate work in English, University of Nevada Las Vegas
BA in English, East Central University

James Saunders
Assistant Professor
Division Head
Science, Technology, Engineering, & Mathematics
MBA, Oklahoma City University
BA in Engineering Electronics, Park University

Tiffany Smith
Associate Professor
Division Head
Human Services
BA in Criminal Justice, University of Central Oklahoma
Masters in Criminal Justice Administration, University of Central Oklahoma
Additional graduate work in Forensic Science, University of Central Oklahoma

Jason Stone
Assistant Professor
Division Head
Liberal Arts
MA in Speech, Ball State University
BA in Communication, Southeastern Louisiana University

Penny Ridenour
Assistant Professor
Division Head
Healthcare Administration
MS in Healthcare Administration, University of Phoenix

Full-time Faculty

Breeman Ainsworth
Assistant Professor
Department Head
Humanities
PhD in English, University of Oklahoma
MA in Medieval Studies, University of York, UK
MA in English, Montana State University
BA in Theater, Oklahoma Baptist University

Cindy Bales
Assistant Professor
Mathematics
M.Ed. in Mathematics, Southeastern Oklahoma State University
BS in Mathematics, Southeastern Oklahoma State University
AS in Mathematics, Eastern Oklahoma State College

Daniel (Dan) Bamper
Assistant Professor
Science
Ph. D. Chemistry and Biochemistry University of Oklahoma
MS Chemistry and Biochemistry, University of Oklahoma
BS Chemistry, West Chester University of Pennsylvania

Charlotte Barker
Instructor
Nurse Science
MS, Nursing Education, Southern Nazarene University
BS, Nursing, University of Central Oklahoma

Celeste Beckner
Instructor
Initial College Studies - Math
MS in Mathematics, University of Oklahoma
BS in Mathematics, University of Oklahoma

Joe Bennett
Instructor
Fire Protection
BT in Emergency Responder Administration, Oklahoma State University – Oklahoma City
AAS in Municipal Fire Protection, Oklahoma State University – Oklahoma City

Daniel (Dan) Biggs
Assistant Professor
Mathematics
MS in Applied Mathematical Sciences, University of Central Oklahoma
BS in Mathematics, Southern Nazarene University

Diana Biswell
Instructor
Department Head
Information Systems and Technologies
Master of Technology in Computer Science, Southeastern Oklahoma State University
BS in Mathematics, Southeastern Oklahoma State University

Linda Brooks
Assistant Professor
Nurse Science
MS, Nursing Education, University of Oklahoma Health Sciences Center
BS, Nursing, Southwestern Oklahoma State University

Trisha Brown
Assistant Professor
Nurse Science
MS, Nursing Education, Western Governor’s University
Additional graduate work Post-Master Certificate, Family Nurse Practitioner, Midwestern State University
BS, Nursing, Southwestern Oklahoma State University
AAS, Nursing, Redlands Community College

151
KAREN BUBB
Instructor
Department Head
Diagnostic Medical Imaging
BS in Radiologic Sciences, AdventHealth University
AS in Radiologic Technology, Midwestern State University
Certified Radiologic Technologist, American Registry of Radiologic Technologists
Registered Vascular Technologist, American Registry of Diagnostic Medical Sonography
Registered Diagnostic Medical Sonographer, American Registry of Diagnostic Medical Sonography

ARMANDO CRUZ-RODZ
Professor
Science
PhD in Biochemistry, University of Oklahoma
PhD in Microbiology, University of Oklahoma
MS in Biochemistry, University of Oklahoma
MS in Microbiology, University of Oklahoma
BS in Chemistry/Industrial Microbiology, University of Puerto Rico

Ben Davis
Instructor
Department Head
Interpreter Training
Graduate work in Interpreting pedagogy, Univ. of North Florida
Bachelor of Applied Science in Sign Language Interpretation, Siena Heights University, Michigan
Associate of Applied Science in Sign Language Interpreting, Oklahoma State University – Oklahoma City

STEPHENA DISABELLA
Assistant Professor
Nurse Science
MS, Nursing Education, Oklahoma Baptist University
BS, Nursing, University of Central Oklahoma
BS, Health Sciences, George Washington University

Evan Burkala
Associate Professor
Department Head
Science
PhD in Veterinary Studies, Murdoch University, Australia
MS in 1st Class Honors, Murdoch University, Australia
BS in Biotechnology Vet Technology, Murdoch University, Australia

EvAN BURKALA
Associate Professor
Department Head
Science
PhD in Veterinary Studies, Murdoch University, Australia
MS in 1st Class Honors, Murdoch University, Australia
BS in Biotechnology Vet Technology, Murdoch University, Australia

justen DOWNING
Assistant Professor
Nurse Science
MS, Nursing Education, University of Oklahoma
BS, Nursing, University of Central Oklahoma

Jennifer DuErksen
Associate Professor
Nurse Science
MS, Nursing Education, Oklahoma Baptist University
BS, Nursing, Southwest Oklahoma State University

 Kubernetes (Cheri) Dyer
Instructor
Nurse Science
MS, Nursing Education, University of Oklahoma
BS, Nursing, University of South Florida
Associated Applied Science, Nursing, Oklahoma City Community College

Karen Jobe
Professor
English
PhD in Composition, Rhetoric, & Literacy, University of Oklahoma
MA in Composition, Rhetoric, & Literacy, University of Oklahoma

Ryan Hightower
Instructor
Surveying Technologies
BS in Technology, Cameron University
Professional Land Surveyor in Oklahoma

Haldor Howard
Associate Professor
Horticulture
MS in Educational Leadership Studies, Oklahoma State University
BS in Environmental Science, University of Oklahoma
AAS in Horticulture Technology, Oklahoma State University – Oklahoma City

Justin Hunter
Assistant Professor
Program Director
Paramedicine
Master of Public Administration, University of Oklahoma
Bachelor of Applied Science in Public Safety Administration W/emphasis in Emergency Medical Services, St. Petersburg College
AS in Emergency Medical Services, Manatee Community College
AA, St. Petersburg College

Natasha (Rene’) Hurst
Associate Professor
Humanities
MS in Higher Education, University of Central Oklahoma
Oklahoma Vocational Certification, University of Central Oklahoma
BS in Education, Southwestern Oklahoma State University

Petra Hutchison
Associate Professor
Early Care Education
MS in Child and Family Sciences, University of Central Oklahoma
BA in Sociology, Oklahoma State University
BA in Public Policy, Oklahoma State University

Karen Jobe
Professor
English
PhD in Composition, Rhetoric, & Literacy, University of Oklahoma
MA in Composition, Rhetoric, & Literacy, University of Oklahoma

Tamra Johnston
Instructor
Humanities
MA in History, University of Central Oklahoma
BA in History, Oklahoma State University
WHITNEY KEMP
Instructor
Paramedicine
BS in Community Health, University of Central Oklahoma
Some graduate work toward a Master of Adult Education, University of Central Oklahoma
AAS in Emergency Medical Science, Oklahoma City Community College

CRYSTAL MARTIN
Assistant Professor
Department Head
Nurse Science
MS, Nursing Education, University of Oklahoma Health Sciences Center
BS, Nursing, Georgia Southern University
AS, Nursing, Coastal College of Georgia

KIM PEARSSALL
Associate Professor
Department Head
Early Care Education
Master of Human Relations, University of Oklahoma
Additional graduate work towards doctorate in Higher Education, University of Oklahoma
Bachelor of Science in Liberal Studies with Admin option, University of Oklahoma

CARYN KRUEGER
Instructor
Program Director
Radiographic Technology
BS in Health and Sports Sciences, University of Oklahoma
Radiologic Technology Certification, Meridian Technology
Registered in Radiography since 1989, American Registry of Radiologic Technologists
Registered in Bone Densitometry since 2014, American Registry of Radiologic Technologists

LISA McCONNELL
Associate Professor
Department Head
Business
MBA, Oklahoma City University
BS in Business Administration, Oklahoma State University

ELIZABETH PETERS
Assistant Professor
Behavioral Sciences
MA in Experimental Psychology, University of Central Oklahoma
Doctoral candidate in Psychology, University of Oklahoma
BA in Psychology, University of Central Oklahoma
AAS in Police Science, Oklahoma State University – Oklahoma City

LUANNE KUELZER-ECKHOUT
Associate Professor
Initial College Studies - Reading
PhD in Instructional Leadership and Academic Curriculum, University of Oklahoma
MA in Teaching of English as a Second Language, Oklahoma City University
BS in Secondary Education and German, Oklahoma City University

KARYN LEASE
Assistant Professor
Department Head
Mathematics
EdD in Education, University of Oklahoma
MEd in Mathematics, Millersville State
MEd in Administration, University of Guam
BA in Math and Philosophy, Dartmouth College

ANTHONY MELECO
Instructor
Science
MS in Engineering Physics, University of Oklahoma
BS in Physics, University of Oklahoma

SARAH PIPER
Assistant Professor
Initial College Studies - Writing
MA in English, University of Central Oklahoma
BA in History, University of Notre Dame of Maryland

KENNETH (KEN) LEASE
Assistant Professor
Department Head
Mathematics
EdD in Education, University of Oklahoma
MEd in Mathematics, Millersville State
MEd in Administration, University of Guam
BA in Math and Philosophy, Dartmouth College

ELIZABETH PETERS
Assistant Professor
Behavioral Sciences
MA in Experimental Psychology, University of Central Oklahoma
Doctoral candidate in Psychology, University of Oklahoma
BA in Psychology, University of Central Oklahoma
AAS in Police Science, Oklahoma State University – Oklahoma City

KAREN LOCKWOOD
Associate Professor
Nurse Science
MS, Nursing, Clinical Nurse Specialist Pathway, University of Oklahoma Health Sciences Center
BS, Nursing, University of Oklahoma

SHERYL POWERS
Assistant Professor
Business
MBA, University of Georgia
BS in Business Administration, Oklahoma State University

ALISSA NEPHEW
Assistant Professor
English
MA Composition, Rhetoric, & Literacy, University of Oklahoma
BA in English, Oklahoma Christian University

JENNIFER POYNTER-THOMPSON
Associate Professor
English
MA in English – Creative Writing, Oklahoma State University
BA in English, Northeastern State University

KARLA MACK
Instructor
Nurse Science
MS, Nursing Education, Northeastern State University
BS, Nursing, Langston University

SUSAN RADCLIFFE
Instructor
Nurse Science
MS, Human Relations, University of Oklahoma
MSN, Adult Health, Emory University
BS, Nursing, Vanderbilt University

ASHLEY MATTISON
Instructor
Science
PhD in Genetics, Texas A&M University
BS in Genetics, Clemson University

JENNIFER POYNTER-THOMPSON
Associate Professor
English
MA in English – Creative Writing, Oklahoma State University
BA in English, Northeastern State University

ADAM MILLS
Instructor
Initial College Studies - Math
MS in Mathematics, University of Memphis
BS in Mathematics, Oklahoma City University

AMY MONKS
Assistant Professor
Initial College Studies - Math
MS in Environmental Science, University of Oklahoma
BS in Mathematics, University of Oklahoma

JOSEPH (JOE) MYERS
Instructor
English
MFA in Creative Writing, Oklahoma State University
BA in American Studies, Oklahoma State University
