7 CHARGING BOOKS

Students may charge **required** textbooks at the OSU-OKC Bookstore to their Business Services account if they have financial aid that exceeds their tuition and fee charges. For more information about charging books please visit the OSU-OKC Bookstore on the second floor of the Student Center.

THINGS TO REMEMBER:

- Students must keep track of their charges and Business Services account balance.
- Students using their financial aid must have provided Title IV authorization online prior to charging their books. If authorization is not provided, financial aid will not pay their bookstore charges and the student will be responsible for the balance.
- Bookstore charges posted after financial aid refunds have been processed on a student's Business Services account are the responsibility of the student.
- Students whose aid does not cover all of their bookstore charges are responsible for their Business Services balance.

Financial aid funds administered by OSU-OKC will be credited to your Business Services account to pay outstanding balances.

- Funds in excess of outstanding balances will be refunded to you.
- Student loans are credited prior to the first day of classes and those disbursements begin once classes have started.
- FWSP funds are earned by working on campus and students will be paid as an OSU-OKC employee.
- The Business Services Office begins issuing refunds once your account has been credited with funds.
- Refunds issued by check are mailed to the current address listed on your student account; checks are mailed in 7-10 business days.
- Refunds issued by Direct Deposit are processed within 2-4 business days.
