

ALL ABOUT O-Key

What is O-Key?

The O-Key system provides login information needed to access OSU's online systems including email, the Online Classroom, myOKSTATE and the free Microsoft software website.

What do you need to activate your O-Key?

- Currently enrolled in an OSU-OKC course
- A computer with internet access
- Personal information (SSN/birthdate)
- Activation PIN number
- Personal email and mobile number
- Emergency contact Information

TO GET STARTED, VISIT okey.okstate.edu.

1. Click Activation Icon
2. Enter personal information
3. Enter PIN number

O-Key Activation Process:

- Record O-Key Username
- Enter your Preferred Name and select your contact information
- Add your contact information to receive campus notifications
- Select login address (xxxx@okstate.edu)
- Choose email destination (Cowboy Mail or Orange Mail)
- Add personal alternate email and mobile number (used for password reset)
- Enter a phone password
- Create O-Key Password
- Activation Confirmation

O-Key Tips

- Keep your O-Key password and PIN secure
- O-Key passwords expire every 120 days
- Use your O-Key for access to all OSU- OKC systems
- All OSU-OKC email communication will use your @okstate.edu email address
