

OUR MISSION

The purpose and mission of the OSU-OKC Staff Council is to serve as a voice for the OSU-OKC staff, to advise the President on the working climate, and to raise issues and concerns of the staff. We understand the importance of building a strong sense of community not only between staff, but between staff and other groups on campus. Our goal is to enhance a sense of pride in who staff are, what staff do, and the important role staff play in the success of OSU-OKC.

Student Success. Employee Excellence. Community Relevance.
