

# INVESTING 101

## WITH OSU PROFESSOR AMIT BANSAL

Investing doesn't have to be scary!  
This FREE workshop is designed to provide you with knowledge and tools to plan for your long-term wealth creation such as saving for your retirement, kids college education, etc.

- How to invest for the long term.
- How to take advantage of the stock market to grow your money.
- Portfolio risk level
- How to automate saving and investing
